with Dynamic Matrix LED headlights (option).*

1 EXPLORE

BIG ON PERSONALITY

The refreshed Focus demands attention. All-new light designs, including standard LED headlights with integrated fog lights and optional Dynamic Matrix LED headlights will immediately catch the eye. The drama continues across the new grille, bonnet, and front facias, then sweeps back to the updated rear light design – while the new wheel designs complete the distinctive finish.

Our designers have raised the bar for the interior also. SYNC 4 with Premium Connectivity helps streamline everyday travel and make it more entertaining. Plus, you can enjoy seamless smartphone integration and a variety of screen options, and the FordPass Connect app enables multiple comfort and security features remotely. While Ford Focus Estate offers the flexibility to embrace your adventurous side, with a vertical divider and wet zone area for your muddy boots or wetsuits as standard.

Focus Active X Estate in Chrome Blue metallic body colour (option) with Dynamic Matrix LED headlights (option).

MAGNETIC PERFORMANCE

Meet the Focus ST. Built for the track and released for the road. Every component fine-tuned for highly addictive performance – from the aggressively sculpted signature exterior with large rear spoiler, to the new AGR-certified Ford Performance seats, which cosset you through every gleeful twist and turn in the road. And tailor your driving style with Normal and Sport, available in the Selectable Drive Modes feature.

A specially engineered 2.3-litre (280 PS/203 kW) EcoBoost engine, low inertia twin-scroll turbocharger, plus anti-lag and electronic Limited Slip Differential (eLSD) technologies – together make this the most eager Ford Focus ST yet.

Additional features of the ST include:

- **19" alloy wheels** with premium finish
- **Track Mode** tailors your drive settings for the circuit, with Launch Control, Gearshift Indicator light and rev matching (manual only)
- The optional **head-up display** keeps you fully engaged with the road
- **Red painted brake calipers** help make even more of a statement
- **Dynamic Matrix LED headlights** including glare-free lighting, for better visibility and safety

Focus ST 5-door in Mean Green metallic exclusive body colour (option) with Panoramic Roof (option) and Focus ST 5-door in Fantastic Red special metallic body colour (option) with Panoramic Roof (option).

1 EXPLORE

FIND YOUR LIMITS

Discover what the Focus ST is really capable of with the ST Track Pack (option). These additional performance features help finely-tune the vehicle's handling in order to reach its full potential.

KW Suspension in Ford Performance Blue keeps the vehicle level and focussed through corners. While the 18" Mach-E front brake system and Pirelli P-Zero Corsa tyres provide even greater grip and precision.

Extra attitude is provided by a set of 19" flow-form alloy wheels in Absolute Black, as well as a rear ST spoiler, rear diffuser, mirror caps, front bumper wings and roof – all finished in an imposing Agate Black.

Focus ST 5-door in Mean Green exclusive metallic body colour (option) with Track Pack (option).

1 EXPLORE

TAKE CONTROL

The intuitive SYNC 4 with Premium Connectivity system allows you to seamlessly connect to your world through a striking 13.2" landscape display. With a simple hand gesture or conversational voice command you can choose your destination and route, and then access your music to set the soundtrack for your day. Focus is also Apple CarPlay and Android Auto ready – making it easy to contact friends and family via call or text message, and you can even access some of your favourite apps.

If you're looking for more luxury, X Series models offer premium Sensico® seat trim throughout the vehicle. And you can also choose the option of two rear USB ports – essential for keeping kid's devices charged on long journeys, and ensuring everyone's phones are good to go when you arrive at your destination.

Focus Active X in Chrome Blue metallic body colour (option) with EcoBoost Hybrid PowerShift automatic transmission (option).

1 EXPLORE

THE BEST OF BOTH WORLDS

Focus now features an exciting 7-speed PowerShift automatic transmission. The EcoBoost Hybrid PowerShift delivers seamless acceleration with smoother gear changes, which can help improve your fuel economy by keeping the hybrid engine at optimum speed for efficiency. And with Sport Mode optimised for performance, there is even more to make you smile.

