

A close-up, high-contrast photograph of the front grille and emblem of an Infiniti vehicle. The grille features a complex, wavy, mesh-like pattern. The Infiniti emblem, a stylized oval with a triangular cutout, is prominently displayed in the center, reflecting light. The overall color palette is dark and metallic, with highlights on the emblem and grille edges.

THE INFINITI RANGE

Q30 · Q50 · Q60 · Q70

QX30 · QX70

A close-up, low-angle shot of a dark-colored car's front end. The focus is on the left headlight, which is illuminated with a bright blue light. The headlight has a complex, multi-faceted design. To the right of the headlight, the car's grille is visible, featuring a dark, wavy pattern. The background is dark and out of focus, with some light reflecting off the car's body panels.

UNDENIABLE PRESENCE. UNFORGETTABLE EXPERIENCE.

The Infiniti vehicle range defies convention and redefines the premium segment through empowering technologies and expressive design.

ESTABLISHED IN 1989, Infiniti has now grown to include saloons, coupés, convertibles, crossovers and SUVs in its line-up and spans 50 countries worldwide. Infiniti is unique and distinctive – not trying to be all things to all people, but everything to some people. At the heart of the Infiniti brand is a history of human attentiveness where the belief that the total ownership experience is much more important than just the car itself, coupled with a commitment to delivering a more empowering, more assured and more exhilarating driving and ownership experience.

INFINITI HAS COME to be recognised as a brand that delivers expressive and striking car design. A distinctive design crafted by human hand and delivered with a powerful and daring presence on the road. This, combined with an obsessive attention to detail and precision engineering, all contribute to the feeling that to drive an Infiniti is something special.

Dramatic lines and bold proportions, the Q30 breaks design conventions.

DYNAMIC LINES Dramatic lines harmoniously enshroud the vehicle from front to rear, accentuating its magnetic allure.

DISTINCTIVE DETAILS Black lacquer styling elements on the wheel arches and side sills highlight its elevated stance, making the car appear to float on its wheels.

ELEVATED STANCE Higher than usual ground clearance ensures that the Infiniti Q30 stands out from the crowd.

CLASS OF ITS OWN The cabin interior is naturally inspired. Asymmetrical dashboard layout, high-end material used throughout the cabin, laser-precision stitching and an emotive range of colours.

BOLDLY STATED COLOUR SCHEMES City Black with black Alcantara® and leatherette with purple stitching, Café Teak with brown nappa leather and black stitching, and immaculately pure Gallery White with white nappa leather and red stitching.

MORE OF YOUR WORLD Around View Monitor combined with Automatic Park Assistance – With its exterior 360° bird's-eye view you see exactly where you are, while Intelligent Park Assist automatically manoeuvres the Infiniti Q30 to assist with parallel or perpendicular parking.

CO₂ EMISSIONS	103 – 156 g/km
COMBINED FUEL CONSUMPTION	3.9 – 6.7 l/100km

INFINITI Q50

A truly dynamic sports saloon that masterfully blends luxurious refinements, uncompromising performance and determined efficiency.

MAINTAIN YOUR LANE World’s first Direct Adaptive Steering (DAS) technology with Active Lane Control (ALC) enhances control and driving precision.

ADJUSTS TO YOU Innovative and user-friendly Infiniti InTouch system with dual touch screens for a personalised connection.

HELPING STAY IN CONTROL Infiniti advanced technologies that monitor conditions and help avoid a collision: Intelligent Cruise Control (ICC), Predictive Forward Collision Warning system (FCW)¹, Forward Emergency Braking, Blind Spot Intervention™.

SIGNATURE LED LIGHTING LED daytime running lights increase the vehicle’s visibility even in daylight.

CONTROL WITHOUT COMPROMISE Intelligent All-Wheel Drive (AWD) sends up to 50% of power to the front wheels when needed, while keeping 100% for the rear wheels when it’s not to provide control without compromise (available on hybrid).

FIRST IMPRESSIONS Athletic proportions and sensuous styling, perfectly balanced with a roomy cabin.

THE NEW INFINITI Q60

Just push the start button. The growl of the new turbocharged engine with 400 horsepower will let you know exactly where you stand. At the edge of a revolution.

BOSE® PERFORMANCE SERIES The new Bose® Performance Series with Advanced Staging Technology makes its world-wide debut on the all-new Infiniti Q60. Enjoy concert-like sound with speakers that create a wider soundstage.

