

**EXPLORE
THE IMPOSSIBLE**

**THE ALL-NEW
THAR**

HERE IS WHERE IMPOSSIBLE BEGINS

They say, once in every generation comes something that changes the very course of history.

Say hello to the All-New Thar.

The Thar's iconic design gets a contemporary spin in its new avatar giving it an uber-cool and neo-retro appeal.

Performance is the name of the game and with the legendary capability synonymous with its predecessors, the All-New Thar rewrites all rules out there.

Coupled with state-of-the-art technology and new-age features that make city rides just as exhilarating as your off-roading escapades.

Enough said, Are you ready to explore the impossible?

WHEN RETRO MEETS NEW AGE SUAVE.

Ask a child to draw a car and what you'd get is the iconic form factor that's the Thar's identity. Something that has remained unchanged since day one and always will.

TIMELESS GOOD LOOKS

The All-New Thar retains its iconic front profile, with its distinctive front grille paired with minimal round headlamps. One look and you'll know what love at first sight really means.

CAPTIVATING LED DRLs

The All-New Thar sports a new pair of fender-mounted daytime running LED lamps that give it extra visual oomph from the front.

A BEAST OF A BUMPER

The purpose-built bumpers do away with the paint on their outboard ends to prevent scratches while in the city or out in the wild.

STYLE MEETS STRENGTH

The All-New Thar marries unmatched performance with an impressive sense of style, thanks to its Deep Silver 45.72 cm R18 alloy wheels.

YOUR OWN PRIVATE COCOON

Prefer your own private cocoon? Here's the hard-top variant which is designed to meet the refinement levels that'll make your drive as smooth as floating through clouds.

WIND IN YOUR HAIR

Opt for the Manual Convertible Top variant of the All-New Thar to enjoy your expeditions with that wind-in-the-hair feeling. It's the ultimate expression of flamboyance while letting you be one with the outdoors.

RETRO IS BACK

The All-New Thar's LED tail lamps enhance visibility and their stylish retro look is sure to catch eyeballs anywhere you go.

EMPEROR OF ALL TERRAINS.

Ragged, uncompromising, tough – these are some of the words used to describe the Thar's playground.

LEFT FOOT ON LEAVE

Get your new Thar to do some of the heavy lifting. With its new 6-Speed Automatic Transmission, shifting through gears is now a breeze. Impossible terrains will just feel like a walk in the park.

GEAR UP. REVHEADS

If you've got a wild streak and fancy pushing the All-New Thar to its limits, the 6-Speed Manual Transmission is the one for you. Enjoy the rush of power in your hands.

D117

LET THE POWER PLAY BEGIN

Mahindra's next-generation D117 and mHawk 130 Diesel Engines ooze torque and raw power, ready to do your bidding even on the toughest mountain inclines. From great to greatest, there's no terrain that this diesel-powered behemoth can't conquer.

THE THOROUGHbred STALLION

The all-new mStallion 150 is Mahindra's first-ever TGD Petrol Engine – a spirited, powerful and torquey motor that's perfect for revheads everywhere. The game is about to change with this beast.

SWITCH IT UP

The new Thar boasts of a segment-first electric driveline disconnect function for a seamless transition from 4x2 to 4x4 mode

ALL-TERRAIN SUSPENSION

Enjoy superior off-roading traction and smooth handling on paved roads with the Thar's All-New suspension with a combo of Independent Front Suspension and Multi-Link Rear Suspension.

GO ANYWHERE

Seamlessly switch into 4x4 mode with the manual shift 4x4 Transfer Case with Low Ratio with a manual shifter that's full of old-school charm.

TRUE BLUE SUV CONSTRUCTION

The All-New Thar's authentic 3rd Generation Body-on-Frame Construction chassis can handle absolutely any terrain without breaking a sweat.

GET A GRIP

Whether there's road or no road, it's not a problem for the All-New Thar's all terrain 255/65 R18 tyres that offer great comfort and grip

NO SLIP UPS

Advanced Electronic Brake Locking Differential that electronically locks up all axles in slippery conditions for maximum traction

AS PREMIUM INSIDE AS LEGENDARY OUTSIDE.

The all-new interiors have everything it takes to make your ride as comfortable and fun as possible.

PARTY ON THE ROOF

With the All-New Thar's Roof Mounted Speakers, the concert's on 24x7, as you groove to your playlist even while wading through knee-deep water.

GLUED TO YOUR SEAT

Sporty front seats with body-hugging contours to keep you comfortably planted even during the bumpiest rides.

BACK TO THE FRONT

Front-facing rear seats with 50:50 split that let rear seat passengers travel comfortably for long distance and fully fold to fit in extra luggage.

THE HEIGHT OF SEATING

Drive comfortably while being seated at your preferred height with the new Thar's height adjustable driver seat.

NO DOOR THRILLS

Out on an off-roading adventure? Experience the thrills of driving without doors as you can remove and fix the doors on the All-New Thar with super ease.

LOCK AND LOAD

With the All-New Thar's Central Locking Mechanism along with its Remote Flip Key, keeping your vehicle safe is an absolute breeze.

RETRO ^{COOL} MEETS NEW TECH

The All-New Thar is loaded with state-of-the-art technology, helping you stay in control of your ride at all times and stay connected with the outdoors.

TOUCH AND GO

Navigate the terrain or set the mood for your trip with the new waterproof Touchscreen Infotainment System with Android Auto, Apple CarPlay and USB.

Get all the info about your Thar and your trip with just a few touches.

THE SCIENCE OF ADVENTURE

Monitor all your vital stats and information through the Adventure Statistics System equipped with an altimeter, a compass and a roll & pitch meter. Now you're in total control of your Thar from the inside no matter how bad conditions are outside.

PLAY IT SMART

Link your Thar to your smartwatch or phone through the Blue Sense App to access all your devices effortlessly. Giving you even more power in your hands.

ALWAYS FULLY INFORMED

Keep an eye on all essential ride-related information with the All-New Thar's revamped TFT Multi-Information Display in the cluster. The super convenient display gives you all the info you'll need in a matter of seconds.

KEEP THE PRESSURE ON

The All-New Thar keeps on monitoring the pressure levels of all the four wheels plus the spare with its Tyre Pressure Monitoring System. So that you're always informed about the condition of your tyre, thereby making you and the Thar safe and secure.

TAKE ON THE IMPOSSIBLE WITHOUT FEAR.

The adrenaline-packed adventures you embark on need an equally safe and secure partner, and the All-New Thar is just that. So, buckle up inside the All-New Thar and take on the impossible without fear

YOU'RE IN STABLE HANDS

Enjoy taking sharp turns without fear of nasty tumbles with the All-New Thar's ESP with Rollover Mitigation Technology

PREPARED FOR EVERYTHING

The All-New Thar meets global crash safety norms and keeps passengers away from harm during collisions with its crash-safety compliant bodyshell.

YOUR PROTECTIVE SHIELD

Built-in interior Roll Cage and 3-Point Seatbelts add structural rigidity to the Thar and safeguard their passengers during a rollover or accident.

CUSHIONED FROM IMPACT

The All-New Thar sports Dual Front Airbags and ABS to protect passengers and safely manoeuvres the vehicle out of the trickiest of situations.

NO MORE UPHILL STRUGGLES

The new Thar comes with a Hill Hold and Hill Descent Control System to assist you and achieve a controlled uphill or downhill journey.

SLEEP LIKE A CHILD

With its ISOFIX Child Seat Mounts, the all-new Thar keeps your little ones snug and safe through all your explorations. So, take them on your adventures and give them a dose of your wild side without any worry at all.
