

Dacia Logan MCV

Introducing Dacia Logan MCV

Once upon a time, vast interior space went hand-in-hand with vastly inflated prices. Then, along came Dacia Logan MCV and times changed. Say hello to a new reality...

With best-in-class boot capacity and ample interior space for five adults, Logan MCV offers unrivalled pound-for-pound versatility. Every inch a "Maximum Capacity Vehicle", Logan MCV makes responding to the real demands of life that little bit easier. Whether it's a new piece of furniture or your family and their luggage, Logan MCV's extraordinary load capacity will get you there with room to spare.

With a 573 litre boot which expands to 1,518 litres with the rear seats folded down, transporting large and awkward items is a doddle. A 60/40 split-folding rear seat and a forward-folding front passenger seat also make for maximum flexibility when driving with rear passengers or transporting longer items.

With Logan MCV, big space doesn't mean big running costs. The state-of-the-art dCi 90 4-cylinder diesel engine combines peppy performance with frugal fuel efficiency and CO₂ emissions of just 90 g/km.

At Dacia, our simple range of cleverly designed cars uses only useful technology. That's because we believe you should only pay for the things that you value, rather than for those you don't. Dacia Logan MCV offers a groundbreaking combination of practicality and affordability. With two simple trim levels, a range of useful options and extended warranty up to 5 years / 200,000 km, it's easy to tailor a package to suit you.

Dacia Logan MCV. Maximum Capacity. Minimal cost.

Network

To find your nearest Dacia dealer, please consult the dealer locator on our website at www.dacia.ie. Alternatively, you can call our Dacia Customer Services helpline on 1890 771 771.

Servicing

The service interval on all versions of Dacia Logan MCV is 1 year or 20,000 km, whichever limit is reached first. Your local Dacia dealer is fully equipped to service your Dacia Logan MCV.

Warranty

Your new Dacia is covered by a standard 3 year / 100,000 km* warranty package. Under the terms of this Warranty, your Dacia dealer is able to repair or replace, without charge, parts that are found to have a material or assembly defect that is recognised by Dacia. Your new Dacia also comes with a 2 year paintwork warranty, as well as a 6 year anti-corrosion warranty.

Extended Warranty

At Dacia, we don't force you to pay a premium for a longer warranty if you don't want one, but we'll offer you the opportunity to purchase one if you do. By extending your warranty, you'll benefit from ongoing protection from mechanical and electrical failure after the standard manufacturer's warranty has expired. Extended warranties may be purchased at any time up to one year after the first date of registration. You can choose to extend your Warranty to the following levels:

- 5 years / 200,000 kms*

Roadside Assistance

We don't expect it to happen, but we'll ensure help is on hand if it does. In the event of a breakdown, help is just a phone call away with Dacia Assistance. This service is provided 24 hours a day, 365 days a year. We'll provide prompt roadside assistance in Ireland for the first 3 years / 100,000 km*, in line with the terms of the standard manufacturer's Warranty.

* From first date of registration. Expires on the first of the two limits reached.
