
2018
Tiguan

Volkswagen

Exceptional by design.

Like you, the 2018 Tiguan is so many things. An energetic go-getter with power to spare. A tech head, wired with all the latest gear. A sophisticated style maverick. And super flexible, making it easy to switch things up for a new adventure every time.

Technology

From premium sound, to security – and even social media – the Tiguan offers a dazzling array of digital connectivity and technology, offering the ideal mix of fun and functionality.

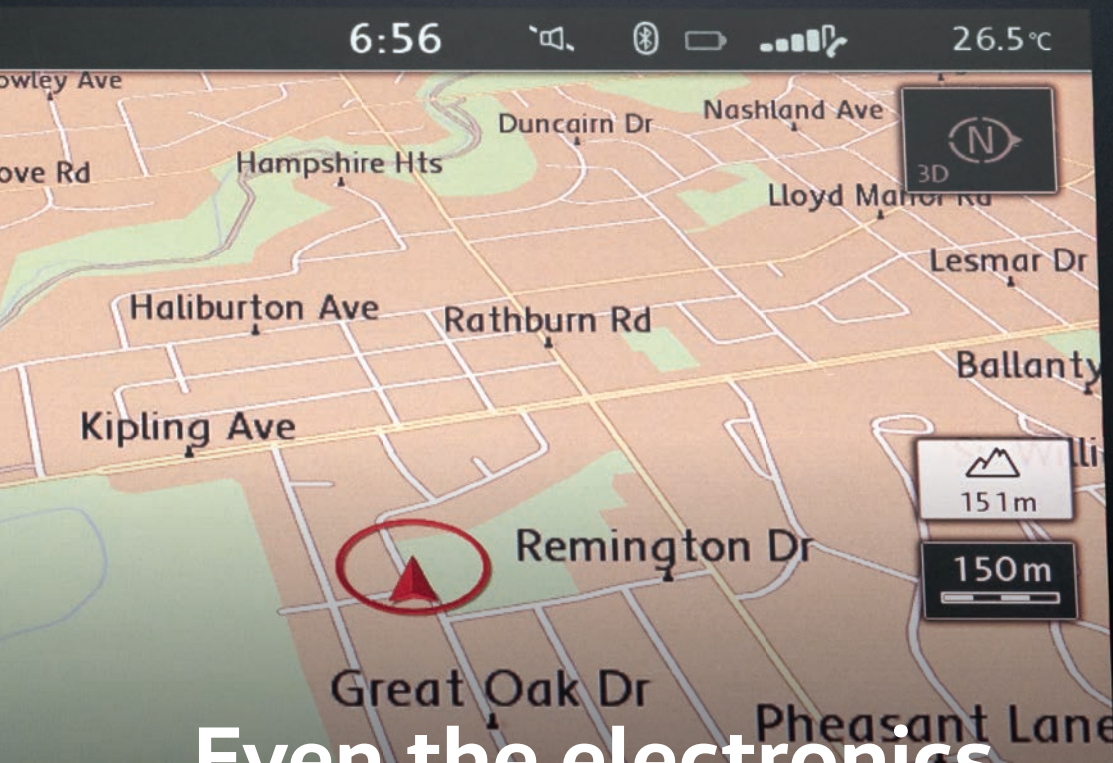

Design

Get ready for unrivalled versatility and fashionable finesse in the perfect blend that's never bland. Rugged, yet refined. And just racy enough to raise a few eyebrows along the way.

Safety

You can plan for an exhilarating adventure, but anticipating what's ahead isn't always easy. So we made sure the Tiguan features a rock-solid lineup of advanced safety systems to advance every journey with added reassurance.

Technology

Even the electronics are exhilarating.

As if the Tiguan's performance, versatility, and good looks weren't impressive enough. You also get mind-blowing multimedia, navigation, security, and digital connectivity, thanks to top-of-the-line tech that keeps humdrum firmly in check.

Available Volkswagen Digital Cockpit*

Want instant access to essential information, including fuel economy, range to your next fill-up, and driver assistance settings? Get it with an extra-large 12.3" digital display behind the wheel. Your customizable, interactive control centre, at your command.

Available Fender® Premium Audio System

Keep the beats bumping, bumper to bumper, with the available Fender® Premium Audio System. Feast your ears on 400 watts of premium, concert-quality sound, with 8 speakers perfectly placed for optimal dynamic range and outstanding clarity.

