
2018
Golf Alltrack

Volkswagen

Adventures await. Conquer, confidently.

Tackling tricky terrain is smooth sailing in the 2018 Golf Alltrack. When slick or uneven surfaces call for extra traction, standard 4MOTION® All-Wheel Drive leaps into action. Rough roads don't mean you have to rough it. A stylishly spacious and versatile interior, cutting-edge technology, and a turbocharged engine offer comfort and convenience to go practically anywhere – with power to spare.

Technology

All-terrain, all-weather traction* and performance also come with all the user-friendly technology you need to keep your digital connections, entertainment, navigation, and driver information on track, too.

Design

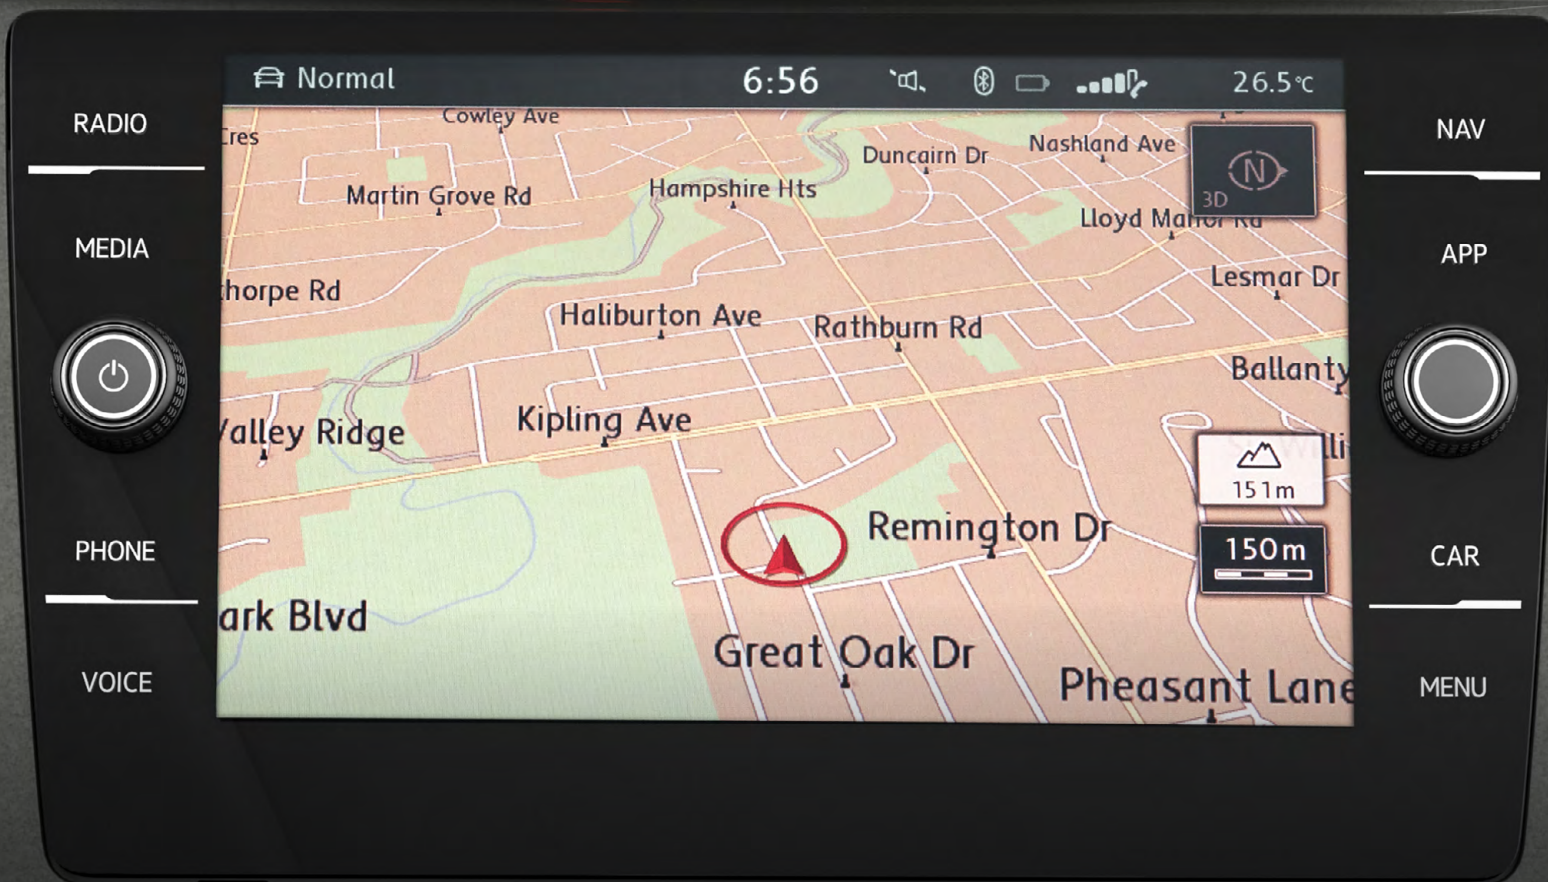

Rugged and sure-footed with good looks to match? Hello, Golf Alltrack. Distinctive styling, bold design cues, and classic Volkswagen refinement throughout make it equally comfortable everywhere from Front Street to the backwoods.

Performance

It's hard to beat the feeling of supreme control and exhilarating performance you get with the 2018 Golf Alltrack. From 4MOTION® All-Wheel Drive, to performance shifting and off-road suspension – we're talking serious off-roading with no trade-offs.

*Appropriate all-season or winter tires are required when driving during cold, snowy or icy weather conditions, or else slipping may occur. Winter tires may be mandatory in your province or territory.

Technology

The Golf Alltrack is all tech.

Technology connects you with the things that matter. Like your favourite tracks with a premium audio system. Your favourite people and places, through mobile-phone-friendly App-Connect and satellite navigation. And with intelligent rain-sensing wipers, Golf Alltrack technology proves connecting is also protecting.

App-Connect*

In the 2018 Golf Alltrack, connecting is just as easy as disconnecting. Sync your compatible smartphone with App-Connect using Android Auto™, Apple CarPlay™ or MirrorLink® to access your favourite apps on the dashboard. Connect, listen, navigate, plus send and receive texts hands-free with voice commands.

KESSY keyless entry with push-start button

Keep your eyes on adventure, and your keys in your pocket or purse. Just pull the door handle and you're in; push a button and you're off. So convenient. Hate locking your keys inside? You'll love this – the keyless entry system won't let you.

