

 **TOYOTA**
Quality Revolution

PRESENTING
THE ART OF POWER

FORTUNER

THE ART OF POWER

When luxury matches the force of the throttle, and ruggedness has a touch of cutting-edge technology, power gains a whole new artistic expression. Redefine the very way you move with the art of power.

Presenting the all-new sport utility vehicle (SUV). The Toyota Fortuner.

THE ART OF DISCOVERY

With the Toyota Fortuner, enter new worlds and discover unseen paths.
Escape to places you have never been before.

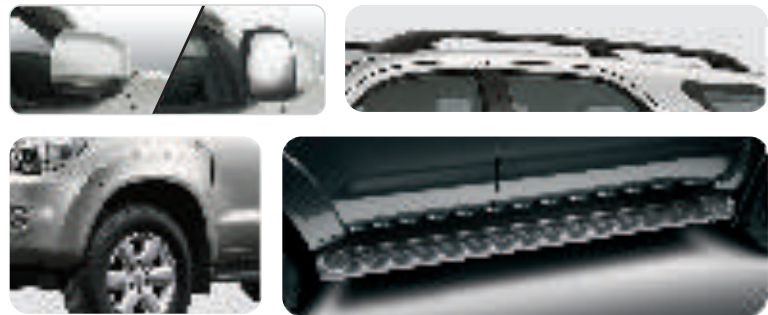

**THE ART OF
SPEED**

Relive that heightened sense of exhilaration. Redefine the laws of acceleration every time you drive the Fortuner.

- The **bonnet scoop** highlights the elegant design of the Fortuner, while the muscular **front grille** adds to the ruggedness.
- The projector-type **headlamps** light up every path you tread, while the **fog lamps** escort you to safety, even in adverse weather conditions.

- The electric foldable and adjustable chrome-finish **outside rear view mirrors** and **side steps** are all about style and ease.
- Boldness takes another form with the stylish **over fender** and **roof rails**.

THE ART OF DESIGN

A true expression of sheer art, the Fortuner stands apart from the crowd with its exquisite bodyline and shape.

- Make flair your middle name with **17-inch aluminum wheels** and 265/65 R17 tyres.
- The stylish **printed antenna** on the rear quarter glass reduces wind resistance.

- The sleek **rear spoiler** gives a sporty presence on the road. The **rear window defogger** below clears condensation from the rear window.
- The **rear combination lamps** with wedge-cut inner lenses add to the inevitable appeal of the car.

THE ART OF COMFORT

Experience a state of plush comfort and extravagant style as you sink into a haven of luxury.

- The **automatic air conditioner**, along with the rear cooler switch and blower control for 2nd and 3rd row vents, helps to enhance the cooling and comfort for all passengers.

- The easy-to-read three-dial **optitron meter** with a chrome-plated ring adds a stunning look to the interiors.

- **Multi-information display** keeps you up-to-date every time you travel, with the clock and outside temperature, average fuel consumption, ignition-on time, current fuel consumption, cruising range, average vehicle speed and compass of the vehicle.

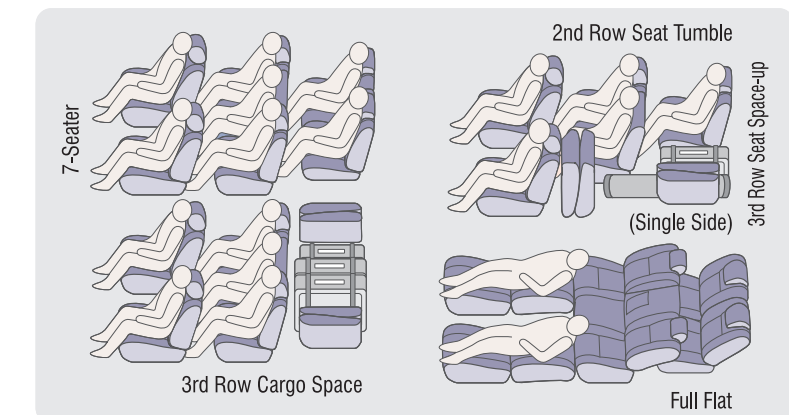

- The **audio** with a 6-CD changer (built-in amplifier), 6-speaker system also plays MP3s, keeping you entertained throughout the journey.
- The **switches** on the leather-wrapped steering wheel bring the audio and multi-information display controls to your fingertips.