Available 8" Discover Media touchscreen*

There's little you can't do in the 2018 Tiguan. Especially with the available 8" Discover Media touchscreen. This mobile infotainment system lets you hook up multiple compatible phones and offers satellite navigation, CD player, and 2 SD card slots.

Available KESSY keyless access with push-start button

Maximum convenience meets maximum security. Keyless entry automatically unlocks your Tiguan with your keys in your pocket or purse. Just pull the door to open. Once inside, push the start button and go. Plus, never worry about locking your keys inside – it won't let you.

*Do not drive distracted. Drivers must pay full attention to the road and safe driving at all times.

Versatility

Sport utility meets versatility.

They say the only constant is change, and the Tiguan listened. You get plenty of options for transporting people, gear, or a combination of both. And no matter how you divvy up the space, there's always more than enough comfort to go around.

Available 3rd row seating

Passengers and road trips have one thing in common: the more the merrier. And with available 3rd row seating, you have room for two more, for a total seating capacity of 7 including the driver. Let's get this party started.

40/20/40 split folding rear seats

Split folding rear seats offer more options for carrying passengers and cargo. And with the Tiguan's 40/20/40 split, you can fold down one or both sides, or just the middle – great for longer items like skis, or lumber. We're talking serious versatility.

Available 8-way power adjustable driver seat with 2-way lumbar support

Go ahead and add to your stylish stature – get power posture and comfort control. Customize your seating position to suit the way you drive, including power recline and lumbar support with memory.

Performance

Fun is definitely firing on all cylinders.

Fire up the powerful turbocharged engine, and experience exhilaration that puts the 2018 Tiguan in a class all its own. Combine that with the agility and handling of available 4MOTION® All-Wheel Drive, plus the ability to enjoy manual-style shifting and kick every drive into high gear.

8-speed automatic transmission with Tiptronic®

Want the added control of a manual-style shifter, plus improved fuel efficiency? Get both. An 8-speed transmission means lower RPMs for lower fuel consumption – coupled with Tiptronic®, offering the convenience of an automatic with the ability to shift up or down at the touch of a button.

Available 4MOTION® All-Wheel Drive

Sometimes the road turns ugly, or turns into no road at all. The instant the available 4MOTION® All-Wheel Drive system senses a loss of traction, it directs more torque to the wheels with the best footing for vastly improved handling and greater peace of mind.

2.0 TSI engine

The 2018 Tiguan features a 2.0 TSI turbocharged engine, delivering the perfect trifecta of power, efficiency and responsiveness. So you get a performance rush and added pulling power when you're packed full.

| Fuel Consumption* | Engine | City L/100 km | Highway L/100 km |
|-------------------|---------|---------------|------------------|
| FWD | 2.0 TSI | 10.6 | 8.7 |
| 4MOTION® | 2.0 TSI | 11.3 | 8.8 |

*Fuel consumption figures are estimates based on Natural Resources Canada's approved criteria and testing methods. Your fuel consumption will vary.

Design

GOURMET MARKET & DELI

Designer genes that suit your style.

The newly redesigned Tiguan is all about blue-sky thinking, with special extras like an available panoramic sunroof. Great design extends beyond great looks, with an extended wheelbase for more room inside, and roof rails for more gear outside.

Available panoramic sunroof

Why just raise the roof, when you can open it? The available panoramic sunroof tilts, slides, and spans nearly the entire length of the cabin, offering everyone a picture-perfect vista of sunshine or stars, plus a breath of fresh air.

Roof rails

Get your fill of fun to the max. Strap those skis, your wakeboard, and other bigger items to the roof rails of your Tiguan.* With more cargo-carrying capacity outside, you gain additional passenger and storage space inside.

Longer wheelbase

Roomier passenger space and added cargo capacity needn't be a stretch. The 2018 Tiguan features a wheelbase that's a full 27.1 cm longer. So whether you're stocking up the pantry or piling in your pals, there's plenty of room to go around.

*Requires accessory base rails and attachments (sold separately).

Interior

The inside scoop on refinement.

Look cool, keep your cool, and still keep the chill at bay. Simply add to the Tiguan's already exceptionally elegant interior, with available options for enhanced comfort and style to make it truly your own.

