C-HR

TOYOTA

AT TOYOTA, WE'RE MORE THAN JUST A CAR COMPANY

WE'RE A PARTNER IN THE JOURNEY TO LIVE YOUR MOST FULFILLING LIFE.

We give you the tools you need to achieve your full potential by designing our vehicles with purpose. To be as dynamic as the life you've always envisioned yourself living.

And we don't stop at meticulously designed, quality vehicles. We're pioneering alternative fuels, improving human movement, and creating meaningful community partnerships, like the one we have with our Olympic and Paralympic athletes. These initiatives demonstrate our determination to give everyone the ability to move freely through a world with constantly evolving mobility challenges, enriching that world in the process.

Alone, just a car. Together, so much more.

GET READY TO BREAK THROUGH

ISN'T IT TIME TO GET BEHIND THE WHEEL OF SOMETHING DIFFERENT?

There's never been a Toyota quite like the 2019 C-HR. With its distinctive look and sculpted, athletic styling from every angle, it stands out wherever you take it. And no matter where that is, you'll stay comfortable and connected, thanks to premium features and intuitive technology right at your fingertips. But the C-HR isn't just about looks, style, and comfort – it's fun to drive with the perfect blend of responsiveness and control that will make every drive memorable. With a spacious interior and state-of-the-art safety features that come standard, it's the perfect vehicle to help you break free of the everyday and find your next adventure.

DESIGNED TO BE DIFFERENT

EXPECT TO GET NOTICED IN THE 2019 C-HR.

The C-HR was designed to effortlessly take centre stage, thanks to its extraordinary exterior styling and energetic feel. Its fit, lower body sits atop large-diameter 17" wheels that accentuate its athletic stance. C-HR's raised height and angled rear window work together to create a sporty, passenger-friendly cabin, as well as a uniquely distinctive silhouette. And with its slim projector headlamps that wrap deep into its edgy character lines, all the way to its dynamic rear spoiler and sculpted tail lights, the C-HR is impressive no matter how you look at it.

STYLED AROUND YOU

WHERE FORM AND FUNCTION FIND PERFECTION.

C-HR features a cutting-edge interior where everything is precision placed to create a driver-centric environment. The slightly angled dash allows for an unobstructed view of the road ahead and easy access to all of the intuitive instrumentation. The premium soft-touch materials, diamond pattern accents, and smart tech only further enhance an already exceptional drive. But there's function to all of this form. The C-HR is designed to maximize space, with slim seatbacks, a spacious footwell, and convenient 60/40 split folding rear seats, for extra cargo carrying versatility.

TECH THAT TAKES YOU FURTHER

entune[®] 3.0 System¹ is an integrated multimedia platform that includes a host of smart technologies designed to help keep you informed and connected to the people, places and things that matter to you most.

APP SUITE CONNECT

Entune[™] App Suite Connect² offers drivers a series of infotainment apps to help enhance your day-to-day activities. This easy-to-use service allows you to stream music, get sports scores, stock updates, check local traffic details,³ fuel prices, news, weather reports and even access to Yelp.

SCOUT[®] GPS LINK

Entune's[™] Scout[®] GPS Link⁴ is a cell phone-based navigation app that offers up-to-the-minute directions via full-moving maps and turn-by-turn directions. The hands-free voice command system creates a seamless navigation experience that effortlessly gets you to your destination with ease.

APPLE CARPLAY[™]

A Toyota first, C-HR offers Apple CarPlay^{™5} support as a standard feature. Connect your compatible iPhone^{®5} and get directions, make calls, send and receive messages, and listen to your own playlist with your voice through Siri and the 8" touch-screen — all while maintaining focus on your drive.

THRILL OF THE DRIVE

PERFORMANCE THAT'S A PURE PLEASURE.

The C-HR is designed to maximize driving pleasure with every turn of the wheel. It features a 2.0-litre 4-cylinder engine that produces 144 horsepower and 139 lb.ft. of torque that sends power to the front wheels via Continuously Variable Transmission. The engine employs many of Toyota's latest generation of technologies, including Variable Valve Timing and VALVEMATIC, both of which help to enhance fuel economy and improve engine responsiveness to deliver a drive like no other.

CVT WITH SEQUENTIAL SHIFT

Transforming C-HR's horsepower into forward motion is an advanced Continuously Variable Transmission. Keep it in D and C-HR does all the work, giving you a smooth and efficient drive. And for those times you want to take more control, Sequential Shiftmatic Mode lets you manually shift between seven virtual gears.