The EcoBoost Hybrid features sophisticated mild-hybrid technology to deliver punchier, more responsive performance, particularly at lower engine speeds, for a more flexible and connected driving experience.

Regenerative braking reclaims energy as you slow down and uses it to deliver a boost as you accelerate, helping to improve performance and efficiency while reducing emissions.

Note For further fuel efficiency and emissions information, see Section 4, fuel and performance.

Focus Active X Estate in Chrome Blue metallic body colour (option) with Dynamic Matrix LED headlights (option).

1 EXPLORE

YOU'RE READY FOR ADVENTURE

Ford Focus Estate is ready for whatever your lifestyle throws at it. Inside you'll discover an elegant, spacious and versatile interior. Offering up to 728 litres* of space in 5-seat mode and up to 1,620 litres* with the rear seats folded, you can pack in luggage, family, a dog (or two), plus lots more.

Its vertical divider allows you to configure boot space into helpful zones, including a wet zone for muddy boots, diving gear or any other wet items requiring a secure place. A tonneau cover keeps belongings out of sight, while the wide tailgate with low loading height and optional hands-free tailgate make access easy.

*Measured in accordance with ISO 3832. Cargo and load capacity limited by weight and weight distribution.

Vehicle shown features accessories.

Focus Active X Estate in Chrome Blue metallic body colour (option), with cargo compartment net (option) and matrix LED headlights (option).

1 EXPLORE

THE EASY LIFE

Focus is well-equipped to help you stay in control. Every element, from the rear-view camera to the entertainment system has been designed for ease and enjoyment.

- **Ford's SYNC 4 with Connected Navigation** offers a range of cloud connected services, including Live Traffic Information and weather updates
- **B&O Sound System with BeoSonic™ audio equalisation interface†** lets you enjoy music as the artists intended
- **FordPass Connect** enables multiple features remotely, including pre-warming the vehicle, locking and unlocking, plus insights to optimise your driving style
- **Wireless charging pad†** makes sure the battery on your compatible device is always good to go
- **Driver's seat power adjustment†** including power lumbar support. Standard on X-series Sensico® seats and ST Ford Performance seats

†Availability varies according to series – see specification tables for details.

Note Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle.

Focus Active X in Chrome Blue metallic body colour (option) with EcoBoost Hybrid PowerShift automatic transmission (option).

1 EXPLORE

FLEXIBILITY AND FREEDOM

Ford's SYNC 4 with Connected Navigation* adds more joy to journeys. Operating a range of cloud-connected vehicle features is easy via the 13.2" (33.5 cm) touchscreen or using conversational voice commands.

The new addition of Alexa Built-in** helps make life even more manageable. With just a few simple voice commands you can control your smart home technology***, allowing you to activate lights, and open or close the garage door. You can also add items to your Amazon† shopping list, get the latest deals and track shipments, and even set a reminder^o to pick up something nice for dinner. And with the new Ford Streaming service, you can enjoy a world of games and entertainment on the move††.

SYNC 4 also lets you contact friends and family via hands-free calling, and gives you the ability to dictate as well as listen to text messages. The advanced navigation system even learns your favourite travel destinations, and is able to provide live traffic information, weather updates, fuel-stops and their prices, plus parking availability before you arrive.

For added peace of mind, Ford Secure provides in-app notifications when it detects any open doors, or windows, and even the boot, as well as change of state of ignition. And should you need to familiarise yourself with anything, the Digital Owner's Manual is quickly available on-screen.

*Standard on Focus Titanium, ST-Line, Active, X-Series and ST. Customers will be automatically enrolled into Connected Navigation, when enabling the connectivity services of their vehicle (by activating FordPass Connect). Available 2022 Ford Secure and Connected Navigation are subscription products with an initial complimentary trial period; thereafter a subscription fee is payable.

**Access to Alexa Built-in requires an Amazon account, SYNC 4, FordPass Connect, and complimentary Connected Service activated through the FordPass app (see FordPass terms for details). Eligible 2022 Ford vehicles receive five years complimentary access to Alexa Built-in and 3-months complimentary access to Ford Streaming that begin on the trial activation date, after which fees apply. See your Ford Account for information.