Available Climatronic® dual-zone electronic climate control

When it comes to road trips, everyone's got their own comfort level. With Climatronic® dual-zone electronic climate control, driver and front passenger can enjoy their own individual temperature preference, to within a half degree of one another.

Available heated front seats

Hitting the road and chilling is one thing. But feeling a chill just doesn't cut it. So whether it's a nippy night drive, or a frigid winter morning, stay comfortably warm with available heated front seats.

Available leather-wrapped multifunction steering wheel and gearshift knob

The Tiguan is one stylish SUV. And you can dial that up even more with an available leather-wrapped gearshift knob, and multifunction steering wheel that offers easy, hands-on control for your music, phone, and trip info.

Safety

Front Assist with Autonomous Emergency Braking*

The engine isn't the only thing that's responsive in the 2018 Tiguan. If a vehicle ahead slows down or suddenly brakes, or a pedestrian is within 170 metres of your front bumper, this system instantly alerts you to slow down, and automatically brakes if you don't.

Available Adaptive Cruise Control*

Finally, cruising in any traffic is a cinch. Automatic braking kicks in when traffic slows, and your set cruising speed resumes when traffic is moving again. No fancy footwork required. In fact, no footwork at all.**

Available Park Distance Control*

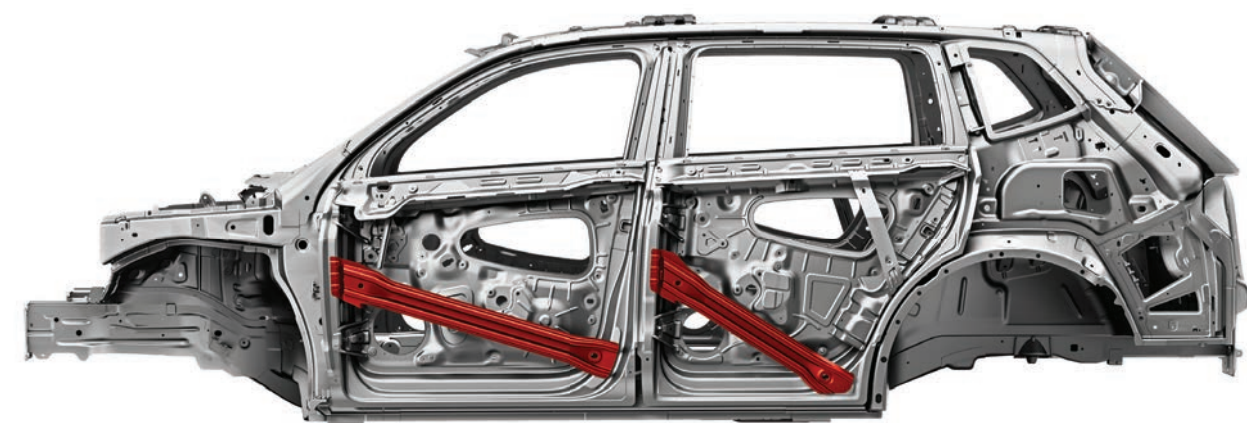

The 2018 Tiguan can make just about anything seem like an adventure. With this intelligent add-on, parking isn't one of them. Automatically engaged in reverse gear, ultrasonic sensors detect obstacles 1.6 metres and closer, alerting you with audible signals.

Available Blind Spot Detection with Rear Traffic Alert*

It seems no matter how careful you are, there's often a vehicle creeping up beside you when changing lanes, or behind you when parking. Radar and sonar trigger driver alerts and initiate braking to help prevent dangerous driving situations.

Available Area View 360**

Every journey has an element of surprise, but the 2018 Tiguan equipped with the available Area View 360° system helps minimize unpleasant ones. Front, rear, and two side cameras sync together to offer a seamless 360-degree view for added confidence everywhere.

Safety. Check.

Rest assured, the 2018 Tiguan is engineered with safety features we hope you'll never need. There are also many available driver assistance features we're sure you'll want, helping make it safer and easier to park, change lanes, and maintain a good distance from vehicles and pedestrians alike.

*Driver assistance features. Drivers must continue to perform manual checks and pay full attention to the road and safe driving at all times. Please review the owner's manual for feature limitations.
**In emergency situations, it is still necessary to apply the brakes manually.

