THE ALL NEW
MG HS

THE ALL NEW
MG HS

The all-new **MG HS** is a stylish, capable SUV that embraces the manufacturer's ethos of 'Explore your senses'. Derived from **MG**'s hugely impressive concept X-Motion, the **MG HS** sets the adrenaline racing, with its intuitive arrangement tailored to provide a truly rewarding drive.

EXTERIOR

From the iconic **MG** badge found front with the star rider grille, right the way through to the rear combination tail lights, every inch of the new **MG HS** is as eye-catching and impressive as can be. This is a muscular and athletic SUV in every sense of the word, with the slick craftsmanship and impressive proportions ensuring you are driving a model that has been carefully designed and lovingly detailed. It comes equipped with two-tone LED headlights - embedded with nine crystal LEDs - for exceptional visibility, LED Daytime Running Light and sequential tail lights, 18 inch alloy wheels, red sports brake disc calipers, electric folding door mirrors, power tailgate and much more. The result is an attractive but capable model that conveys a sense of constant motion and reassurance out on the road.

INTERIOR

An area that is as contemporary and compelling as they come, the cabin of the all-new **MG HS** features a plethora of curves that add to its inviting nature. With up to 85% of the interior also covered with leather - available in Red, Beige and Black, racing-class integrated **MG** sports bucket seats, paddle-shift, flat-bottom designed steering wheel and sports pedal enhancing the sense of sportiness on offer, the **MG HS** doesn't compromise on quality on the inside. The **MG HS** comes fitted with 6 Way Powered Driver Seat, Driver Lumbar Support and a 4 Way Powered Passenger Seat to manage your seating position before you start your journey. What's more, a best in class panoramic sunroof to enjoy the skyline and soundproofing materials with noise insulation pads providing a quiet, serene environment, each journey is one of complete luxury. There's even interactive ambient cabin lighting inspired by the aurora integrated with the infotainment system to match your mood of the day. The **MG HS** cooler to its style quotient is equipped with a Dual Zone Climate Control AC and rear AC vent tested for the region making the cabin temperature pleasant for you and passengers during the drive. Standard features also include Smart Key, Keyless Entry and Push Button Start.

SAFETY

WHEN IT COMES TO SAFETY,
WE SPARE NO DETAILS

When it comes to safety, you can be assured of **MG HS** with a 5 Star **EURO NCAP** safety standards. Comparing to its aggressive and dynamic styling the **MG HS** is built with a high tensile grade steel cage body. Safety measures such Side and Curtain Airbags, Cruise Control, Engine Start-Stop, Auto Hold, Hill-Start Assist Control and an Electric Parking Brake, Blind Spot Detection, Lane Departure Warning, Rear parking sensors and Rear-View Camera are all fitted, enabling you to take the road effortless and with confidence. With plenty of reassurance guaranteed, you can rest assured that the new **MG HS** has you covered with a 6 Years/200,000 KM's Manufacturer's warranty.

PERFORMANCE

The sporty looks and luxurious comfort aren't the only appealing measures to be found in the new **MG HS**. Powered by a responsive 2.0L High Efficiency Turbo Engine, the **MG HS** is capable of producing a thrilling 231HP and maximum torque of 360 Nm. Available in Front Wheel Drive on the comfort trim and an Intelligent All Wheel Drive (AWD) system on the luxury trim, the model provides a top speed of 210km/hr and combines with a six-speed dual clutch transmission gearbox for seamless transitions through the gears. The result is a level of performance that will set the heart racing and get the adrenaline flowing. The **MG HS** is equipped with Eco, Normal, Comfort and Sports mode for your convenient driving style. To add an extra punch, the **MG HS** luxury trim is equipped with a super sport response system that releases maximum torque for best acceleration.

TECHNOLOGY

Featuring a 12.3-inch virtual instrument panel - the largest in the segment - you will be able to access key performance data in a contemporary presentation. Not only that, but this instrument panel interacts with the 10.1-inch color touchscreen that is the hub of activity. Featuring with a high-performance dual-core processor, this fast and responsive system connects effortlessly to your smartphone with Apple Carplay and Android Auto, GPS, Navigation and much more to provide access to all the necessary infotainment measures you demand. Further technology features include a premium Audio system and an innovative **MG** Trophy Dream Air Quality Management System which purifies the air of the vehicle in just three minutes, further adding to the comfortable environment.