SPORT DRIVING MODE

Sport Mode unleashes C-HR's sporty side. Inspired by race cars, this smart tech sharpens the throttle for lively acceleration. Just step on the gas, and get ready for some thrills.

ACTIVE SAFETY

STANDARD TOYOTA SAFETY SENSE™ (TSS-P)⁶

No matter where you take the 2019 C-HR, rest assured that behind all the design and performance, one thing stands out – Toyota's commitment to keeping you as safe as possible. That's why we created Toyota Safety Sense™. It's an advanced suite of innovative safety features that comes standard on the 2019 C-HR, and it is designed to help protect drivers, passengers, pedestrians, and people in other vehicles from harm.

DYNAMIC RADAR CRUISE CONTROL⁷

Using forward sensing radar technology, the system can automatically adjust vehicle speed to help maintain a preset following distance between you and the vehicle directly in front of you.

LANE DEPARTURE ALERT WITH STEERING ASSIST⁸

Alerts you if you start to drift out of your lane when visible lane markings are detected. The Steering Assist function may also provide small corrective steering inputs.

PRE-COLLISION SYSTEM WITH PEDESTRIAN DETECTION⁹

Provides collision avoidance or collision mitigation support in speed ranges where frontal collisions are likely to occur. In certain conditions, the Pre-Collision System with Pedestrian Detection may also help to detect pedestrians and help prevent or mitigate a collision.

AUTOMATIC HIGH BEAMS¹⁰

Designed to detect oncoming and preceding vehicles' lights and depending upon the circumstances, Automatic High Beams can switch between high and low beams for you.

C-HR SELECT FEATURES

C-HR

DRIVETRAIN

- 2.0 Litre, 4-Cylinder with 144 hp @ 6100 rpm & 139 lb.ft. of Torque @ 3800 rpm
- VALVEMATIC (continuously variable valve train mechanism), Dual Variable Valve Timing with intelligence
- Continuously Variable Transmission with Sequential Shift, Sport Mode, ECO Mode
- Power-Assisted, Ventilated Front Discs, Solid Rear Discs, Electric Parking Brake
- Combined City & Highway Rating 8.2 L/100 km 34 mpg¹¹

ENTERTAINMENT & CONNECTIVITY

- 8" Touch Panel Display Audio, 6-Speakers, Shark Fin Type Antenna
- Entune™ 3.0 Audio; Entune™ App Suite Connect includes – Traffic, Weather, Slacker, Yelp, Sports, Stocks, Fuel Prices & NPR1 (No subscription required); Scout® GPS Link (3 years subscription)
- Apple CarPlay™
- USB Input Port, Auxiliary Input Jack, Bluetooth® Hands-Free Phone Connectivity, Wireless Audio Streaming, Phone Book Access
- 4.2" TFT Multi-Information Display

INTERIOR

- Dual Zone Automatic Climate Control with Air Filter & Rear Seat Heater Ducts
- Electrochromic Rear View Mirror
- Fabric Seat Material
- Front Sport Seats
- Front Seats with Recline, Fore/Aft, Vertical Adjustments
- 60/40 Split Rear Bench Seat with Fold-Down Seat Back
- Power Windows & Auto Door Locks
- Tonneau Cover
- Piano Black Accented Instrument Panel Trim
- Leather-Wrapped Shift Knob

EXTERIOR

- Heated, Power Adjustable Colour-Keyed Mirrors with Integrated Turn Signals
- Intermittent Front Wipers, Intermittent Rear Window Wiper/Washer
- Illuminated Vanity Mirrors
- Acoustic Noise Reducing Front Windshield Window Glass
- Front & Rear Splash Guards
- Rear Step Bumper
- Projector Style Halogen Headlamps
- LED Daytime Running Lights
- 17" Steel Wheels & P215/60R17 All-Season Tires

SAFETY

- Toyota Safety Sense™ (TSS-P)
- Star Safety System™
- 10 Airbags
- Driver & Front Passenger Whiplash-Injury-Lessening Seats
- Tire Pressure Monitoring System