Discover Media infotainment system with satellite navigation*

Discover more with this easy-to-use infotainment system, featuring an 8" colour touchscreen with proximity sensor. There's a CD player, satellite navigation, and two SD card slots all at your fingertips – or at the tip of your tongue, using voice control.

Rain-sensing wipers

From drizzle to downpour, the last thing you need is to be constantly adjusting your windshield wipers. Rain-sensing wipers use an infrared and photodiode system, automatically regulating wiper speed depending on how hard it's raining.

Design

Divine design.

You might expect a vehicle this powerful and capable to look anything but sleek and stylish. Surprise! From its distinctive front grille and quietly sophisticated contours, to lighting that shines in both the illumination and aesthetic department, the Golf Alltrack is one image-conscious adventurer.

Silver-anodized roof rails

These versatile roof rails offer an added touch of sleek styling, along with sturdy support for added cargo. So gather up your gear, and pile everything you need to hit the trails – on the rails.*

Front fog lights with cornering lights

Don't let fog prevent you from enjoying what's right around the corner. These exceptional fog lights feature a separate halogen bulb that provides illumination over several metres to light up the path you're turning into at an angle of 35 degrees.

Alltrack exclusive front grille, front and rear bumpers

You may not always know where the next road trip is going. But with its sophisticated signature style, others are sure to see you coming. The 2018 Golf Alltrack boasts a unique front grille, seamlessly sculpted front and rear bumpers, plus a tasteful touch of silver on lower trim accents.

*Attachments are required to carry some items and are sold separately.

Performance

Performance this good is bound to go places.

Start with standard 4MOTION® All-Wheel Drive for unparalleled traction. Add a specially engineered off-road suspension, and swift shift control with available 6-speed automatic DSG® with Tiptronic®. Then customize your driver preferences for performance that truly reflects your adventurous spirit. Now you're going places. The kinds of places others only wish they could go.