***Alexa functionality dependent on smart home technology.

†Shopping restricted to Amazon Prime only. Other services such as Amazon Pharmacy are unavailable.

††Entertainment is part of the Ford Streaming subscription.

^oNot suitable for use when driving.

1 EXPLORE

CONNECTED AND IN CONTROL

FORDPASS CONNECT

FordPass Connect in compatible Ford Focus vehicles is the hardware that enables connected services and, when paired with the FordPass app, will unlock a range of features designed to make driving easier and more enjoyable.

Activating the connected services of your vehicle will also give you access to our subscription bundles, which are exclusive to eligible SYNC 4* vehicles. This includes, for example Connected Navigation**, which delivers the latest traffic information to your vehicle and will provide you with advanced warnings of nearby hazards on the road, or Ford Secure, That will help keep your vehicle safer by giving you access to a range of security features.

With the purchase of your new vehicle, you will have the first year of Connected Navigation and Ford Secure already paid for. For more information on subscription products, please refer to the Ford web account: <https://www.ford.eu/ford-account>

FORDPASS APP

Get the most from FordPass Connect with the FordPass app^o. From smart remote features to detailed vehicle health reports, the FordPass app lets you access even more functions via your smartphone. For peace of mind, you can start[†], lock or unlock your vehicle wherever you are, and even defrost the windscreen and activate the heated seats and heated steering wheel (where fitted) on a cold winter's morning.

Health Alerts send important information, including tyre pressure and fluid level warnings, such as oil life, direct to your phone. FordPass also helps with security; you'll receive a notification if your car's alarm is activated, no matter where you are. The feature takes security a step further and alerts you on your smartphone of any unauthorised access attempts – even with a stolen or duplicate key.

Connect your Focus to FordPass.

*Don't drive while distracted. Use voice operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. **FordPass Connect enables connected services and is available on selected vehicles or vehicles with navigation. FordPass Connect will be enabled at time of vehicle delivery. You may choose to opt in/out of certain data sharing. Data coverage and service is not available everywhere. Data rates may be incurred. FordPass and Connected Car Privacy Policies apply, available on your local Ford website.

[†]Remote start only available on models with automatic transmission.

^oFordPass app, compatible with select smartphone platforms, is available via a download. Message and data rates may apply.

SYNC

1 EXPLORE

SUBSCRIBE FOR MORE

Selected new Focus vehicles are eligible to a range of valuable connectivity features, including one-year's complimentary Connected Navigation and Ford Secure subscription. Plus, you can enjoy a 90-day free trial of the new Ford Streaming entertainment service. And you can continue to benefit from these subscription plans for a monthly fee.

CONNECTED NAVIGATION

With cloud access you can stay fully informed on every drive.

- **Accurate Maps** streamed to your vehicle help guide you on changing roads
- **Always on Coverage** provides an on-board map, helping remove the stress of losing mobile data coverage
- **Real-time Information** finds the fastest route through changing traffic conditions
- **Full Guidance** step-by-step visual or audio instructions to your destination
- **Local Hazard Information** gives warnings of accidents or broken-down vehicles before they are visible to the eye

FORD SECURE

Enjoy the reassurance of optimised protection for your vehicle.

Stolen Vehicle Services

- **Pre-theft Alerts** offer 24/7 peace of mind from attempts to access, tow or tamper with your vehicle
- **Vehicle Tracking & Recovery** enables authorities to track your vehicle if it is stolen and supports them by assisting in the recovery process, even across borders

Location Alerts

- **Keep track of your car** and how it is being used. If your vehicle leaves a predefined area, you'll receive a notification through the FordPass app

Neighbourhood Alerts*

- **Receive FordPass notifications** if a perimeter alarm, SecuriAlert or Stolen Vehicle Services alert is triggered in your area, giving you the chance to be extra vigilant

