Quality Revolution

FORTUNER
The Art of Power

AHEAD *IN STYLE*

AHEAD IN CLASS

Move ahead with cutting-edge style and sophisticated luxury. The Fortuner with its bold design and imposing presence gives you a distinctively new experience. So stand out and make your presence felt. A presence that can't be ignored. Or overtaken!

AHEAD IN PERFORMANCE

Leave the world behind with unmatched power and superior control. The Fortuner comes with a 3.0L D-4D Diesel engine in 4WD and 2WD. The 2WD variant is also available in 5-speed Automatic Transmission.

The **3.0L D-4D Diesel** Common Rail Type Fuel Injection Engine with intercooler turbocharger delivers superior power and performance.

171 PS @ 3600rpm,
343Nm@ 1400 – 3400rpm.

The Fortuner's intercooler turbocharger providing unmatched performance

The full time **4WD with 5-speed Manual Transmission** allows you to master that much needed power to manoeuvre all types of terrain while the **2WD with 5-speed Manual Transmission** gives you a smoother driving experience in city conditions.

The **2WD with 5-speed Automatic Transmission and Cruise Control** lets you cruise ahead conveniently even in congested city traffic.

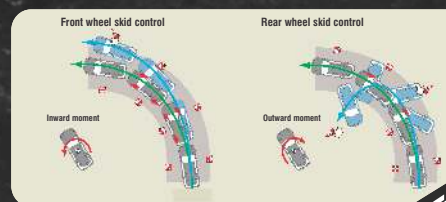

AHEAD IN SAFETY

Stay ahead with advanced technology. The Fortuner, enhanced with high-end safety features, leaves all your worries behind.

Antilock Braking System with Brake Assist ensures you come to a quick halt with ease whenever you need to.

Keep danger away with the SRS Front Airbags that protect the head and chest of the driver and front passenger.

The Vehicle Stability Control enhances vehicle stability by controlling engine output and braking at each wheel if sensors detect an abrupt steering operation.

AHEAD IN COMFORT

Experience plush comfort and advanced technology as you indulge in ultimate luxury. The Fortuner has all the luxuries you need to be in a class of your own.

The Fortuner's **Rear Camera** makes parking in the city a hassle-free experience.

The **Switches** on the leather wrapped wood finished steering wheel bring the audio, bluetooth and multi-information controls to your fingertips.

The **Automatic Climate Control**, along with the rear cooling switch and blower control for 2nd and 3rd row vents, provides the most comfortable environment for all passengers.

The large **Touch Screen, DVD Display Audio** enhances your convenience as you can connect not only your iPod, but also the USB Aux-in as well as Bluetooth-compatible devices.
