HYUNDAI *i20*

▣ Seats to suit all

The driver's seat features multiple adjustments including height adjustment. This, combined with its attractive ergonomic design ensures a safe and comfortable driving position.

Comfort and convenience guaranteed

The i20's bright, modern interior is a revelation. It contains a wealth of standard equipment, all beautifully put together. Everyday essentials such as the air conditioning and an audio system with fingertip controls on the steering wheel are within easy ergonomic reach. Neither need you be without your favorite music. One console even contains a built-in jack for an MP3 player.

Specifications, features and equipment shown here are subject to change without prior notice and may not be applicable in Ireland. Hyundai Cars Ireland reserves the right to change specifications and equipments without prior notice. Please contact your local Hyundai Dealer for full information.

▣ Information centre

The instrument panel's critical dials - a speedometer, engine rev counter and fuel gauge - are simple and clear. They surround a cluster of warning lights and a digital display panel that can reveal the trip distance, outside temperature, distance to empty and fuel consumption rate.

▣ Key moment

The careful dynamic design ethos can be found even in the ignition key fob, which has a remote locking and unlocking facility and convenient folding bayonet.

Style, space and versatility

Intelligent design has created a car with a spacious interior. More than that, though, the space is used to provide practical and versatile solutions for different carrying requirements. Like the eye-catching exterior, the interior is superbly designed and beautifully put together using top quality materials. With high levels of comfort and numerous convenience features, the i20 cocoons you on your journey through the rigors of the modern world.

▣ Guaranteed comfort

The standard air conditioning on all i20 models (automatic climate control on Deluxe models) ensures maximum comfort for all on board. Whether you require heat on a cold day, refreshing cool air on a warm day or simply clear windows all round on a wet day, the i20 will keep the climate under control.

The focus of attention: the all-new i20

There's a shape on the street and its called the Hyundai i20. Sharp and stylish on the outside , spacious and versatile inside, it combines comfort, safety and reliability in a package that is affordable and economical.

Flexibility

The i20 has an airy interior with lots of space, including a trunk capacity of 295 litres even when the rear seats are in use. The space is used to generate practical and versatile solutions to meet your carrying requirements. That all adds up to really intelligent flexible space.

Performance and economy

There is an i20 for everyone. There are two levels of trim and a choice of 10 body colours, vibrant or muted according to preference. At the heart of the car is the 1.2 Litre petrol engine that gives the Hyundai i20, performance, economy and refinement.

□ Transmission

On the transmission front (above), a super slick five-speed manual gearbox is standard equipment across all models in the range.

□ 1.2-litre petrol

Powering i20 is a brand new 1.2 litre 16 valve petrol engine capable of producing 78BHP. However, this level of power for a city car comes at a price - a very low price. The only meagre figures associated with this new engine are the fuel consumption and CO2 emissions.

Intelligent integrated protection

The i20 features, computer designed and rigorously tested, impact protection that includes a rigid passenger cell, triple load distribution paths and impact absorbing structures. In addition, interior features such as 6 airbags, strategic padding and active headrests, which automatically guard against whiplash, head and neck injuries. All backed up with, an array of active safety measures including super precise handling, advanced ABS, to ensure that no matter how bad the conditions are, all the control you need is at your finger tips to keep you safe

❑ Power Windows

The electronically operated windows have automatic power cut-offs if they come into contact with anything solid such as a passenger's finger.

❑ Outside Mirrors

Each of the two outside mirrors is electrically powered. They also have complete folding facilities for when space is tight.

❑ Audio System

The integrated audio system features RDS radio, CD player and connection point for iPod or other external device (USB & Auxiliary). For added convenience and safety, the main functions for the audio system can be controlled from the steering wheel

❑ Climate Control

Air conditioning is standard equipment in all i20 models, with the Deluxe featuring fully automatic climate control. Irrespective of your specification choice you can be assured of a comfortable environment within your i20.

❑ Adjustable Steering Wheel

The steering wheel is linked to tilting and telescopic actions that help different drivers to find their favourite seating positions.

❑ Height Adjustable Driver's Seat

The height of the driver's seat can quickly and easily be adjusted.

❑ Adjustable Rear Headrest

The rear seats are equipped with helmet style up and down head rests for increased comfort and safety

❑ AUX, USB and i-Pod Terminal

To hear music or other contents from various external instruments, for example iPod or USB, a multiauxiliary terminal in the centre fascia is provided..

❑ Cup holders

An open compartment in the central floor console is a handy place to stow the small items that will be needed on a journey.

❑ **Glove Box**

The illuminated glove box is linked to the air conditioning system to keep its content cool. A bonus when temperatures soar.

❑ **Door Pockets**

Each front door has a generous built in pocket that can take large files, notebooks or maps.

❑ **Back Seat Pockets**

Yet more storage space for magazines, maps and books, this time in a pocket in the back of the passenger seat.

❑ **Bag Hook**

A carrier bag or a clothes hanger can be suspended from a built in hook on the back of each front seat.

❑ **Sun Visors**

Sun Visors in the i20 incorporate a vanity mirror and a slot for toll or parking tickets.

❑ **Coat Hook with Grab Handle**

Hidden coat hook in assist handles on the side of the roof help you to keep your dresses or suits in their best shapes, while grab handles for the convenience of passengers fold upwards and out of the way when not in use.

❑ **Cargo Net**

A cargo net for the floor is practical and essential in a vehicle with a cargo area as large as the i20s.

❑ **14" Alloy Wheels**

Standard models are equipped with 14" alloy wheels.

❑ **14" Alloy Wheels**

14" Alloy Wheels.

ENGINE

Type	K-1.2 (Petrol)