Volkswagen Original Accessories

Ready for anything.
Custom-tailor your Tiguan.

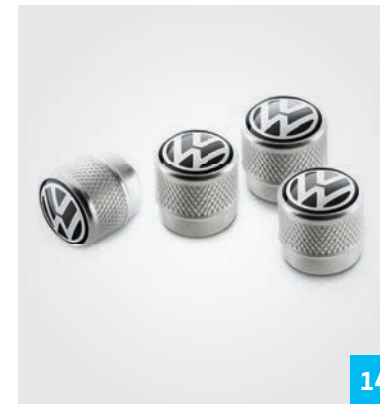

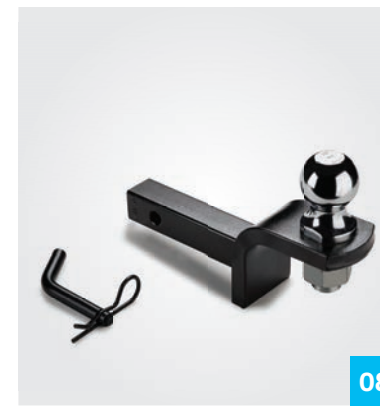

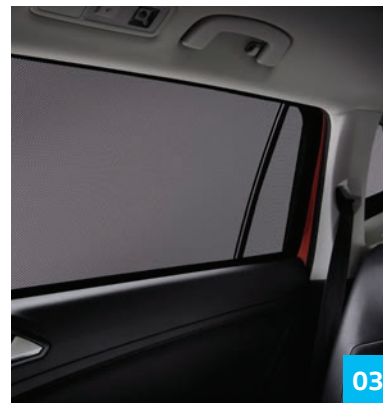

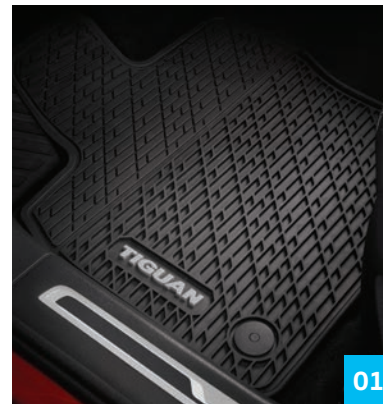

When it comes to accessorizing a Volkswagen, only the best will do. Built to the same quality standards we build our cars and SUVs to, our accessories are custom-fitted to each vehicle and designed to go the distance.

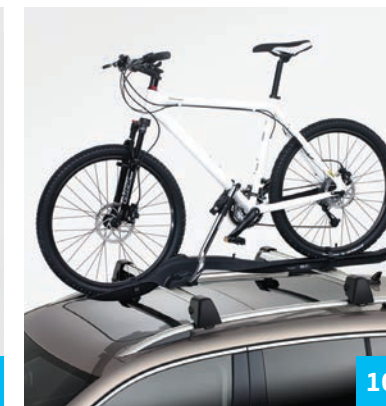

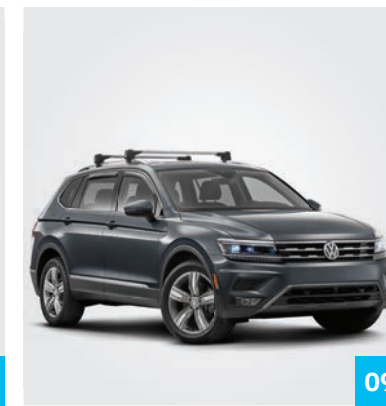

Many accessories can also be included in your lease and financing arrangements, and easily included in your payments to suit your needs.*

Volkswagen Original Accessories are protected by the new vehicle 4-year/80,000 km limited warranty if they're installed prior to vehicle delivery. Or if purchased afterwards, accessories qualify for the balance of the new vehicle warranty coverage or a 1-year/20,000 km limited warranty, whichever is greater.**

- 01 | Monster Mats®**
High-quality all-season mats with retention clips.
- 02 | MuddyBuddy™ trunk liner**
Heavy-duty lightweight flexible-plastic trunk liner.
- 03 | Pop-in sunshades for hatch window and hatch-area side windows**
Protects from sunlight and helps reduce interior temperature.
- 04 | Side steps**
Aluminum with an anti-slip coating. These run the full length of the rocker panel and allow for easier entry and exit.
- 05 | Hatch top spoiler (pre-painted Pure White or Deep Black Pearl)**
Adds a high level of sportiness to the roofline of your Tiguan.
- 06 | Side window deflectors**
Help reduce in-cabin wind noise and air turbulence with these side window deflectors.

