Drive your way™

SANTRO eco LPG

DRIVE MORE, SAVE MORE

Good for your pocket. Good for the surroundings.

The all new Santro Eco is a bi-fuel car running on both LPG and Petrol,

thanks to its intelligent and peppy 'eRLX engine'. With easy petrol to LPG shift, different fuel tanks for

LPG and petrol and low running cost, this variant is another marvel from Hyundai.

LPG as a fuel option promises unmatched performance and low operational costs.

It ensures a cleaner environment as well. With all the goodness of a Santro and some added advantages,

Santro Eco naturally qualifies to be first choice for your first car.

eRLX
"active intelligence" technology engine

63ps@5500rpm
9.8 kgm of torque@3000rpm
Now with higher torque at lower rpm
for excellent pickup

SANTRO eco LPG

- NO COMPROMISE ON BOOT SPACE
- 2 YEARS UNLIMITED WARRANTY
- COMPANY FITTED KIT
- RUNS ON LPG & PETROL

The sensibly designed Toroidal LPG tank

The company fitted Korean made Toroidal LPG tank in the all new Santro Eco is specially designed and is smartly located so that it does not eat up much of the useful bootspace. There's enough room left to accommodate for a spare tyre, your weekend luggage and much much more.

Impact resistant & safety fitted LPG tank (27.2 Litre)

Easy to switch between LPG & Petrol

Spacious boot for your weekend luggage

SANTRO XING - FIRST CAR. FIRST CHOICE

Santro has proved to be the best compact car in India, thanks to its excellent design and extensive testing for over 100,000 kilometres in real Indian road and climate conditions. Xing with it's aerodynamic styling, power-assisted brakes, the advanced suspensions, the uniquely responsive technology is as much a magnificent creation of our drive to delight you as much as a benchmark in engineering excellence. Santro thanks to the worldwide proven technology and over 12 lac customers who have made Santro the first choice for their first car.

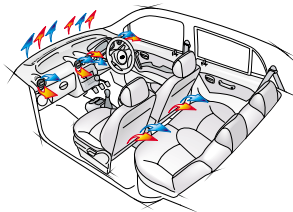

Crumple zone safely absorbs impact force

The first car for your family has been tested for safety on one of the most grueling test tracks in the world. Tested for frontal and offset impact, it just takes off the burden from your mind when you drive with your family. It offers no-compromise safety to all occupants.

Air-Ventilation System

Comfort as a detail is to its depth when it comes to driving the Santro. Same is the reason why the Air Conditioning and the ventilation system inside the car is so designed to give all round comfort to the driver and passengers. The ventilation ducts, produce a circulatory effect inside the car providing total body comfort and absolutely relaxed driving feel, keeping you shielded from dust and uncomfortable weather conditions.

Fits in your world

The Santro comes with an awesome Space Wizard design that provides more space than you can imagine. Its variable seat folding options also make for versatile combinations.

Born with a Friendly Attitude

It doesn't take great wealth to enjoy great comfort. All it takes is a few minutes inside new Santro Air Conditioning, Power windows and a host of other user friendly features are included for your driving pleasure. All in all, Santro offers a wealth of features that you will appreciate more with every drive.
