# Introducing New Dacia Duster Commercial

Dacia has been a real breath of fresh air since we launched in the Ireland. Dacia has rave reviews from customers and a whole host of awards from motoring journalists with our range of well-equipped and 'shockingly affordable' vehicles. Leading the charge has been the impressive Dacia Duster. Which is why we've developed a new commercial vehicle version with practicality and functionality at its heart. And it won't break the bank either.

Introducing the New Duster Commercial: rugged, robust and ready for business. It's got everything you need: a payload of 550kg, a long, roomy load area and all the tax advantages of a light commercial vehicle, without any of that frivolous nonsense. Bring on a hard day's graft. We've built our range, which comes in a choice of two trim levels, Alternative and Signature, around the proven dCi 110 diesel engine.

All versions come with ABS and ESC (Electronic Stability Control) amongst a host of standard safety features, and equipment that includes electric front windows, front fog lights and roof bars.

And if you want to take it up a notch, the Signature comes with a host of additional equipment including alloy wheels, cruise control and speed limiter, leather steering wheel and manual air-conditioning.

But what if you hanker after some off-road prowess? Not a problem. There's a choice between a two-wheel drive and selectable 4-wheel-drive system designed, to give you grip and performance in all conditions.

Whatever your trade: the New Duster Commercial has it covered.

\* Official Fuel consumption figures are produced for comparison purpose and are measured according to the European Directive 80/1268/EEC. These figures are specific for a vehicle type and not for a single car. Real world fuel (actual) consumption can vary as the fuel efficiency of a vehicle is influenced by driving behaviour, weather and road conditions. The use of technical equipment for example air conditioning, can also effect the fuel consumption.

## Warranty

Your new Dacia is covered by a standard 3 year / 100,000km Warranty package. Under the terms of this Warranty, your Dacia dealer is able to repair or replace, without charge, parts that are found to have a material or assembly defect that is recognised by Dacia. Your new Dacia also comes with a 2 year paintwork warranty, as well as a 6 year anti-corrosion warranty.

## Extended Warranty

At Dacia, we don't force you to pay a premium for a longer warranty if you don't want one, but we'll offer you the opportunity to purchase one if you do. By extending your warranty, you'll benefit from ongoing protection from mechanical and electrical failure after the standard manufacturer's warranty has expired. You can choose to extend your Warranty to the following levels:

- 5 years / 200,000 km