*Available 2022 Ford Secure and Connected Navigation are subscription products with an initial complimentary trial period; thereafter a subscription fee is payable. Ford Secure and Connected Navigation use connected vehicle data (such as driving and location data) shared through FordPass Connect. Data sharing with Ford can be managed through the in-vehicle settings but this may impact the services available. If the vehicle has an active Stolen Vehicle Services subscription, vehicle connectivity cannot be disabled to ensure vehicle tracking is available in the event of theft. See FordPass Privacy Policy for more information. FordPass Connect enables connected services and is available on selected vehicles or vehicles with navigation. FordPass Connect will be enabled at time of vehicle delivery. You may choose to opt in/out of certain data sharing. Data coverage and service is not available everywhere. Data rates may be incurred. FordPass and Connected Car Privacy Policies apply, available on your local Ford website. **How to Activate & Manage Subscriptions:** Connected Navigation: Customers will be automatically enrolled into Connected Navigation, when enabling the connectivity services of their vehicle (by activating FordPass Connect). Ford Secure: After FordPass Connect has been activated, customers will need to log in to the Ford account on the web and follow the steps to activate this bundle. **All subscriptions can be managed/extended via the Ford account on the web.** There is no auto-renewal, Ford will always let you decide if you would like to subscribe at the end of your trial or extension period.

FORD STREAMING

New to selected Focus vehicles, Ford Streaming offers an exciting range of streaming services to make journeys more fun for everyone.

- **Amazon Music**, podcasts and audiobooks for all ages can be streamed through the audio system. From classical to hip-hop, 80s pop and this week's releases, you can access whatever you're into with a simple command
- **News and entertainment** from some of your favourite media channels lets you hear what's happening in the world of news, sports, TV, film, and celebrity, via Flash Briefings while on the move
- **Fun and games** provide hours of entertainment for children and adults alike. Choose from a wide range of options including music, memory quizzes, Jeopardy!, geography trivia, 'choose your own adventure' quests, plus a whole lot more

You can trial this essential lifestyle streaming service for a complimentary 90 day period, and then continue to enjoy its many benefits for a low monthly fee.

Ford Streaming subscription fee covers data cost that would be incurred when using streaming services. Once activated, you'll get a 3-month free trial to Ford Streaming, after which the subscription will automatically renew unless you cancel. Latest pricing can be found on ford.co.uk/owner/subscriptions. No payment will be collected for the free trial period of 90 days. You will be notified in advance and given the option to cancel automatic subscription renewal before you are charged.

1 EXPLORE

HEIGHTENED AWARENESS

New as standard on ST and available as an option for all X models, Dynamic Matrix LED headlights provide the Focus with outstanding illumination technology. Using speed, steering wheel angle and camera information, the system alters the light for optimal illumination in any condition. At low speeds, potential hazards at the periphery of your vision are highlighted by a large beam, while at motorway speeds the light-beam length increases for visibility at greater distance. In addition, the system alters the light pattern to illuminate bends before you enter them – ensuring your night driving is easier and more relaxing.

Plus, as part of the Dynamic Matrix LED headlights, glare-free high beam provides you the reassurance of increased visibility and reduces risk of dazzling fellow road users.

Focus ST-Line X Estate in Desert Island Blue metallic body colour (option) with Dynamic Matrix LED headlights (option).

1 EXPLORE

YOUR GREAT ESCAPE

Combining the practicality of an SUV with the agility of a hatchback, the Focus Active crossover lets you take on challenges that others can't.

An elevated driving position and tough body mouldings help you command the road. While unique alloy wheels and wider track enhance the car's stability and your confidence in all conditions. Inside, SUV-inspired design seamlessly blends form with function to deliver a cabin perfect for active lifestyles – and includes Selectable Drive Modes technology to put you in control of your own adventures.

Vehicle shown features accessories.

Focus Active X Estate in Chrome Blue metallic body colour (option).