BEHIND THE DOOR Every time you enter the Infiniti Q60, you will appreciate the flexible door stop that can hold open in most positions. Doors springing back or trying to close become a thing of the past. Easy entry. Easy exit.

SHARP SHIFTING In the all-new Infiniti Q60, paddle shifters are steering wheel-mounted instead of column-mounted, allowing for easy reach.

DESIGN IS BOUNDLESS The all-new Infiniti Q60 adopts Infiniti’s expressive design signature. Daring curves. Deep grooves. A taut body that stands low and wide. Signature elements like a human eye-inspired headlight and double-arch grille. Progressive and modern, yet dynamic and moving, this is a new design language for a new kind of sports coupé.

BLOW PAST LIMITS Tailored to the driver in you, Q60 delivers cutting-edge technologies for a unique experience. Direct Adaptive Steering, the world’s first digital steering system, allows you to tune your own steering effort and responsiveness. While Dynamic Digital Suspension constantly adapts to provide optimal comfort and agility. Combine the two and unleash the confidence of a completely personalised handling system. This is your drive, empowered.

THE NEW INFINITI QX30

Infiniti QX30 is the car that you'll want to drive in the city, in the country – and everywhere in between.

EXPRESSIVE STYLING Dramatically shaped front and rear bumpers combined with Infiniti QX30 wider wheel arches and side sills, amplify its commanding, rugged presence.

INTELLIGENT ALL-WHEEL DRIVE The intelligent All-Wheel Drive (AWD) works in sync with the Vehicle Dynamic Control system to adjust for better traction. Under normal road conditions, the system operates its front-wheel drive for improved fuel efficiency. Should conditions become compromised, it will send additional power to the rear wheels to enhance traction control. You can count on the Infiniti QX30 to deliver all the power you want, while intelligently using only the power you need.

ENHANCED VIEWPOINT Infiniti QX30 elevated ground clearance combines a “see-all” ability with its “go-anywhere” attitude.

CAFÉ TEAK STYLE PACK Casual but refined. Classic material meets modern reinvention with black stitching on brown Nappa leather upholstery and stainless steel kicking plates.

CARRY WITH EASE Opening the rear lift gate makes for effortless loading and unloading. Clear from any obstruction, you'll have direct access to the spacious cargo area. What's more, the 60/40 folding rear seats open up more space to carry more.

ATHLETIC STANCE Sculpted 18-inch alloy wheels reinforce the bold design of Infiniti QX30, while meeting all driving requirements with responsiveness and absolute certainty.

CO ₂ EMISSIONS	128 g/km

INFINITI QX70

Striking. Spectacular. Singular.
A true SUV with sports car proportions.

POWER STANCE 21-inch alloy wheels heighten the portrait and performance, delivering more responsive handling.

SEAT DESIGN Sport Leather seats with thigh support extension and side bolsters provide a tailored fit for comfort and driving support.

SHARPNESS WITH SMOOTHNESS In manual mode, solid Magnesium Paddle Shifters respond with effortless and direct control.

POWER THAT FITS YOU Continuous Damping Control (CDC) adjusts the suspension automatically, delivering unmatched stability, control and comfort. In Sport Mode, the suspension tightens for instant response.

A PREMIUM CONNECTION Infiniti Navigation System together with the Bose® Premium Sound System connects you to your music and your world intuitively and intelligently. Eleven speakers deliver music with captivating depth and astonishing clarity. Bird’s-eye view enhances your journey and helps you navigate with its more natural view of the screen.

RECOGNISING DANGER Infiniti Safety Shield includes Forward Collision Warning (FCW)[†], Intelligent Brake Assist (IBA), Intelligent Cruise Control (ICC) with Low Speed Following (LSF), Lane Departure Warning (LDW) and Lane Departure Prevention (LDP). This comprehensive approach to safety helps avoid collisions, protecting you and your passengers should one occur.

© INFINITI Europe, July 2016

The values stated were determined under test conditions according to the measuring methods specified in the most recently amended version of European Directive 715/2007/EC and may not represent the actual results achieved in real world driving conditions. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel consumption and CO₂ emissions. CO₂ is the main greenhouse gas responsible for global warming. Every effort has been made to ensure that the content of this publication is correct at the time of going to press (2016), but INFINITI Europe cannot guarantee its accuracy.