- 07 | Splash guards**
Designed for a flush contour fit, these splash guards help protect your Tiguan against road debris.
- 08 | Trailer hitch ball and ball mount**
Turn your Volkswagen into a towing machine with this trailer hitch ball and ball mount.
- 09 | Base carrier bars**
Bring along your skis, snowboards, kayak, bikes or cargo boxes with the help of these base carrier bars.†
- 10 | Bike holder attachment††**
Rugged single-bike holder with built-in lock.
- 11 | Kayak holder attachment††**
Rubber-coated single-kayak holder with tie straps.
- 12 | Urban Loader roof box**
New innovative Volkswagen Urban Loader roof box with expandable loading volume.

- 13 | Ski, snowboard and wakeboard attachment††**
Carries up to six pairs of skis or one wakeboard or four snowboards.‡
- 14 | Valve stem caps**
Set of 4 nickel-plated brass stem caps for standard brass valve stems.
- 15 | 17" Merano wheels – Brilliant Silver**
The 17-inch Merano alloy wheels in Brilliant Silver feature a striking ten-spoke design and have been specially developed for use in winter conditions.
- 16 | 18" Trenton wheels – Galvano Grey**
The minimalist five-twin-spoke design on the 18-inch Trenton wheels gives your vehicle a sporty look and allows an excellent view of the brakes.
- 17 | 19" Auckland wheels – Grey Metallic**
The 19-inch Auckland alloy wheels, with their five-spoke, double-accented machined face, give your vehicle an added element of style.
- 18 | 20" Kapstadt wheels – Galvano Grey**
With their five-double-spoke design, the 20-inch Kapstadt wheels in Galvano Grey add to the dynamic presence of your vehicle.

*Accessories must be dealer installed and approved by Volkswagen Finance. Certain conditions may apply. Contact your approved dealer for full details.
**Limited warranty is supplied by Volkswagen Group Canada Inc.

†Separate attachments required to carry different types of items.
††Base carrier bars (sold separately) are required.
‡Number of items that can be carried will vary based on the size of each item.
Availability of accessories shown is subject to change. Accessories may not fit all trim levels. This material represents only a sample of the great accessories available for your Volkswagen. Please see your dealer for the full line.

Features

Third Row Package

2018 Tiguan

© 2017 Volkswagen Canada. Features noted as available are available in optional packages or on higher trimlines. Items, specifications, availability, standard features, options, fabrics and colours are subject to change without notice. Volkswagen Canada is not responsible for errors in typography or photography. Some features may be unavailable when your vehicle is built or available at extra cost. Although we endeavour to ensure that the information is accurate, as errors may occur from time to time, customers should contact their local Volkswagen dealer for details. Tires are supplied and warranted by their manufacturer. The vehicle is sold equipped with four all-season tires. However, please remember that the use of winter tires may be mandatory in your province or territory. Airbags are supplemental restraints only and will not deploy under all accident scenarios. Always use safety belts and seat children only in the rear seats, using restraint systems appropriate for their size and age. The navigation system depends upon signals from the GPS network and is designed to provide you with suggested routes only. Discrepancies may occur between the mapping and the actual location due to changes in street names, construction or other road system changes which are beyond the control of Volkswagen Canada. Please rely on your individual judgment in determining whether or not to follow a suggested navigation route. Fuel consumption ratings are estimates based on Natural Resources Canada's (NRCAN) fuel consumption criteria and testing methods for 2018 model year vehicles and are provided for comparison purposes only. Please note that comparisons to seemingly similar vehicles pre-2015 model year will show discrepancies due to the difference in NRCAN approved calculation methods for 2014 model year and older vehicles. Please refer to NRCAN's Fuel Consumption Guide 2018 for estimated fuel consumption figures. Actual fuel consumption will vary based on driving conditions, driver habits and the vehicle's condition, weight carried and additional equipment.
