**SUPERIOR  
QUALITY**

Model shown is Luxury grade.

# Your time, your values, your car.

**YOU'RE ALWAYS GIVING 100%, DOING THINGS THE RIGHT WAY,  
MAKING A DIFFERENCE. OUR DESIGNERS ARE THE SAME.**

Camry always makes the right impression. Its expressive features such as the meshed upper and lower front grille, striking LED daytime running lights, and new turning signal integrated in the front bumper, allow you to command your surroundings. Smart 17" high gloss paint alloy wheels and carefully profiled side rocker mouldings then lead into an optimised diffuser at the tail, with stylish rear combination lamps and chrome exhausts.

Model shown is Luxury grade.

# Own the road ahead.

**LOOKING FOR A DRIVING EXPERIENCE THAT  
MATCHES YOUR OWN INNER DRIVE?  
YOU'VE JUST FOUND IT.**

Camry is a wonderful way to drive. We've worked tirelessly, honing every single component. Advanced engines – a 3.5 litre V6, and 2.5 or 2.0 litre four-cylinder units – give you smooth power, and are combined with a six-speed automatic gearbox that changes gear quickly, and quietly. All Camry engines are clean, responsive and fuel-efficient, matched perfectly with precise steering and a soothing ride for an outstandingly comfortable experience.

Model shown is Luxury grade.

# Welcome to business class.

**WE KNOW YOUR TIME IS PRECIOUS. THAT'S WHY WE'VE  
MADE CAMRY AS COMFORTABLE AS POSSIBLE, WHETHER  
YOU'RE DRIVING, RELAXING OR WORKING.**

Space and quality meet cutting-edge technology in Camry. The combination of fine materials, meticulously crafted together, makes it an ideal environment for business, as well as the perfect escape. Sit in Camry's electrically adjusted, heated leather seats, with precise temperature control thanks to three-zone air conditioning and you'll know Camry is the right car for you. Camry's heated windshield and front wiper de-icer mean whatever the weather, your view ahead is clear.

YOU AND YOUR PASSENGERS CAN SET YOUR OWN TEMPERATURE

Model shown is Luxury grade.

# Our technology is always progressing. Just like you.

**CONTROL YOUR TECHNOLOGY. LISTEN TO YOUR FAVOURITE MUSIC; MAKE IMPORTANT BUSINESS CALLS; FIND YOUR DESTINATION IN A BUSY CITY, STRESS-FREE. DO ALL THIS AND MORE WITH CAMRY'S INTUITIVE TOYOTA TOUCH® 2 MULTIMEDIA SYSTEM.**

## Full map navigation

Always know where you're going thanks to Toyota Touch® 2 with Go navigation system, with a swipe function touch screen and real-time traffic information for optimum route guidance.

## Advanced display audio

Accessing your music is made easy with the Toyota Touch® 2 multimedia system. Select artists, albums and tracks using the large, clear touch screen, and make the most of the superb JBL sound system.

## Communication made simple

Make phone calls on the move, safely, thanks to Toyota Touch® 2's Bluetooth® 3.0 technology, and even receive text messages on the touch screen display.

## Rear-view camera display

Select reverse gear and the display screen automatically switches to a colour camera view of the area behind the Camry. Dynamic guide lines show your current trajectory, for ease of parking.

TOYOTA'S LATEST GENERATION OF TOUCH SCREEN

## 10 SPEAKERS FOR TRUE LISTENING PLEASURE.

Experience crystal-clear audio reproduction with the latest premium sound system from JBL. With ten speakers, an eight-channel JBL GreenEdge amplifier, and JBL's 5.1 surround sound matrix technology, your music will have the power and range to move you. The speaker specification includes dedicated tweeter, woofer and sub-woofer units for striking treble, solid mid-range frequencies and deliciously rich bass. Listening to your favourite music will never be the same again.

# Performance on demand.

**CAMRY'S ADVANCED ENGINES ARE EFFICIENT. THAT MEANS NOT ONLY GREAT PERFORMANCE, BUT ALSO REDUCED FUEL CONSUMPTION AND LOWER EXHAUST EMISSIONS.**

▼  
**Drive with confidence.**

**DRIVE A CAMRY AND YOU CAN BE SURE  
WE'VE MADE YOUR SAFETY AND YOUR  
PASSENGERS' SAFETY OUR PRIORITY.**

### Supplemental Restraint System (SRS) – 9 airbags

This model is fitted with up to nine airbags, including driver's knee airbag and SRS airbags for both driver and front seat passenger. Other SRS airbags include large side airbags for the front and rear seats, and SRS curtain shield airbags.