1 EXPLORE

PRE-COLLISION ASSIST⁰²⁾ WITH PEDESTRIAN AND CYCLIST DETECTION*

Monitors your proximity to other vehicles, pedestrians and cyclists – even in the dark, when objects are within the headlight beams – and can alert you to a potential collision. (Standard)

LANE-CENTRING ASSIST⁰²⁾

The Lane-Centring Assist system is designed to facilitate safe and simple lane changing. An add-on functionality to the Lane-Keeping System, Lane-Centring Assist warns you if another vehicle is driving in your blind spot or approaching from behind and guides your vehicle back into lane with a steering intervention**.

*Pre-Collision Assist with Pedestrian Detection can detect pedestrians, but not in all conditions and does not replace safe driving. See owner's manual for system limitations. **Lane-Keeping System does not control steering.

⁰Uses sensors. ²Driver Assistance feature.

Note Driver-assist features are supplemental and do not replace a driver's attention, judgement and need to control the vehicle.

1 EXPLORE

CROSS TRAFFIC ALERT WITH ACTIVE BRAKING⁰²⁾

Sensors scan left and right as you reverse from a perpendicular parking space. The system will alert you if a moving vehicle or other hazard is detected. (Part of the Blind Spot Information System, includes Active Braking) (Option, as part of a pack)

EVASIVE STEERING ASSIST⁰²⁾***

Ford Focus is available with Evasive Steering Assist. The technology is designed to detect an evasive swerve manoeuvre and help you steer around an obstacle in your car's path. (Standard, part of Pre-Collision Assist)

⁰⁾Uses sensors. ²⁾Driver Assistance feature.

***Evasive Steering Assist does not control steering.

1 EXPLORE

HEAD-UP DISPLAY*

Projects key information to your field of vision, so you can keep your eyes on the road ahead. The image displays your choice of content, including vehicle speed, navigation, cruise control, and Traffic Sign Recognition²⁾ data. Compatible with polarised sunglasses. (Standard on ST, option on all other series except Connected)

BLIND SPOT INFORMATION SYSTEM WITH CROSS TRAFFIC ALERT AND ACTIVE BRAKING⁰²⁾

Blind Spot Information System alerts you when another vehicle – car, van or lorry – enters your blind spot while driving. Similarly, Cross Traffic Alert warns of hazards when reversing out of a parking space and can automatically apply the brakes. (Option on all series excl. Trend). Additional assistance is provided for trailer towing. The Trailer Coverage system delivers warnings of vehicles entering or in the radar zone for trailers up to 10 m (33 ft) in length.

*Don't drive while distracted. See owner's manual for details and system limitations.

⁰⁾Uses sensors. ²⁾Driver Assistance feature.

Note Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle.

1 EXPLORE

ACTIVE PARK ASSIST⁰²⁾

Once activated, Focus's Active Park Assist can identify a suitable parallel or perpendicular space and assists you with parking and exit manoeuvres. Simply choose the required gear and use the pedals while the system automatically moves the wheel for you. (Option, available on automatic transmission as part of the Parking Pack)

REAR WIDE-VIEW CAMERA²⁾

Focus's rear wide-view camera provides a clear view to the left and right at the rear of your car when reverse gear is selected*. (Included as part of Parking Pack)

⁰⁾Uses sensors. ²⁾Driver Assistance feature.

*Cameras only operate at speeds under 10 km/h (6 mph).

Note Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle.

1 EXPLORE

EFFORTLESS DRIVING

Congested city streets. Start and stop driving. Focus can help take the stress out of heavy traffic. Adaptive Cruise Control with Stop & Go* will keep you a safe distance from the vehicle in front, even if it slows to a stop. And when the traffic starts moving again, your car will pull away too. While Lane-Centring Assist will gently correct the steering to help keep you within your marked lane.

- **Traffic Sign Recognition⁰²⁾** displays important traffic sign information in the instrument cluster and head-up display
- **Intelligent Speed Assist⁰²⁾** scans traffic signs and uses the detected data to automatically set a speed limit and then regulate your speed accordingly
- **Wrong Way Alert⁰²⁾*** is designed to provide visual and audible warnings if you pass a no-entry sign

⁰Uses sensors. ²Driver Assistance feature.
*Available for models with automatic transmission only. If stop is longer than three seconds, driver must intervene and press 'RES' button or accelerator pedal to resume system operation.
Note Driver-assist features are supplemental and do not replace a driver's attention and need to control the vehicle.