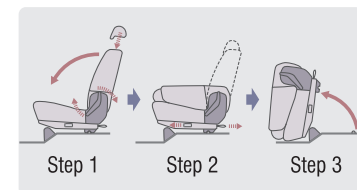

- The one-touch auto up / down function **power window** on the driver's side makes things easy. What's more, the unique door trim gives it a luxurious look.
- The **assist grip** mounted on the A-pillar helps you in entering and exiting the vehicle with ease.

THE ART OF MAGNITUDE

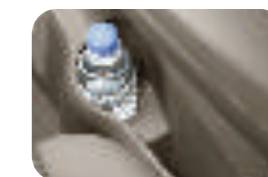

Impeccably styled, the ergonomically designed 7-seater Fortuner with plush leather upholstery and utility compartments gives you all the space and a super luxurious ambience.

- The **2nd row** seat with armrest and 60:40 split tumbles to increase cargo capacity.

- The **3rd row** seats can be easily folded 50:50 and moved out of the way (space-up) to maximise space and create ample cargo room.

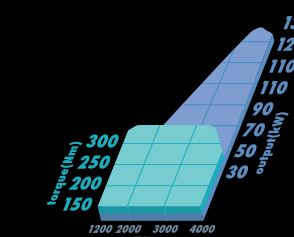

- Ample **storage** spaces let you keep things like cups, bottles and other items within your reach.

THE ART OF PERFORMANCE

The sleek yet rugged Fortuner delivers superior performance, optimum response and higher fuel efficiency.

The **3.0 L D-4D** Diesel Common Rail Type Fuel Injection Engine with intercooled turbocharger delivers superior power and performance.

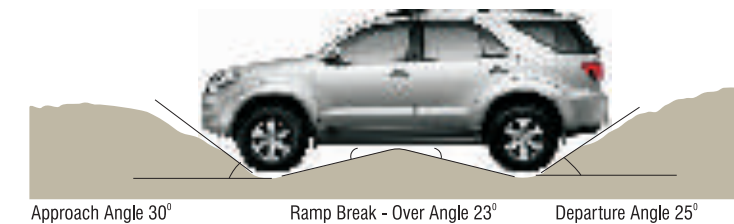

Engine Performance: 126kW @ 3600rpm, 343Nm @ 1400 – 3400rpm

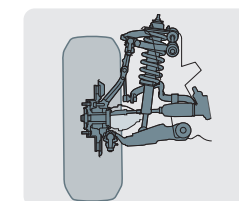

Fortuner's intercooled turbocharger forces cooled air into the engine, providing unmatched performance.

THE ART OF TOUGHNESS

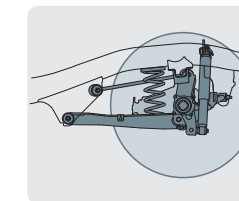

Empower yourself to surge ahead in the toughest conditions. The ever-reliable Fortuner with its unshakeable sturdiness allows you to conquer the most adventurous terrain.

Fortuner's exceptional all-terrain capability provides a smooth and comfortable driving experience.

- The newly developed double wishbone **front suspension** with a high mount type upper arm offers exceptional driving comfort.

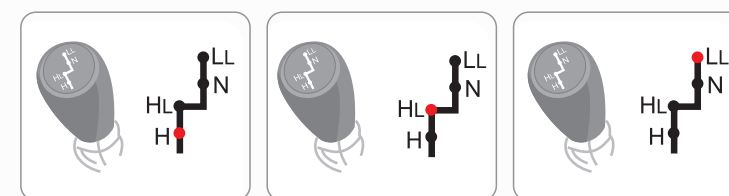

- The 4-link **rear suspension** with lateral control rod offers better balance for your drive.

- The **5 speed manual transmission** allows you to master that much needed power to manoeuvre in city traffic, highways or off-road.

- The **full time 4WD** provides best traction on all types of terrain. Shift the lever and get set to take on the next terrain with ease.

Modes:

- H - The mode mostly engaged while driving in normal conditions.
- HL - The mode with more traction than H, it helps in off-road conditions.
- LL - The mode with maximum traction, it helps to handle extreme conditions.
- N - This is just a transition point while shifting between different modes.

