

TATA MOTORS
Connecting Aspirations

SOCHO TOH BADA
PRESENTING TATA INTRA

Presenting a true big performer in motion.

The TATA INTRA.

Big on technology, performance, productivity and profits.

*Big on everything that your business needs. A compact truck that's
designed for the ones who think big and dream big.*

*With the TATA INTRA, you will make the big move
that will make your business grow even bigger.*

BIG ON PERFORMANCE

- Powerful DI engine of 70 hp and 140 Nm torque
- 5-speed gearbox (5F + 1R) with cable shift mechanism offers a pleasurable driving experience
- First-in-class Gear Shift Advisor (GSA) indicates optimum point for shifting gears (using arrows) on the instrument cluster for achieving optimum fuel efficiency
- Deep crown wheel pinion ratio for enhanced torque on wheels' Rear Axle Ratio (RAR) is 4.88
- Capability to cover longer lead distance. First time in SCV segment, chassis frame has been manufactured using hydro-forming process. Lesser welding joints on the chassis mean higher structural strength and lower NVH levels in the cabin

BIG ON PRODUCTIVITY

- Higher ground clearance of 170 mm
- 165 R 14 LT (14-inch radial) tyres for more load-carrying capability in varied terrains and longer tyre life
- Easy maneuverability assures timely delivery
- Top speed of 80 km/h for faster turn-around time
- Best-in-class gradeability of 45% ensures an easy climb over steep flyovers and hilly sections

BIG ON COMFORT

- Big and wide walk-through cabin with D+1 seating arrangement
- Comfortable seats ensure a relaxed driving and resting experience
- Power steering (TCR of 4.75 m) as a standard fitment provides easy maneuverability on congested roads
- Overall length of 4282 mm and a smaller footprint makes parking easier
- 12V DC mobile charger
- Ergonomically positioned steering wheel, dashboard-mounted gear shift lever and ABC pedals for comfortable and tireless long journeys

BIG ON
SPACE

BIG ON PROFITS

- GVW of 2300 kg and payload capacity of 1100 kg
- Front and rear axle suspension with leaf springs (6 in front, 7 in rear) helps haul bigger loads
- Bigger loading area of 2512 mm x 1603 mm (8.2 ft x 5.3 ft)
- Low maintenance
- High fuel efficiency

BIG ON SAFETY

- Front disc brakes and rear drum brakes with boosters for a quick and safe halt
- 165 R 14 LT (14-inch radial) tyres with an extended shelf-life for varied terrains
- Seat with integrated headrests and seat belts with Emergency Locking Retractor (ELR) for driver and co-driver protects passengers during any impact or accident

- Frames manufactured with Hydro-forming process and state-of-the-art robotic facility for sturdiness
- High level of automation, including robotic joining operations, delivers consistent & robust quality for structural parts
- The frame is put together using modular platform-based design which is first for any SCV
- Shower-tested and best-in-class sealing system for zero leakage

BIG ON SAVINGS

- Rugged and reliable aggregates are high on durability and shelf-life
- Greater longevity ensures that the costs incurred on maintenance are low
- Attractive AMC packages
- Standard warranty of 2 years or 72,000 km ensures complete peace of mind

AGGREGATES

WORLD-CLASS CABIN

- Aesthetically-designed with elegant looks
- Easier engine access
- Dash-mounted gear level makes it walk-through
- Magazine pocket & storage spaces in dashboard and bottle holder in door trim

HEAD LAMPS

- Stylized new-gen head lamps
- LED tail lamps
- Motorized clear lens headlamps ensure longer and wider throw for easy night driving

TYRES

- 165 R 14 LT (14-inch radial) tyres
- Longer life
- Less rolling resistance for better fuel economy

STEERING

- Power steering

SEATS

- Comfortable D+1 seats
- Four-way adjustable driver seat
- Ergonomically designed seats reduce driver fatigue

INSTRUMENT CLUSTER

- Gear shift advisor switch
- New-gen multi-display electronic cluster

SUSPENSION

- Front leaf spring suspension ensures a smooth drive and comfort at variable speeds

*BIG ON
STABILITY*

V20 SPECIFICATIONS

Engine Capacity

4-cylinder, 1396 cm³ DI engine

Max. Engine Output

52 kW @ 4000 r/min (70 hp)

Max. Torque

140 Nm @ 1800 - 3000 r/min

Gross Vehicle Weight

2300 kg

Max. Payload

1100 kg

Wheel Base

2250 mm

Overall Length

4282 mm

Load Body

2512 x 1603 (8.2 ft x 5.3 ft)

Min. Turning Circle Radius

4.75 m

Steering Type

Power steering (standard fitment)

Suspension

No. of leaf springs: front - 6, rear - 7

Tyres

165 R 14 LT (14-inch radial) tyres

Max. Gradeability

45%

Standard Warranty

2 years or 72000 km

TATA MOTORS LIMITED, A Block, Shiv Sagar Estate Annie Besant Road, Worli, Mumbai-400 018, Maharashtra

Once the sale of TATA Intra V20 is over, the Intra V20 AC variant will be made available, to the customers. Illustrations and photographs may show accessories and items of optional equipment which are not part of the standard specifications. Due to printing processes, colours may vary slightly from those shown. All listed specifications are current and subject to change or upgrade without prior notice, in accordance with the company’s policy of continuous improvement. Terms & Conditions apply. #SMS charges as per service provider.