Standard 4MOTION® All-Wheel Drive

No one likes slip-ups, and 4MOTION® All-Wheel Drive helps you stay stuck to the road when it's slippery or uneven. As road conditions change, the system calculates the optimal drive torque for the rear axle, shifting power distribution as needed for optimum traction even in bad weather.*

Alltrack off-road suspension

Choosing the path less travelled is par for the course in the 2018 Golf Alltrack. The off-road suspension features struts up front and a multi-link design in the rear, plus a raised chassis giving it added ground clearance to tackle more terrain with added confidence.

Driving profile selection

With four distinct driving modes to choose from, you can adjust your profile based on your preferences and driving conditions. The Off-Road mode adds hill-descent control and optimizes traction for better control on uneven terrain.

Available 6-speed automatic DSG® with Tiptronic®

As the terrain shifts, shift into added control with a 6-speed automatic Direct Shift Gearbox paired with Tiptronic®. You can enjoy the convenience of an automatic. Or shift the lever to the Tiptronic® position for the hands-on fun feel of a manual.

Fuel Consumption†	Engine	City L/100 km	Highway L/100 km
Manual with 4MOTION®	1.8 TSI	TBD	TBD
Automatic DSG® with 4MOTION®	1.8 TSI	TBD	TBD

*Appropriate all-season or winter tires are required when driving during cold, snowy or icy weather conditions, or else slipping may occur. Winter tires may be mandatory in your province or territory.
†Fuel consumption figures are estimates based on Natural Resources Canada's approved criteria and testing methods. Your fuel consumption will vary.

Versatility

Versatility is in the mix.

Whether it's more passengers, more gear, or even just more fresh air and sunshine, the 2018 Golf Alltrack offers all the flexibility you need. So not only will you never have to do the same commute exactly the same way, there's always something new to explore – inside and out.

Please ensure all cargo is properly secured before driving. Cargo can shift while vehicle is in motion and cause injury or driver distraction.

Panoramic sunroof

Take your next adventure to new heights, with a picture window on the world above. Turn the control to slide the panoramic power sunroof open for a blast of fresh air and blue skies. Or add a touch of cool intimacy at the touch of a button to slide the sunshield closed.

Variable cargo floor

Keep a flashlight, tools, and other just-in-case items stowed neatly out of sight in the adjustable rear cargo floor. Need to pack in a little more? Simply remove it to free up additional storage space quickly and easily.

60/40 split folding rear seats with centre pass-through

From guys and gals to gear, 60/40 fold-flat rear seats let you take more of what you love. And whether your next adventure is hitting the slopes or building a deck, the handy centre pass-through makes it easy to carry longer items, like skis and lumber, while still accommodating four passengers.

Interior

The inside scoop on adventure. In style.

The Golf Alltrack packs all the right stuff to make the most of every trek. On the practical side, there's exceptional illumination and individualized temperature control. But you also get sporty seating with customized comfort, and a standard multifunction steering wheel, both adorned in luxurious leather. Adventure has never looked – or felt – so good.

Standard leather-wrapped multifunction steering wheel

With a leather-wrapped multifunction steering wheel, convenience has never been so luxurious. Control your phone, your music, the radio and more, without taking your hands off the wheel.

Customizable ambient interior lighting

When the sun sets, it's time to show off the beautifully sleek interior of your 2018 Golf Alltrack. Ambient LED lighting in the door handles, footwells, and centre console help you find what you're looking for, including a heightened sense of sophistication.

Climatronic® dual-zone electronic climate control

Chill out. Warm up. It's your choice. With Climatronic® dual-zone electronic climate control, driver and front passenger each get to choose their own individual comfort levels. So you can both agree to disagree – comfortably.

LED reading lights

From daily tabloids to Tolstoy, your 2018 Golf Alltrack is also a great place to catch up on your reading. Standard LED reading lights in the front and rear offer passengers plenty of illumination – even if their reading material doesn't.