### Blind Spot Monitor (BSM)

The Blind Spot Monitor system allows the driver to manoeuvre more safely during lane changes. If the rear-mounted radar sensors detect a vehicle in your side or rear blind spot, a warning indicator will illuminate on the appropriate side mirror. Should you indicate to change lanes and a vehicle is in your blind spot, the warning indicators will flash to alert you that a lane change should be avoided.

### Rear Cross Traffic Alert (RCTA)

RCTA allows you to reverse out of a parking space safely by detecting other vehicles approaching your blind spot area. Using quasi-millimetre wave radar, RCTA alerts you with a buzzer and flashing indicators on the outer mirrors.

9 SRS AIRBAGS PROVIDE EXTENSIVE PROTECTION

Model shown is Luxury grade.

## ► Camry highlights

### **Rear passenger package**

For the ultimate in luxury. Relax with heated, power reclining rear seats, and set the cabin temperature just as you like it.

### **Sun blinds for rear windows**

Shut out the sun's glare with blinds for the rear side windows, and the convenience of a powered rear window blind.

**Boot space**

Camry's spaciousness extends beyond the cabin. With 506 litres, the luggage area is more than generous.

**60:40 split rear folding seats**

Folding the rear seats, split 60:40 for added versatility, generates further load space.

# ► The new Camry range

## COMFORT

### Main features

- 16" alloy wheels (10-spoke)
- Daytime running lights (LED type)
- Projector & reflector halogen headlamps
- Front wiper de-icer
- Front fog lamps (LED type)
- Rear combination lamps
- Shark-fin antenna
- Black fabric
- 3-spoke urethane steering wheel
- Leather gear shift knob
- Manual rear-view mirror
- Dual-zone automatic air conditioning
- Power-sliding front seats
- Driver and passenger heated seats
- 60:40 split-folding rear seats
- Radio and CD player with WMA and MP3 capabilities

### Optional features

- Rear-view camera
- 3-spoke leather steering wheel
- Toyota Touch® 2 multimedia system

## PRESTIGE

### Main features (additional to Comfort)

- Rear-view camera
- Black fabric
- 3-spoke leather steering wheel
- Woodgrain insert on gear shift knob
- Electrochromatic rear-view mirror
- Woodgrain centre console insert
- Front 12V power outlet
- Toyota Touch® 2 multimedia system
- Wireless mobile phone charger

### Optional features

- 17" high gloss paint alloy wheels (15-spoke)
- Black leather

Model shown with optional black leather.

## SPECIAL EDITION

### Main features (additional to Prestige)

- 17" black machined-face alloy wheels (5-double-spoke)
- LED headlamps
- Meshed upper front grille
- Meshed lower front grille
- Piano black lower front grille
- Automatic headlamp levelling
- Turning signal integrated in front bumper
- Chrome door handles
- Brown, beige or black leather

### Optional features

- 17" high gloss paint alloy wheels (15-spoke)
- Toyota Touch® 2 with Go navigation systems
- JBL premium sound system
- Three-zone automatic air conditioning

## LUXURY

### Main features (additional to Prestige)

- 17" high gloss paint alloy wheels (15-spoke)
- Memory function on steering wheel
- 10 speakers
- Black or beige leather
- Three-zone automatic air conditioning
- Rear window electric sunshade
- Power-reclining rear seats
- Memory function on driver's seat
- Toyota Touch® 2 with Go navigation systems
- JBL premium sound system

### Optional features

- Carbon centre console insert

# ► Accessories

GENUINE TOYOTA ACCESSORIES ADD TO THE INDIVIDUALITY OF THE CAMRY EXPERIENCE. WITH CHOICES FOR EXTRA STYLE, PRACTICALITY AND INNOVATION YOU CAN CUSTOMISE YOUR CAR WITH PERSONAL TOUCHES THAT MAKE YOUR JOURNEY EVEN MORE REWARDING.

