

Innovation  
that excites

# NISSAN JUKE

**WHAT IF\_**

# **YOU COULD HAVE A SPORTS CAR, AN SUV, AND A THRILLING RIDE ALL IN ONE?**

It's a lot to ask, but JUKE delivers big with a higher ride, quicker response, customisation on the fly, and a distinct ability to turn heads. This unique Sport Cross gives you serious boost along with efficiency, and an innovative All-Wheel Drive system that actually turns power into grip. Want style? You can customise just about every detail, inside and out, to make it unique to you. With JUKE, you really can have it all.

### Hooded Gauges

The sport bike-inspired circular gauges with hood cover add an extra-sporty look to the instrument panel.

### Sport-bolstered Seats

Special seat bolsters help hold your body in place during active driving, and add a little style to the ride.

### Retractable Sunroof

Up the thrill with a retractable sunroof that opens up to let the outside in, day and night.

**Ready to ride?** Inside JUKE, you'll find a pulse-raising centre console inspired by the radical lines of an Italian sport bike. Circular gauges help keep the controls, and your thrills, in check. Unique stitching on the sport seats, steering wheel, and gear knob (excluding Xtronic gearbox) keep you feeling gripped in. Now, prepare for the ride of your life.

**NISSAN DESIGN STUDIO**

# **DARE TO DIFFER.**

Imagine the excitement you'd feel if no one on the road had a ride like yours. Our Nissan Design Studio allows you to customise JUKE straight from the factory with a creative line of personalisation packs for interior and exterior. They include your choice of colour for trim, fabric, moulding, and more, along with coordinated 18" alloy wheels. It's an intensely unique experience. Part dare. Part thrill. All you.

**WINDOW SWITCH FINISHERS.** Get to grips with coloured window switch finishers in Detroit Red, London White, San Diego Yellow, Tokyo Black.

**COLOURED STITCHING.** Get your look all sewn up with colour-coordinated stitching on the steering wheel, meter hood and gear knob (excluding Xtronic gearbox).

## WELCOME TO THE NISSAN DESIGN STUDIO

### INTERIOR PACKS

The Nissan Design Studio features a creative line of interior packs that add a vivid personal touch to JUKE's new cabin interior. Choose a full colour trim with matching details in Detroit Red, London White, San Diego Yellow, or Tokyo Black.

**SPORTS SEATS.** Energise your ride in premium sports seats with striking Detroit Red, London White, San Diego Yellow, or Tokyo Black trim to match your chosen ambiance

**CENTRE CONSOLE.** Highlight the centre console in the gloss of your choice and accentuate with matching air vents and door trims.

**SPORTS BUMPERS.** Create more impact with brightly coloured front and rear bumper finishers.

**COLOURED ALLOY INSERTS.** Choose your coloured inserts\* to complete your personalised design and get noticed.

**CONTRASTING FINISHERS.** Opt for headlight and door mirror cap finishers in a contrasting colour to make an alternative statement.

## EXTERIOR PACKS

JUKE's impressive new styling cues come alive with Nissan Design Studio's creative line of exterior packs, featuring colour-coordinated bumper and headlight finishers, mirror caps and vibrant alloy wheel inserts.

\*Please perform dealer inspection after three years and re-new the inserts if needed.

**POWER THE ROAD LIKE A PRO.**

## CHOOSE TO OUTPERFORM.

The perfect balance of power and efficiency are yours with JUKE. Its most powerful offering, the 1.6L Petrol DIG-T engine, provides turbo boost for greater low-end torque, and fuel-sipping economy with its compact engine design and advanced direct ignition. Choose Xtronic with Sport Mode and you'll feel both a seamless wave of power and the gear-shifting thrill that comes with Sport Mode. Or check out the new 1.2L DIG-T paired with a 6-speed manual. It delivers a torque-rich kick while cutting back on CO<sub>2</sub> emissions. Of course, whichever engine you choose, from the powerful 1.6L DIG-T to the fuel-efficient diesel, peak performance comes standard.

ENGINE / TRANSMISSION	SIZE (L)	OUTPUT (ps)	TORQUE (nm)	CO <sub>2</sub> EMISSIONS (g/km)		FUEL CONSUMPTION (L/100km)					
				16" & 17"	18"	Urban Cycle		Extra-Urban		Combined	
						16" & 17"	18"	16" & 17"	18"	16" & 17"	18"
<b>1.5-L dCi 6MT</b>	1.5	110	260	104	107	4.4	4.6	3.8	3.9	4.0	4.1
<b>1.6-L 5MT</b>	1.6	94	140	138*	N/A	7.6*	N/A	5.0*	N/A	6.0*	N/A
<b>1.6-L Xtronic</b>	1.6	117	158	139	142	7.5	7.6	5.1	5.2	6.0	6.1

## NISSAN DYNAMIC CONTROL SYSTEM

# CHANGE YOUR MOOD ON THE FLY.

JUKE's Nissan Dynamic Control System lets you change up your ride with the push of a button. Whatever mood you're in, JUKE has a mode for it. You can custom-tailor your drive, adjust the climate, monitor stats on your performance, all while you're out and about.

