

HYUNDAI

NEW THINKING.
NEW POSSIBILITIES.

SANTRO Xing

PETROL

LPG

THE HYUNDAI SANTRO. INDIA KI JAAN.

First Car. First Choice.

13 years on, the Hyundai Santro is still India’s favorite compact, and there’s no prize for guessing that. From the iconic tall-boy design to the world class styling, from unmatched comfort to the high performance engine at its heart, there’s no doubt that Hyundai Santro has been the ultimate performer.

Introducing Santro GL Plus - Loaded with features

Now this ultimate performer just got better. Because Santro GL is now GL Plus. With body-colored bumpers, central locking and front power windows, it’s a car that’s loaded with features. Add to this, Santro GLS now comes with 1 Din audio system as standard fitment. No wonder, the trust of more than 16 lakh Santrowale for over 13 years, keeps us going.

- Body-colored Bumpers
- Central Locking
- Front Power Windows

TECHNOLOGY TRUSTED BY MILLIONS: eRLX

The Hyundai Santro sports the revolutionary eRLX, Active Intelligence Technology engine which has already won the trust of millions for over a decade. This engine encapsulates three cutting-edge systems that empower the engine to think and operate at its best under any usage condition, delivering peak power and optimal mileage.

RHiA - Rotary Head Intelligent Valve Actuator makes valve open and close smoothly, delivering more power while reducing engine workload.

DPiI - Differentially Programmed Intelligent Injection feeds the engine with fuel differently under different driving requirements, delivering exceptional power and efficiency.

RTiI - Real Time Intelligent Ignition determines the perfect time to ignite the fuel and air mixture, resulting in ultra-low emissions, superb mileage and excellent power.

Radiator Grille

1.1 L Petrol Engine

Full Wheel Cover

Rear Spoiler

Metal Finish Air Vent Grill

Audio with AUX and USB

Rear Parcel Tray

Radiator Grille

The front radiator grille gives the Hyundai Santro a refreshing look.

Full Wheel Cover

With full wheel covers, the Santro is aesthetically more appealing.

Rear Spoiler

The rear spoiler traces the body contours to provide excellent aerodynamic stability to the car at high speeds and windy conditions. This feature also gives India’s favorite compact a sporty look.

Sporty Integrated Front Seats

The integrated front seats of the Santro trim add to its style quotient.

Metal Finish on Centre Fascia / Air Vent Grille

The Hyundai Santro’s premium look and feel can also be attributed to the refined metal finish on centre fascia / air vent grille.

Rear Parcel Tray

The rear parcel tray increases the utility quotient in the Hyundai Santro.

Two - Tone Seat Upholstery

The two-tone seat upholstery in the Hyundai Santro blends beautifully with the interiors, lending an air of sophistication. The fabric used is of an equally superior quality and extremely durable.

Non - AC

GL Plus/GLS

Two - Tone (Beige & Brown) Interiors

The interiors of the Hyundai Santro have a rich two-tone Beige and Brown color scheme. This has surely added a pinch of elegance and style to the great looks.

Safe Zone

Safety is an integral part of the Santro’s total car engineering design. Every single system in the car works in unison with the other to make it a safe bet on Indian roads. Tested for frontal and offset impact, the Santro meets stringent safety norms and ensures comprehensive safety for all occupants. Making sure that each drive of yours is wonderfully hassle free.

GREEN WHEELS THE SANTRO ECO LPG

The Hyundai Santro is also available in a bi-fuel variant, running both on LPG and petrol - the Santro ECO. With easy petrol to LPG shift, different fuel tanks for LPG and petrol and high fuel-efficiency in both cases, this variant is another marvel from Hyundai.

LPG as a fuel option promises brilliant performance and low running cost. Besides being good for your pocket, this variant is good for your surroundings as well. So go, drive your way to a cleaner and safer planet with the Santro ECO.

- No compromise on boot space
- 2 years unlimited warranty
- Company fitted kit
- Runs on LPG and Petrol

The Toroidal LPG Tank
The company fitted Toroidal LPG tank is specially designed and is smartly located so that it does not eat up much of the useful bootspace.
