Karakuri 第七個座位
Karakuri seventh seat

Karakuri 第七張座椅的坐墊巧妙地隱藏在中排左側席旁內。首先，把中央扶手拉起，接著把大小恰好的坐墊從左側坐墊下翻出，即形成第七人座椅。

The karakuri seventh seat ingeniously folds out of the left second-row seat. First, the armrest swings up to form the backrest of the centre seat. Then the seat's cushion is flipped forward to reveal the centre seat cushion that folds out to fit between the two second-row seats.

Karakuri 實用貯物箱
Karakuri utility box

實用的 Karakuri 貯物箱隱藏於中排右側座椅內，抽出後上方附有一對杯座，其他瑣碎雜物則可以隨手放在下方的置物網中。使用 Karakuri 座椅或貯物箱時，右側座椅下方同時提供 6.3 公升容積的貯物空間。

The karakuri utility box is stored beneath the cushion of the right second-row seat. When deployed, a large tray on top of the box gives second-row passengers a pair of cupholders, while a net below the tray gives quick storage of small items. When the karakuri seat or karakuri utility box is in use, a 6.3-litre compartment becomes available beneath the respective seat cushion.
