PEUGEOT have a history of producing beautiful cars which offer stylish design, engineering excellence and pure driving pleasure. We're continually developing new automotive technologies

and improving our cars in terms of design, efficiency and above all that renowned PEUGEOT intuitive driving experience.

THE DAY IS YOURS.

## UNCOMPROMISING DESIGN.

Elegant, robust, agile and powerful, the all-new PEUGEOT Rifter leisure activity vehicle embodies all-round performance and its short, raised bonnet and increased ground clearance skilfully incorporates SUV styling. Its headlights with LED daytime running lights signature and vertical radiator grille highlight its balanced, compact and dynamic styling.

## ASSERTIVE CHARACTER.

With its distinctive contours and elegant lines, the all-new PEUGEOT Rifter won't go unnoticed. An aluminium scuff plate, 16" alloy wheels, roof bars, black wheel arch extensions and door sill protectors underpin the all-new Rifter's exceptional styling.

## THE SIGNATURE OF THE LION.

The all-new PEUGEOT Rifter proudly displays the renowned three-claw rear light signature which is an integral part of PEUGEOT's style identity. Its front face adopts the sporty look and styling of our latest models.

THE ADVENTURE STARTS HERE.

## EN ROUTE TO NEW SENSATIONS.

All-new Rifter's driving environment puts you in control with a greater connection to the road. The head-up raised instrument panel increases driver comfort and safety; it's closer to the road and within the driver's field of vision.

The compact multifunction steering wheel increases visibility of the car's instrumentation and provides heightened responses and improved agility both when mobile and for manoeuvrability.

## PEUGEOT I-COCKPIT®: YOUR INVITATION TO DRIVE.

The PEUGEOT i-Cockpit® in the all-new PEUGEOT Rifter offers a more agile and instinctive driving experience thanks to the compact steering wheel, head-up display and large 8" capacitive colour touchscreen.

## ADJUSTABLE SEATS AND IMPRESSIVE LOAD SPACE.

This is a leisure activity vehicle that adapts to all your needs. The all-new PEUGEOT Rifter is exceptionally adaptable and offers a highly practical and versatile design which is able to excel in any situation.

Front passenger seat and rear seating is available as 2/3-1/3 or as 3 individual folding seats which, with the 'MagicFlat' system, can be folded onto the floor. And the third row in the 7-seat version has 2 individual extractable seats - letting you decide on your preferred configuration. Its optimised architecture boasts one of the most capacious offerings on the market: of between 775 and 4,000 litres according to version. With the passenger seat folded down you can fit objects of up to 3m in length in the Long version. The lowboot sill and 2-height position parcel shelf make loading and unloading quick and easy.

## PEUGEOT MIRROR SCREEN®.

Mirror Screen® functionality in the all-new PEUGEOT Rifter allows you to enjoy compatible applications from your smartphone on the capacitive colour touchscreen. System features vary by provider/phone and can include navigation, text display, text reading and media functionality voice control. Mirror Screen® uses Apple CarPlay™ and MirrorLink® systems. And, there's no need for cables as through the use of inductive charging technology a compatible device can be charged wirelessly whilst on the move. The operation is simple: just place your compatible smartphone on the charging area and once detected, battery charging begins.

## EASY MANOEUVRES.

All-new PEUGEOT Rifter features Vision Park 1 which incorporates a 180° colour reversing camera. Located on the rear of the vehicle the camera is linked to the 8.0" capacitive colour touchscreen. Offering increased visibility when reversing, with a selection of views to choose from, you'll never look back!
