Introducing Dacia Sandero

Like attractive design? Need a spacious interior? Want modern technology, but don't want to break the bank? Say hello to Dacia Sandero.

Big car features.

Beneath its svelte form lies ample space for five adults. A split-folding rear seat and 320 litre boot make transporting luggage simple. Electronic Stability Control, anti-lock brakes and four front airbags ensure safety as standard. And, with Sandero Signature, air conditioning and cruise control mean maximum comfort on the move.

Big car technology.

Want cutting-edge design that's also intuitive to use? No problem. Simply opt for the MediaNav fully-integrated touchscreen multimedia system, featuring Bluetooth connectivity and satellite navigation. Then, there's the state-of-the-art 1.5 dCi 90 4-cylinder diesel engine, which combines impressive performance with frugal fuel consumption and CO₂ emissions of just 90 g/km. Which means savings for you and the environment.

Small car prices.

At Dacia, we believe in giving you the choice to pay only for what you value. That's why our comprehensive standard 3 year / 100,000 km* warranty may be extended up to 5 years / 200,000 km*. Our simple range offers two trim levels to suit your individual needs: from the affordable Alternative to the luxurious Signature. There really is a Dacia Sandero for everybody.

Servicing

The service interval on all versions of Dacia Sandero is 1 year or 20,000 km, whichever limit is reached first. Your local Dacia dealer is fully equipped to service your Dacia Sandero.

Warranty

Your new Dacia is covered by a standard 3 year / 100,000 km* Warranty package. Under the terms of this Warranty, your Dacia dealer is able to repair or replace, without charge, parts that are found to have a material or assembly defect that is recognised by Dacia. Your new Dacia also comes with a 2 year paintwork warranty, as well as a 6 year anti-corrosion warranty.

Extended Warranty

At Dacia, we don't force you to pay a premium for a longer warranty if you don't want one, but we'll offer you the opportunity to purchase one if you do. By extending your warranty, you'll benefit from ongoing protection from mechanical and electrical failure after the standard manufacturer's warranty has expired. You can choose to extend your Warranty to the following levels:

- 5 years / 200,000 km*

Roadside Assistance

We don't expect it to happen, but we'll ensure help is on hand if it does. In the event of a breakdown, help is just a phone call away with Dacia Assistance. This service is provided 24 hours a day, 365 days a year. We'll provide prompt roadside assistance in Ireland for the first 3 years / 100,000 km*, in line with the terms of the standard manufacturer's Warranty.

* From first date of registration. Warranty expires on the first of the two limits reached.
