## **AN ENGINE WITH REAL ATTITUDE.**

**START ME UP.** 100PS from a punchy 1.4i engine.

**SAVE YOUR ENERGY.** It also comes with Start/Stop technology, too.

This clever system saves fuel by switching the engine off when you stop in traffic, then starting it back up as soon as you put your foot down.

All totally smooth and automatic – while saving you money.

**TAKE IT EASY.** If you're a creature of the city you'll also love City Mode, a smart feature that lightens the steering to make parking a doddle.

And, if a tricky situation arises, the ever-present ESP is there to reduce the possibility of losing control. And you're cool.

Style Pack, Urban Pack and Red 'n' Roll brilliant paint are optional at extra cost.