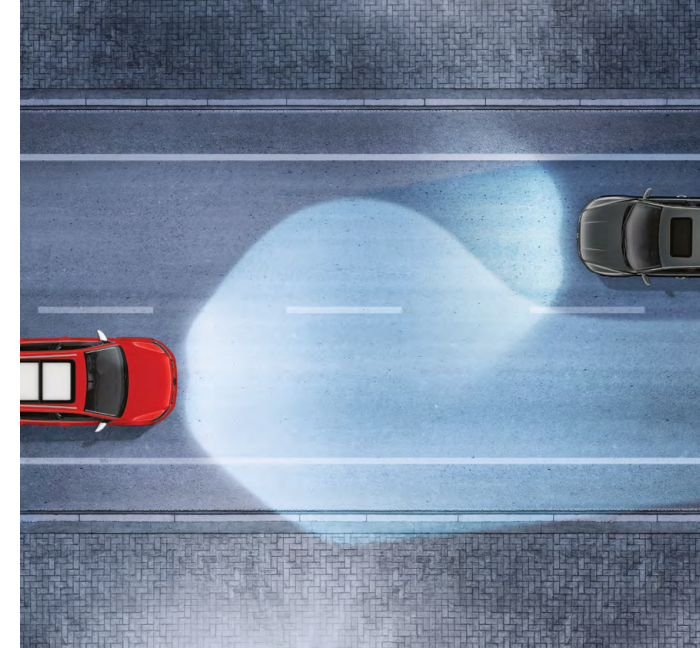

12-way power adjustable driver seat with power adjustable lumbar support

Enjoy an infinitely more comfortable ride with an almost infinite number of seating positions. Adjust the seat height and depth, plus the seat and backrest angles with easy-touch controls. And reduce strain on your spine with an adjustable lumbar support.

Leather sport seating surfaces

Slip behind the wheel of your 2018 Golf Alltrack, and behold a feeling of supreme control and sporty comfort – the beautifully moulded leather sport seating surfaces offer smooth support when taking sharp curves.

Safety

Available LED headlights with Adaptive Front-light System (AFS)

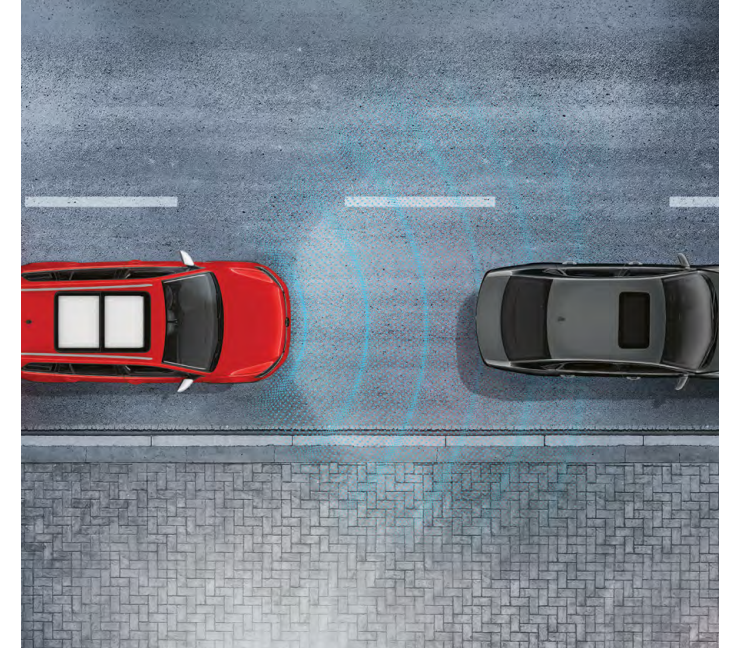

What goes around comes around, and you stand a way better chance of seeing it with these bright and energy-efficient adaptive headlights. They scan 13 degrees left or right so you see more of what's around the corner as you turn into it.

Available Adaptive Cruise Control*

Fast or slow, Adaptive Cruise Control helps keep the flow, maintaining constant speed and distance. Without your touching the pedals, the Golf Alltrack automatically brakes when traffic slows,** and resumes your set speed when traffic starts moving again.

Standard rearview camera*

If you've ever wished you had eyes in the back of your head, you'll love the rearview camera as standard equipment. It's an invaluable assistant when backing up, helping you avoid obstacles you may not have seen in the mirrors or when turning your head.

Available Front Assist*

To avoid gaining on vehicles ahead too quickly, a radar sensor measures the distance and relative speed of vehicles in front of you, and provides you with a warning if it detects the possibility of a rear-end collision.

Available Lane Assist*

This ingenious system keeps you in your lane, or helps you change lanes more safely and confidently. It detects vehicles and road markings, and alerts you to unsafe lane changes, even when it's dark or foggy.