OPTIONAL

XLE PACKAGE

- Entune™ 3.0 Audio Plus: Entune™ App Suite Connect includes – Traffic, Weather, Slacker, Yelp, Sports, Stocks, Fuel Prices & NPR1 (No subscription required); Entune™ Safety Connect® includes – Automatic Collision Notification, Stolen Vehicle Locator, Emergency Assistance Button, Enhanced Roadside Assistance (3 years subscription)
- Driver Seat with Power 2-Way Lumbar Support
- Leather-Wrapped Steering Wheel
- Heated Front Sport Seats
- 17" Aluminium Wheels

XLE PREMIUM PACKAGE

- Plus XLE Package
- Lane Change Assist
- Front Windshield De-Icer
- Blind Spot Monitor, Rear Cross-Traffic Alert
- Push Button Start, Smart Key System
- Dual Heated, Power Folding Side View Exterior Mirrors with Puddle Lamps
- 18" Aluminium Wheels & P225/50R18 All-Season Tires

LIMITED PACKAGE

- Plus XLE Premium Package
- Black Leather Seat Surfaces
- Rain-Sensing Variable Intermittent Wipers
- LED Ambient Lighting

LIMITED PACKAGE – BROWN INTERIOR (Blizzard Pearl only)

- Plus XLE Premium Package
- Brown Leather Seat Surfaces
- Rain-Sensing Variable Intermittent Wipers
- LED Ambient Lighting

Tub Style All Season Floor Mats

WARRANTY

No deductibles. No transfer fees.

COMPREHENSIVE COVERAGE 3 YEARS OR 60,000 KM

This warranty includes 24 hour Roadside Assistance and other benefits, as well as coverage of repairs on any part of the vehicle that is defective in material or workmanship under normal use and maintenance. Different warranties apply to original tires.

POWERTRAIN COMPONENTS 5 YEARS OR 100,000 KM

This warranty covers repairs to powertrain components that are defective in material or workmanship under normal use and maintenance.

MAJOR EMISSION CONTROL COMPONENTS 8 YEARS OR 130,000 KM

This warranty covers repairs to specified major emission components that are defective in material or workmanship under normal use and maintenance.

CORROSION PERFORATION 5 YEARS/UNLIMITED DISTANCE

This warranty covers any sheet metal found, under normal use, to have developed a perforation from corrosion due to defects in material or workmanship.

DISCLAIMERS

(1) Services are dependent upon connection to a compatible wireless network. The current compatible 3G GSM/GPRS cellular network is provided by a third-party wireless service provider. Toyota is not responsible for cellular network discontinuance. (2) Select Toyota Entune™ App Suite apps use a large amount of data and you are responsible for all data charges. Apps and services vary by phone and carrier; not all services are available all the time and in all locations, and are subject to change. (3) Traffic Incident and Weather App are available on Entune™ 3.0 Audio and Entune™ 3.0 Audio Plus multimedia displays. (4) Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps and services subject to change. Availability and accuracy of the information provided by Scout® GPS Link is dependent upon many factors. Use common sense when relying on information provided. Services and programming subject to change. Services not available in every city or roadway. (5) Apple CarPlay™ and iPhone® is a trademark of Apple Inc. (6) Drivers should always be responsible for their own safe driving. Please always pay attention to your surroundings and drive safely. Depending on the conditions of roads, vehicles, weather, etc., the TSS systems may not work as intended. (7) Dynamic Radar Cruise Control is designed to assist the driver and is not a collision-avoidance system or a substitute for safe and attentive driving practices. System effectiveness depends on many factors such as weather, traffic and road conditions. (8) Lane Departure Alert with Steering Assist is designed to read lane markers under certain conditions and provide visual and audible alerts and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. (9) The TSS Pre-Collision System is designed to help avoid or reduce the impact speed and damage in certain frontal collisions only. The Pedestrian Detection system is designed to detect a pedestrian ahead of the vehicle, determine if impact is imminent and help reduce impact speed. It is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrians, driver input and weather, light and road conditions. (10) Automatic High Beam system operates at speeds above approximately 34 km/h. Factors such as a dirty windshield, variable weather, lighting conditions and hilly terrain will limit effectiveness, requiring the driver to manually turn it off. (11) Fuel efficiency estimates were determined using approved Government of Canada Test Methods. Actual fuel consumption will vary based on driving habits and other factors.

Details on the above features can be found in the Owner's Manual or contact your local Toyota Dealer.

Toyota Canada Inc. Every effort has been made to ensure the specifications and equipment shown are accurate based on information available at time of printing. In some cases, certain changes in production capacity, standard equipment, options or product delays may occur which would not be reflected in this brochure.