**Performance Expert.** Get torque, boost, or efficiency right when you want it. In Normal mode, you'll find the perfect combination of performance and efficiency. Switch to Sport mode and immediately feel the steering, transmission (Xtronic gearbox only), and throttle response adjust for more responsive driving. And when it's time to steady your pace, hit the Eco mode button to get the most out of every fill-up.

Shown in  
D-Mode Interface

**Stats Keeper.** Stay up on your performance stats through the Nissan Dynamic Control System drive computer. It stores information about everything from maximum G-forces to trip mileage to daily fuel economy. The more information you have, the smarter you'll drive.

Shown in  
Climate Interface

**Double Agent.** In addition to ride style, Nissan Dynamic Control System lets you control interior comfort. Simply switch from D-Mode to Climate Mode, and the display changes over to all the selections you need to make the cabin as toasty or cool as you like.

# NISSAN ALL-MODE 4X4-I WITH TORQUE VECTORING LEFT OR RIGHT, THE POWER IS ON YOUR SIDE.

Instead of traditional All-Wheel Drive (AWD) systems that only distribute power from front to back, the torque vectoring AWD that's available on JUKE adjusts power side-to-side to the rear wheels. When cornering, this means the outside rear wheel gets more power, helping you rotate into the curve and accelerate out.

## Torque Vectoring

In a turn, this multi-sensor system automatically transfers rear-wheel power to the left or right, depending on which needs it more, so any change in direction can be performed smoothly and securely.

# 354 L

**CARGO  
CAPACITY**

## **PACK IN THE UNEXPECTED**

JUKE comes with increased roominess inside, receiving a best-in-class boot capacity rating. Contributing to its space and flexibility is the 2-stage adjustable cargo floor (2WD only). With the second-row seats up and cargo floor lowered, there is plenty of space in the back for large luggage. Fold the seats down and you can adjust the floor to a higher position, creating a flat cargo floor.

### **Adjustable Cargo Floor**

Large luggage fits surprisingly well inside JUKE. Simply adjust the cargo floor down, and there is ample space for your gear behind the second-row seats.

### **Flat Cargo Floor**

Longer items are far easier to store on a flat surface. Fold the second-row seats down and adjust the cargo floor up to create a flat floor surface. And for any items you want hidden, you'll find a covered storage area under the cargo floor.

**Ramp up the refinement.** Premium touches make every drive a little more special. Shed light on your thrill-seeking adventures, day or night, with the power sliding, retractable sunroof. The Nissan Intelligent Key lets you lock and unlock the doors without taking the key out of your pocket.

NissanConnect

NISSANCONNECT

# INNOVATION THAT KEEPS YOUR WORLD WITHIN REACH

**SMART AND FUNCTIONAL.** The NissanConnect is packed with a rich range of features and is incredibly easy to use thanks to the high resolution 5.8" anti-glare touchscreen. With a powerful combination of audio, navigation and communications functions, as well as cutting edge connectivity and smartphone integration features.

**CONNECTED WHEREVER YOU GO.** NissanConnect offers Smartphone integration. Enjoy of an ever evolving list of applications\* from the comfort of your Nissan's display screen, all tailored to enhance your overall driving experience in a safe way. Your JUKE will become an integrated piece of your connected lifestyle, just like your smartphone, tablet and computer.

**INTELLIGENT DRIVER ASSISTANCE** and navigation functions support you in all kinds of traffic situations.

**STREAMING AUDIO VIA BLUETOOTH®.** Enjoy digital radio, Over The Air internet radio or stream music from your mobile phone.

**IPOD/USB INPUT.** Plug in your iPod or MP3 player to access your entire music library while you're on the road.

\*Driving is a serious business. Only use NissanConnect services when safe to do so. Some applications may have late introduction. NissanConnect service subscription required but is available on a complimentary basis for 2 years from purchase. Service and applications only available in select European countries and on select Nissan models. Service and applications may be provided by third parties outside Nissan's control, and are subject to change without notice or liability to Nissan or its agents (including, without limitation, services cancelled/suspended by third parties). Certain remote functions require compatible phone or device, not included with vehicle. Cellular networks are provided by cellular companies, and are not within Nissan's control. Cellular networks not available in all areas. Roaming charges and/or data usage charges may apply. Nissan is not responsible for any equipment replacement or upgrades or associated costs that may be required for continued operation due to service changes.

