EXTERIOR

AN ICON EVOLVED

The All New Lexus RX excites from the start, with its bold new design that's created to turn heads and stay ahead.

SPINDLE BODY CONCEPT

The spindle design front evolved into a new expression called the Spindle Body. The seamless fusion between the body and grille accentuates a new authentic Lexus identity and adds beauty to The All New Lexus RX.

PANORAMIC GLASS ROOF WITH TILT & SLIDE

Without compromising on head clearance, the panoramic glass roof adds a greater sense of openness to the RX.

3-LED HEADLIGHTS

Improved with slim LED units, three headlights adorn the front end with feature a black-toned extension that creates a mysterious impression. More advanced with AHS (Adaptive High-beam System) helps provide excellent visibility.

LIMITLESS L-SHAPED LIGHT BAR WITH UNIFIED LOGO

The signature L-shaped light bar at the rear reinforces the iconic RX shape, accentuated by the Unified LEXUS Logo for stronger identity and easier recognition.

POWER BACK DOOR WITH KICK SENSOR

A sensor underneath the rear bumper allows you to effortlessly and quickly open and close the rear door with a kicking motion.

RX 450h+ (Luxury)

RX 350 (Luxury)

NEW ALLOY WHEELS

The new 21-inch alloy wheels further emphasize the uncompromising style of RX that are sure to make a powerful statement and exhilarating performance.

F SPORT PERFORMANCE WHEELS

The 21-inch F Sport Performance Wheel in Gray Metallic Finish is available which makes it even more masculine and contribute to F SPORT Performance.

RX 500h F Sport+

EXTERIOR

SIGNATURE F SPORT EMBLEM

The exterior is equipped with the F SPORT Emblem which strengthens its identity as an exclusive variant of the RX.

**Exclusive to RX 500h F Sport+*

SIGNATURE F SPORT MESH GRILLE

An aggressive mesh spindle grille with a wider hourglass and additional black accents and body-colored sills lends a hefty dash of sports appeal to the F SPORT Performance model.

**Exclusive to RX 500h F Sport+*

INTERIOR

TAZUNA COCKPIT

The All New Lexus RX interior was designed with The Tazuna Concept that aims to enhance the joy of controlling a car by optimizing your access to the things you need the most.

SHIFT-BY-WIRE TECHNOLOGY

The shift lever is newly developed for the shift-by-wire function. We pursued a shape that has a superior tactical character that is easy to grip and apply pleasure.

FIRST CLASS MULTIMEDIA SYSTEM

Class First

With the immersive 14-inch touch screen center display to access features like air conditioning, navigation, Wireless Apple Car Play and Wired Android Auto, that can operate seamlessly while on-the-go.

WIRELESS CHARGING

A wireless charger is available that enables a compatible portable device to be charged by simply placing it on the charging pad, eliminating the need to connect a charging cable.

INTERIOR

EXCLUSIVE STEERING WHEEL

The steering wheel comes with leather material and an exclusive emblem that enhances an extraordinary driving experience.

**Exclusive to RX 500h F Sport+*

EXCLUSIVE SHIFT KNOB

The Exclusive Shift Knob is coated with dimpled leather which reflects the driving performance of the F SPORT.

**Exclusive to RX 500h F Sport+*

F SPORT SEMI BUCKET SEAT

The F SPORT semi bucket seats adopt smooth leather with a combination of Ultrasuede for a sporty look and feel, while still paying attention to environmentally friendly aspects.

**Exclusive to RX 500h F Sport+*

DIGITAL REAR-VIEW MIRROR **Class First**

Equipped with a Digital Rear-View Mirror which displays images from the backup camera at the rear of the vehicle on the mirror display to make it easier for the driver to maneuver.

HEAD-UP DISPLAY

A color Head-up Display projects key driving information that are provided to enhance driving enjoyment while maintaining an ample field of view for checking road conditions around the vehicle.

MARK LEVINSON AUDIO SYSTEM

Unlock a deeper appreciation of sound and experience music in its highest fidelity with 21 speakers meticulously positioned throughout the cabin, creating a live stage effect that extends from front to back and left to right.

AMBIENT ILLUMINATION

The peak of intuition in RX's new interior offers 14-thematic Interior Ambient Illumination and a total of 64 colors combination to accentuate the elegance of the cockpit while creating your personalized atmosphere.