**1. Wind deflector with chrome**

Adds to the pleasure of driving with open windows by minimising in-cabin wind turbulence. For the front and rear.

**2. Rear bumper protection plate**

Made of stylish satin-finish stainless steel to shield the bumper when loading or unloading the trunk.

**3. Mud flaps**

Specially shaped to stop water, mud and stones spraying onto your car's body. For the front and rear.

**4. Hood deflector**

Fits neatly across the front of the hood to divert airborne water, mud and stones away from the windshield.

**5. Bumper corner protectors**

For the front and rear bumper corners to protect against accidental scrapes. In a smart black finish.

**6. Door lamp**

Turns on when the door is opened and projects a convenient night light with Camry logo onto the ground.

#### 7. Illuminated scuff plates

A stylish interior design feature that also protects the door sills. In aluminium with an illuminated logo.

#### 8. Rubber floor mats

Black or beige mats to protect your car's cabin carpets. The driver's mat has non-slip safety fixings.

#### 9. Trunk liner

Made of durable flexible plastic with a non-slip surface and raised edges to guard the trunk carpet.

#### 10. Toyota Hotspot

Mobile connectivity for up to five WiFi devices such as phones, tablets and laptops. Uses your choice of SIM.

Contact your local Toyota retailer for details of the full accessory range.

The fuel consumption, CO<sub>2</sub> and noise values are measured in a controlled environment on a basic production vehicle, in accordance with the requirements of European law published by the European Commission. For further information, or if you are interested in buying a basic production vehicle, please contact Toyota Motor Europe NV/SA. The fuel consumption and CO<sub>2</sub> values of your vehicle may vary from those measured. Driving behaviour as well as other factors (such as road conditions, traffic, vehicle condition, installed equipment, load, number of passengers, ...) play a role in determining a car's fuel consumption and CO<sub>2</sub> emissions.

# ► Glossary

A RANGE OF TECHNOLOGICAL AND ENGINEERING INNOVATIONS ARE EMPLOYED TO MAKE CAMRY SAFE, COMFORTABLE, POWERFUL AND EFFICIENT.

## Windshield de-icer

Ensure maximum wiper performance and optimal visibility even in icy conditions with Toyota's windshield de-icer system. Hot wires within the windshield glass are fed with electrical current, which prevents the build-up of ice. Two options are available: the full windshield de-icer which heats the complete windshield, while the partial system, the front wiper de-icer, heats the wiper area.

## Rain sensor

The automatic rain sensor instantly sets the appropriate wiper speed and intervals.

## Electric Power Steering (EPS)

EPS reduces the effort necessary to turn the front wheels, improving fuel economy and making the vehicle easier to control, especially at lower speeds.

## Smart Entry & Start System

Instead of a conventional key, the Smart Entry & Start System features a transmitter that allows you to unlock the doors by pulling the handle and lock them again by pressing a button. To start or stop the engine, simply press the Start/Stop button. All you need to do is carry the Smart Entry key in your pocket or handbag.

## Anti-lock Braking System (ABS) with Electronic Brake force Distribution (EBD)

ABS prevents the wheels from locking while braking. EBD complements this by optimising brake force distribution between each wheel to compensate for different loads. Together the two systems help you to maintain steering control when braking heavily.

## Vehicle Stability Control (VSC)

VSC automatically activates each individual brake as needed and controls engine output to help maintain stability and prevent skidding when turning sharply or cornering on slippery road surfaces.

### Blind Spot Monitor (BSM)

The Blind Spot Monitor system allows the driver to manoeuvre more safely during lane changes. If the rear-mounted radar sensors detect a vehicle in your side or rear blind spot, a warning indicator will illuminate on the appropriate side mirror. Should you indicate to change lanes and a vehicle is in your blind spot, the warning indicators will flash to alert you that a lane change should be avoided.

### Rear Cross Traffic Alert (RCTA)

RCTA allows you to reverse out of a parking space safely by detecting other vehicles approaching your blind spot area. Using quasi-millimetre wave radar, RCTA alerts you with a buzzer and flashing indicators on the outer mirrors.

### Automatic transmission

Toyota's automatic transmissions offer a smooth, effortless drive with minimal driver effort. Gear changes are quick and responsive, and additional manual modes (availability depending on model) enable greater control if required. Automatic transmissions are engineered for the best balance of performance and economy.