## NISSAN AROUND VIEW MONITOR

# IT'S GOT YOUR BACK, AND THE REST OF YOU TOO.

**What if parallel parking was easier?** A rearview monitor is great when reversing – but when it comes to parking, it's nice to see more than just what's behind you. That's why JUKE offers an Around View Monitor. Four cameras give you a virtual 360° bird's-eye view of your vehicle, with selectable split-screen close-ups of the front, rear, and kerbside views, so you can get a better look. And since all obstacles aren't stationary (shopping carts, we're talking to you), Moving Object Detection keeps an eye around your JUKE and can warn you about moving objects detected in your vicinity.

**LOOK OUT BELOW.**

In Reverse, the display helps you see what's directly behind you, while the overhead view helps with shorter objects otherwise hidden below your window.

**COMPLETE THE PICTURE.**

Located under your driver's side mirror, this camera helps round out your virtual 360° bird's-eye view, whether you're in Drive or Reverse.

**SPARE YOUR WHEELS.**

In Drive or Reverse, you can push the camera button to switch out of overhead for a side view. A great help for seeing how close you are to the kerb.

**DON'T BUMP YOUR NOSE.**

In Drive, the display gives you both a front and overhead view, so you know just how far to pull up – without going too far.

# NISSAN SAFETY SHIELD PHILOSOPHY

## SURROUND YOURSELF WITH CONFIDENCE.

**Wouldn't it be cool if** you had the confidence you need for every part of your drive? The Nissan Safety Shield technologies are a comprehensive approach to safety that guides the engineering and development of every vehicle we make. The features described here are just some of many on your Nissan, helping to protect you and yours by focusing on three key areas: keeping an eye on your vehicle's systems and the surroundings, assisting in handling unexpected situations, and helping to keep you safe in the unfortunate event of an accident.

**6 Standard Air Bags.** When a collision is unavoidable, Nissan's Zone Body Construction helps absorb the impact, while the advanced seat belt and air bag systems help protect passengers.

**Electronic Stability Program (ESP).** Nissan's Electronic Stability Program system automatically activates the ABS and traction control features to help you stay in control during difficult manoeuvres like a sudden lane change.

### Moving Object Detection

Around View Monitor doesn't just help you park, it also helps you reverse out of a space safely. Its Moving Object Detection feature gives you a visual and audible alert when it detects movement by the vehicle.

### Blind Spot Warning System

If another vehicle is detected in your blind spot area, an indicator appears, which then flashes and chimes if you put on your turn signal as if to make a move.

### Lane Departure

This system gives you a visual and audible heads up if it detects you straying from your lane. It's so smart, that it's designed to stop the warnings when you engage your indicator.

**Safety Award** JUKE was awarded the maximum five-star rating by EURO NCAP (European New Car Assessment Programme).

## LOUNGE PACK

1

2 3

4 5

6 7

**STAMP YOUR STYLE ON JUKE** combining chrome finishers, contrasting colour accents and smart, practical accessories like mudguards & trunk mats. ## **NISSAN** SERVICE PLAN

---

Nissan Service Plan is the easiest way to give your Nissan JUKE the maintenance it deserves while you save money in the long run. Nissan Service Plan provides a convenient and easy solution, enabling you to spread the cost of your servicing needs by making low monthly payments rather than having to pay the full amount all at once. Nissan Service Plan also ensures that your Nissan Juke is serviced in line with manufacturers recommendations/specifications giving you peace of mind motoring. A well maintained vehicle offers Nissan drivers safety, reliability and economy with a “FSH” (Full Service History) also protecting future residual re-sale values. Nissan Service Plan customers can also rest assured that your vehicle is maintained and serviced by qualified Nissan technicians using Genuine Nissan Parts.

## **NISSAN** EXTENDED WARRANTY

---

Nissan 5 year Extended Warranty provides you with ongoing protection after the standard warranty ends. Protect your JUKE for longer with our comprehensive Extended Warranty cover to extend your cover to 5 years or 150,000kms whichever comes first. The Nissan Extended Warranty covers the cost of repairing or replacing covered mechanical or electrical components should they expectantly breakdown due to warrantable defect of material or workmanship during the period of cover. If you sell your Nissan privately, you can transfer the cover to the new owner adding value to your vehicle when your sell. Transfers are free.

---

### **AT NISSAN, YOU BRING OUT THE BEST IN US.**

---

You spark our imagination. You provoke our ingenuity. You inspire us to change the rules and innovate. And at Nissan, innovation is not just about additions and extensions; it's about crossing the line to reinvent the status quo. It's about developing unexpected solutions to satisfy your wildest and most pragmatic desires. At Nissan, we design cars, accessories and services that break the mould - making the practical exciting and the exciting practical to offer you a more exhilarating driving experience everyday.

#### **NISSAN JUKE OFFERS YOU:**

**3-YEAR WARRANTY OR 100,000 KM  
YEARLY OR 30,000 KM INTERVAL  
FOR DIESEL ENGINES**

**YEARLY OR 20,000 KM INTERVAL  
FOR PETROL ENGINES**