Safety that doesn't take shortcuts.

Leave your worries behind and look forward to any adventure with added reassurance. From backup and lane-change assistance, to available features that can help maintain distance and speed, and headlights that turn as you turn, the Golf Alltrack is as safe as they come – anywhere you go.

*Driver assistance features. Drivers must continue to perform manual checks and pay full attention to the road and safe driving at all times. Please review the owner's manual for feature limitations.
**In emergency situations, it is still necessary to apply the brakes manually.

Volkswagen Original Accessories

Ready for anything.
Custom-tailor your Golf Alltrack.

When it comes to accessorizing a Volkswagen, only the best will do. Built to the same quality standards we build our cars and SUVs to, our accessories are custom-fitted to each vehicle and designed to go the distance.

Many accessories can also be included in your lease and financing arrangements, and easily included in your payments to suit your needs.*

Volkswagen Original Accessories are protected by the new vehicle 4-year/80,000 km limited warranty if they're installed prior to vehicle delivery. Or if purchased afterwards, accessories qualify for the balance of the new vehicle warranty coverage or a 1-year/20,000 km limited warranty, whichever is greater.**

01 Monster Mats®

High-quality all-season mats with rounded retention clips.

03 Digital media adapter cables

Our digital media adapter cables let you connect compatible devices to your Volkswagen so you can play music and charge on the go.

05 Splash guards

Temperature-resistant guards protect against road debris.

02 Trunk liner

Helps protect your trunk from dirt and spills.

04 Child seat protective underlay

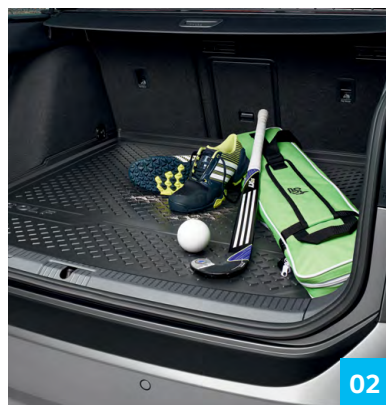

These seat covers not only look great; they're also practical.

06 Pop-in sunshades

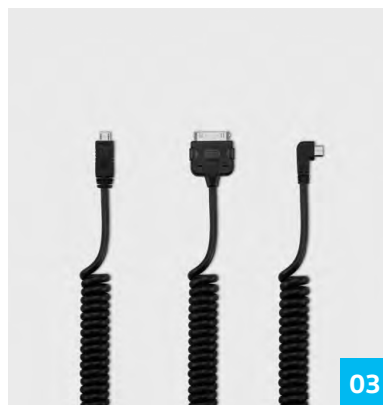

Protect your vehicle interior against sunrays shining in directly without influencing your view or road safety.

© 2017 Volkswagen Canada. Features noted as available are available in optional packages. Items, specifications, availability, standard features, options, fabrics and colours are subject to change without notice. Volkswagen Canada is not responsible for errors in typography or photography. Some features may be unavailable when your vehicle is built or available at extra cost. Although we endeavour to ensure that the information is accurate, as errors may occur from time to time, customers should contact their local Volkswagen dealer for details. Tires are supplied and warranted by their manufacturer. The vehicle is sold equipped with four all-season tires. However, please remember that the use of winter tires may be mandatory in your province or territory. Airbags are supplemental restraints only and will not deploy under all accident scenarios. Always use safety belts and seat children only in the rear seats, using restraint systems appropriate for their size and age. The navigation system depends upon signals from the GPS network and is designed to provide you with suggested routes only. Discrepancies may occur between the mapping and the actual location due to changes in street names, construction or other road system changes which are beyond the control of Volkswagen Canada. Please rely on your individual judgment in determining whether or not to follow a suggested navigation route. Fuel consumption ratings are estimates based on Natural Resources Canada's (NRCAN) fuel consumption criteria and testing methods for 2018 model year vehicles and are provided for comparison purposes only. Please note that comparisons to seemingly similar vehicles pre-2015 model year will show discrepancies due to the difference in NRCAN approved calculation methods for 2014 model year and older vehicles. Please refer to NRCAN's Fuel Consumption Guide 2018 for estimated fuel consumption figures. Actual fuel consumption will vary based on driving conditions, driver habits and the vehicle's condition, weight carried and additional equipment.