1 EXPLORE

ERGONOMIC SEATS WITH AGR CERTIFICATION**

Ergonomically designed, 6-way power adjustable seats with power lumbar support and AGR accreditation – ideal for your back and for comfort on longer journeys. An AGR classification is the mark of a particularly high standard of back-friendly product. The AGR association researches the prevention of backache, and is widely supported by doctors and therapists. (Standard on ST)

**The AGR quality cachet (Aktion Gesunder Rücken = Campaign for Healthier Backs): Certified and recommended by Association Forum Healthy Back – Better Living and Federal Association of German Back Schools. More information: AGR e.V., Stader Str. 6, D - 27432 Bremervörde, Phone + 49 4761/926 358 0.

1 EXPLORE

PANORAMA ROOF

An openable two-piece panorama roof offers a sky-view to all, no matter where you are seated. Providing an abundance of fresh air when opened, the sliding glass has a solar reflective coating to help keep the interior cool when closed. While an electrically-operated blind provides shade and privacy when required, and even helps to reduce wind noise and turbulence while driving with the roof open. (Option)

B&O SOUND SYSTEM WITH BEOSONIC™ AUDIO EQUALISATION INTERFACE

Personalise your listening experience with the new BeoSonic™ B&O Sound System. Adjust your favourite music just the way you like it, discover different sound spaces and select your personal listening modes using the advanced digital sound algorithm operated via an intuitive interface on the vehicle's touchscreen display. (Option on Titanium, ST-Line and Active. Standard on X series and ST)

The BeoSonic™ trademark is the property of Bang & Olufsen a/s and is applied for, registered and used in multiple jurisdictions worldwide by the owner.

1 EXPLORE

HEATED STEERING WHEEL

Warms up the steering wheel – and your hands – to add another layer of comfort between you and the cold outside. (Standard on Titanium X, Active X and ST-Line X. Option on all other series as part of Winter Pack)

CONTINUOUSLY CONTROLLED DAMPING

Helps you adapt quickly to changing road conditions. Sensors monitor the road surface – and your driving input – every 2 milliseconds, then rapidly adjust the firmness of the dampers for optimum performance in every situation. If a pothole is detected, the system can adjust the shock absorbers to help reduce the impact for a more comfortable ride. (Option on ST as part of Ford Performance Pack, available for 5-door bodystyle only)

HANDS-FREE TAILGATE

Opening or closing Focus Estate's tailgate is easy, even when your hands are full. With the keys in your pocket or bag, simply use a gentle kicking motion under the centre of the rear bumper and the tailgate will operate without you having to touch a thing. Can also be opened and closed while sitting inside the car. (Option)

2 SELECT

With a choice of exterior and interior styling, there's a new Ford Focus that's right for you.

SERIES OVERVIEW

Titanium

Focus Titanium delivers elevated levels of sophistication and comfort, from superior quality materials to additional technologies.

Titanium X

A higher level of standard equipment and styling elements ensures Titanium X offers the best in class technology and comfort.

Active

Combining the practicality of an SUV with the agility of a hatchback, the sporty Focus Active lets you take on the challenges others can't.

Active X

Superior levels of sophistication and comfort combined with premium materials and textiles, additional technologies and unique styling elements.

ST-Line

The striking ST-Line has a distinctly sporty character, thanks to its unique exterior styling and interior detailing.

ST-Line X

Combining the sports stylings of ST-Line with the luxurious and technologically-advanced X series, ST-Line X delivers a memorable driving experience.

ST

Designed with keen drivers in mind, Focus ST adds even more sporting prowess with all-new Ford Performance seats.

