new SPACE STAR

The Space Star is an all-new compact car from Mitsubishi Motors that sets the pace in terms of economy and efficiency. Engineered from the ground up to maximise fuel economy and minimise Co2 levels, it delivers up to 70 miles per gallon with Co2 emissions of 100 g/km and under, meaning the Space Star falls into the very affordable tax band A2.

What is even more remarkable about the Space Star is that all this efficiency comes with so little sacrifice. Constructed of high-tensile steel the Space Star is light enough to be peppy and nimble yet roomy enough to be an ideal family car and comfortably seat 5 adults.

Plus, all Mitsubishi passenger cars now come with an 8 year / 150,000km warranty as standard - Ireland's longest warranty.

MITSUBISHI SPACE STAR

Standard Equipment

Model	Fuel Economy	CO2 Emission	Tax Band
1.0L 71PS Invite 5MT AS&G	4.0 l/100km	92 g/km	A2 / €180
1.2L 80PS Intense 5MT AS&G	4.3 l/100km	100 g/km	A2 / €180