### 2.0 l Valvematic

The powerful 2.0 litre Valvematic petrol engine includes the next generation of Toyota's successful VVT-i system. Valvematic varies the timing and lift of the engine's valves to suit your driving requirements. The result is improved responsiveness, better fuel economy and lower CO<sub>2</sub> emissions.

### 2.5 l Dual VVT-i

Featuring lightweight, low-emissions technologies, the 2.5 litre Dual VVT-i petrol engine is economical, quiet and powerful, with excellent low speed acceleration. Dual VVT-i optimises timing and lift of engine valves and a Tumble Control Valves (TCV) system modifies air intake, delivering reduced emissions and greater performance.

### 3.5 l V6 Dual VVT-i

The powerful and efficient 3.5 litre V6 Dual VVT-i petrol engine uses low-friction, lightweight components to deliver maximum performance with lower fuel consumption and emissions. Dual VVT-i technology controls valve timing and lift, while the Acoustic Control Induction System (ACIS) optimises the air intake for greater efficiency and torque at all speeds.

# TOYOTA ENVIRONMENTAL CHALLENGE 2050

## TOYOTA ENVIRONMENTAL CHALLENGE 2050

Toyota has set out 6 environmental challenges to be completed by 2050. The objective being to achieve sustainable development together with society.

### Challenge 1

New Vehicle – Zero CO<sub>2</sub> Emissions Challenge.

### Challenge 2

Life Cycle – Zero CO<sub>2</sub> Emissions Challenge.

### Challenge 3

Plant – Zero CO<sub>2</sub> Emissions Challenge.

### Challenge 4

Challenge of Minimising and Optimising Water Usage.

### Challenge 5

Challenge of Establishing a Recycling-based Society and Systems.

### Challenge 6

Challenge of Establishing a Future Society in Harmony with Nature.

## TOYOTA'S LIFECYCLE APPROACH TO ENVIRONMENTAL ISSUES

### Design & Manufacture

Each design detail on our vehicles is analysed to ensure the lowest possible environmental impact throughout its life cycle.

### Logistics

Toyota is always looking to employ the most efficient and environmentally friendly logistical and delivery methods.

### Vehicle Retail

Improvements in the environmental efficiency of Toyota's network of showrooms is an on-going commitment.

### Driving & Servicing

Driving your Toyota more efficiently and by using genuine parts can help to save money and reduce further impact on the environment.

### Reduce, Reuse, Recycle

95% of every Camry is reusable and recoverable. In addition, our environmental policy means that we offer you new and innovative ways of returning your vehicle when it eventually reaches "the end of the road".

The Toyota Camry is built to the highest quality standards at the Saint Petersburg manufacturing plant in Russia.

## COMPLETE PEACE OF MIND WITH TOYOTA

### Quality Service

Your Toyota will need a Health & Safety check at least once every 2 years/30,000 km (whichever comes sooner). An intermediate check is necessary every year or 15,000 km.

### Low Maintenance Costs

All Toyota vehicles are designed and engineered to minimise your maintenance costs.

### Genuine Parts

Providing the reassurance of Toyota quality, only genuine and approved components are used on your vehicle.

### Genuine Accessories

Toyota accessories are designed and manufactured with the same care, quality and attention to detail as Toyota vehicles. All accessories are covered by a 3-year warranty when purchased together with the vehicle\*.

### Comprehensive Warranty

Every new Toyota comes with a 3-year/100,000 km vehicle warranty\*, which covers any defect caused by a manufacturing fault<sup>§</sup>.

### Toyota Eurocare

Enjoy peace of mind driving with complimentary Toyota Eurocare roadside assistance in 40 European countries for 3 years<sup>°</sup>.

### Added Security

Toyota's comprehensive security system withstands the insurance industry's rigorous 5-minute attack test.

\* Check with your retailer for specific warranty details. <sup>§</sup> Transport to the nearest authorised Toyota repairer will also be covered. In addition 3-year/unlimited mileage paint warranty protects against defects and surface rust caused by a manufacturing fault. Every new Toyota is covered by a 12-year anti-corrosion warranty (not valid for commercial vehicles) against perforation of body panels caused by a manufacturing fault in materials or workmanship. <sup>°</sup> Belgium 5 years/Portugal and Denmark 1 year.