ST TRACK PACK

- Ford Performance KW Suspension
- 363 mm brakes with Red 4 Piston Brembo® calipers
- Pirelli P-Zero Corsa tyres
- 19" Flow-form alloy wheels in Absolute Black
- ST spoiler, rear diffuser, mirror caps, front bumper wings and roof – all finished in an Agate Black

WINTER PACK

- Heated steering wheel
- Heated driver and passenger seats

2 SELECT

DRIVER ASSIST PACK

- Adaptive Cruise Control (for manual transmission)
- Adaptive Cruise Control with Stop & Go and Lane-Centring (for automatic transmissions)
- Driver Alert
- Blind Spot Assist with Cross Traffic Alert and Trailer Coverage*
- Traffic Sign Recognition
- Auto high beam

PARKING PACK

- Door edge protectors
- Active Park Assist (for manual transmissions and EcoBoost Hybrid 7-speed PowerShift)
- Active Park Assist 2 (for 8-speed Automatic Transmissions)
- Rear wide-view camera

*Trailer Coverage requires a tow bar to operate. Tow bars are available as an option and as an accessory.

ST-LINE DESIGN PACK

- ST-Line branded front scuff plates
- Red painted brake calipers
- Pedal set with aluminium covers

Note Sensico® is a Ford EU trademark for premium synthetic upholstery developed for automotive interiors. As a vegan upholstery, it combines a premium, soft feel, is durable and looks great. Maintenance friendly it is easy to clean and protected against stains and odour. With a high-quality appearance Sensico® feels not only great sitting on during a long journey but gives also a good conscience since it is not animal based. It is the peace of mind design for modern, aspiring car drivers.

4 SPECIFICATIONS

POWER

Get to know your Ford Focus inside and out, from its intelligent engine technology to its generous loadspace.

CHOOSE YOUR LEVEL OF 'VROOM-VROOM'

However you like to drive, the Ford EcoBoost Hybrid petrol engine delivers gutsy yet economical performance that will put a smile on your face.

- 1 Belt-driven integrated starter/generator (BISG)**
The BISG acts as an electric motor, seamlessly integrating with the petrol engine to provide additional torque during normal driving and accelerating. While the **EcoBoost Hybrid PowerShift** improves fuel economy by keeping the hybrid engine at optimum speed for efficiency.
- 2 48-volt battery**
The lithium-ion battery that powers the electric motor is located under the front passenger seat. It is automatically recharged while you drive, and by regenerative braking that reclaims energy as you slow down.
- 3 1.0L Ford EcoBoost petrol engine**
The Focus EcoBoost Hybrid is available with a 125 PS (92 kW (plus 16 PS (12 kW) electric)) Ford EcoBoost petrol engine.

Note For further fuel efficiency and emissions information, see Section 4, fuel and performance.

⁹⁰Ford test figures. ⁹The declared Fuel/Energy Consumptions, CO₂-Emissions and Electric range are determined according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EU) 2017/1151 as last amended. Light Duty Vehicles type-approved using the World Harmonised Light Vehicle Test Procedure (WLTP) have Fuel/Energy Consumptions and CO₂-Emission information for both New European Drive Cycle (NEDC) and WLTP. WLTP is a new, more realistic test procedure for measuring fuel consumption and CO₂ emissions and fully replaced the NEDC by end of 2020. The applied standard test procedures enable comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO₂ emissions and electric range. CO₂ is the main greenhouse gas responsible for global warming.

[#]Represents the lightest kerbweight assuming driver at 75 kg, full fluid levels and 90% fuel levels, subject to manufacturing tolerances and options, etc., fitted. Towing limits quoted represent the maximum towing ability of the vehicle at its Gross Vehicle Mass to restart on a 12 per cent gradient at sea level. The performance and economy of all models will be reduced when used for towing. Roof load is a maximum of 75 kg on all models. Gross Train Mass includes trailer weight.

Illustrations, descriptions and specifications. This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of products from our suppliers. Fitment of accessories may have an impact on your vehicle's fuel consumption. **+** The identified accessories are carefully selected third party supplier branded accessories which do not come with a Ford warranty but are instead covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. The iPod word mark and logos are the property of Apple Inc. Other trademarks and trade names are those of their respective owners. **Note.** Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.