TECHNOLOGY

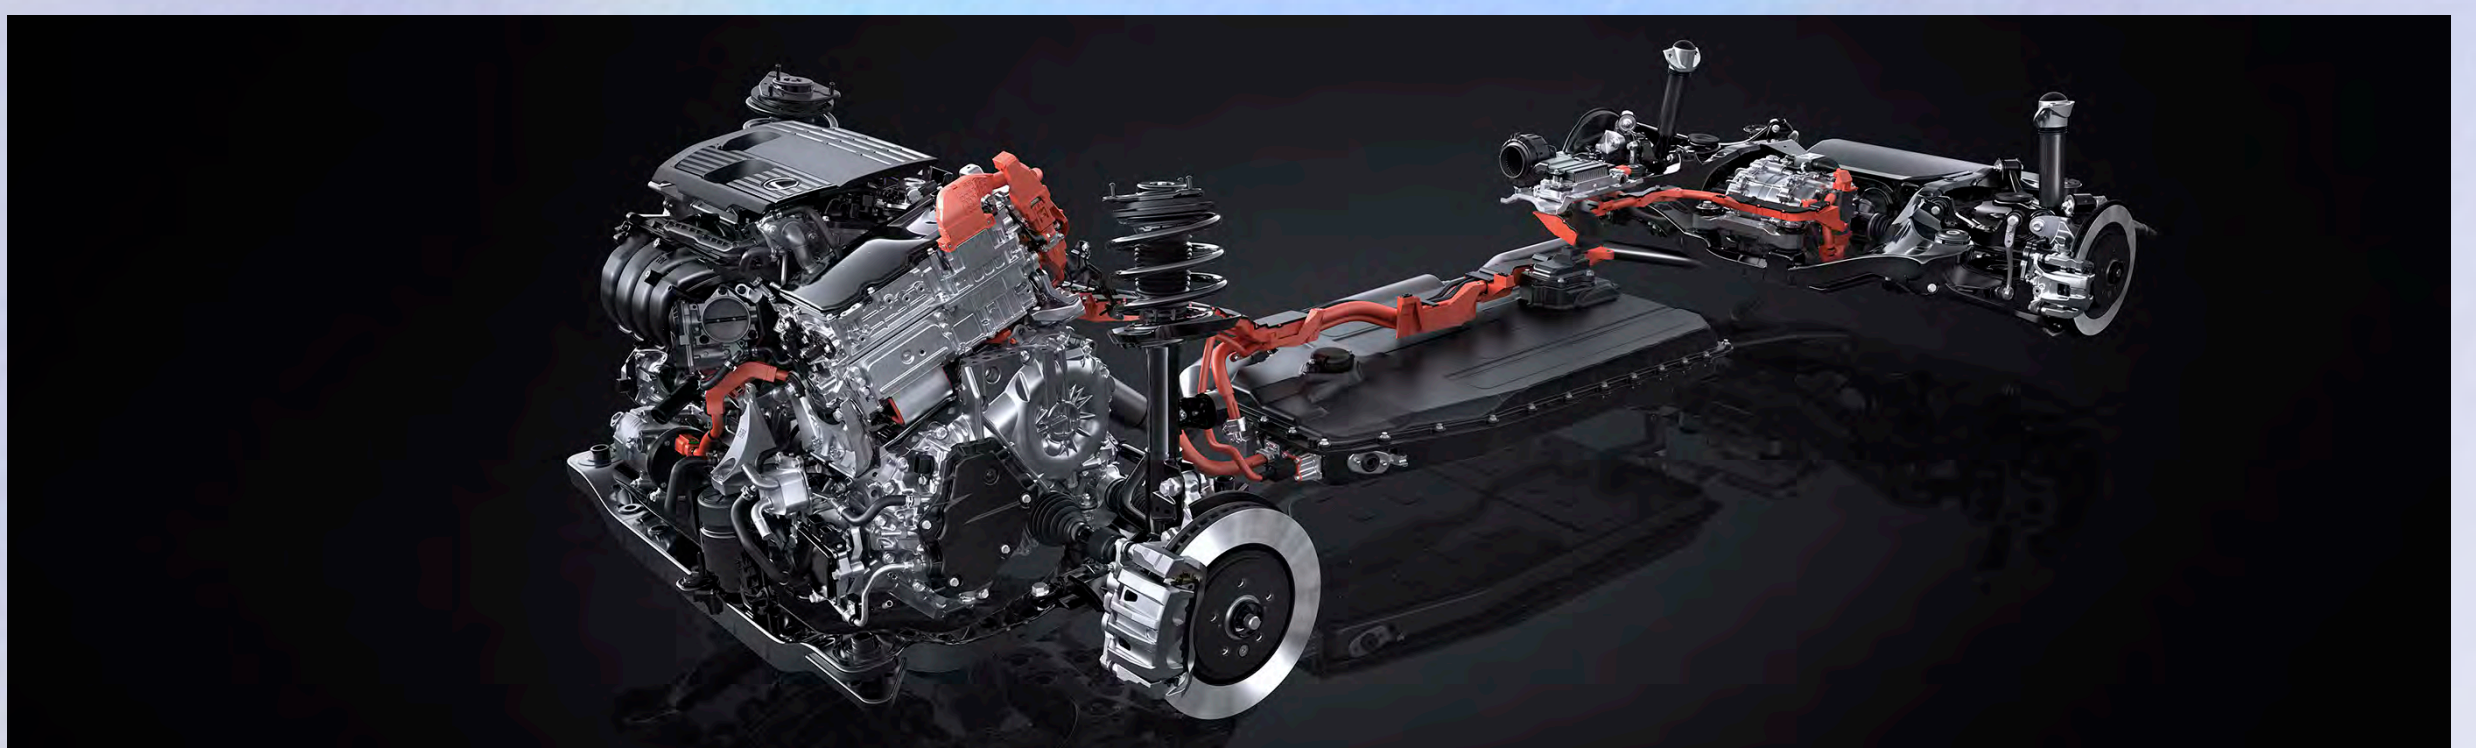

INTELLIGENT ASSISTANCE

The Advanced Intelligent Assistance feature of Voice Command that can be accessed to control entertainment, navigation, air conditioning, and other applications through the "Hi Lexus" On-board Assistant.

E-LATCH **Class First**

Lexus' innovative take on the conventional handle with doors that unlatch electronically. Get in and out of your RX effortlessly.

E-FOUR SYSTEM*

A motor-driven AWD E-Four system has been adopted, contributing to the fuel economy as well as delivering excellent starting off performance and driving performance.

**Exclusive to PHEV*