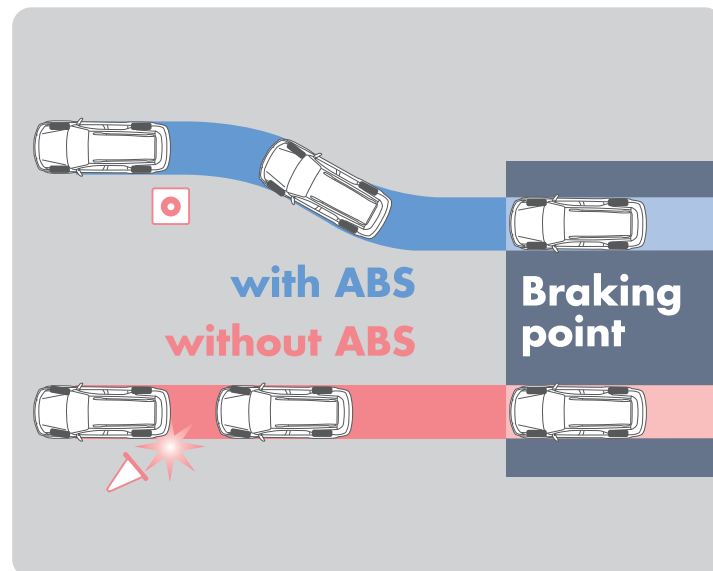

- Be in command with the **ventilated front disc brake**. Control power like you own it.

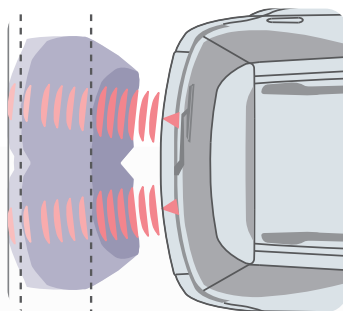

THE ART OF SAFETY

The merger of the finest materials and high-end technology achieves the perfect balance between the refined and the rugged without compromising on safety.

Active Safety

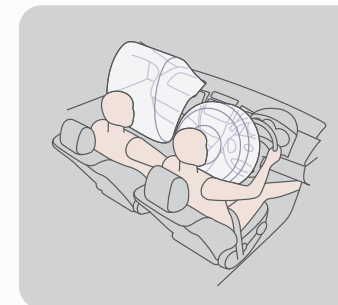

- Feel safe with the **ABS (Anti-lock Brake System)** which gives a stable braking performance in both regular and difficult conditions.

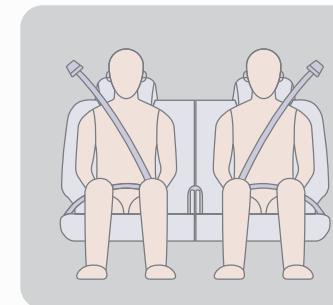

- Sense every obstacle in the rear with the **back sonar** while reversing or parking.

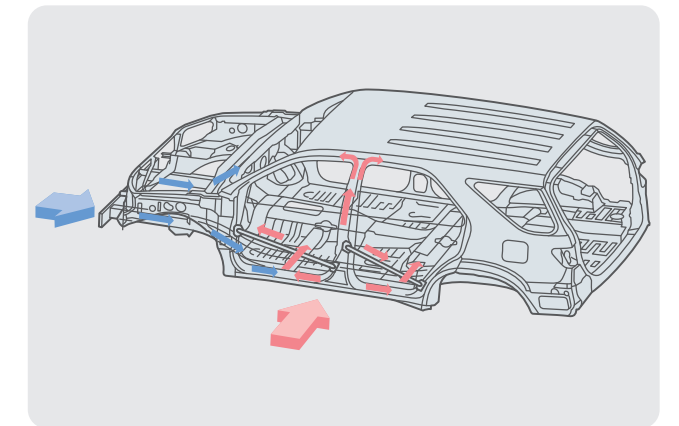

- A thin 6-LED type **high-mount stop lamp** gives a classy appearance. It also makes the car visible from a far distance at night.

- The SRS front **airbags** protect the driver and front passenger from injuries. Keep danger far from sight.

Passive Safety

- The sturdy **GOA (Global Outstanding Assessment) body** lessens the impact of a front or side collision and adds to the toughness of the cabin.

Seatbelt:

1st row: 3-point ELR (Emergency Locking Retractor) with five-step adjustable shoulder anchors for comfortable wear.

2nd row: Outer seats: 3-point ELR.
Center seat: 2-point NR (Non-Retractable)

3rd row: 3-point ELR

SPECIFICATIONS

FORTUNER

DIMENSIONS & WEIGHT		
	Overall L x W x H	4695 mm x 1840 mm x 1850 mm
	Wheel Base	2750 mm
	Tread Front / Rear	1540 mm / 1540 mm
	Minimum Ground Clearance	221 mm
	Minimum Turning Radius	5.9 m
	Fuel Tank Capacity	80 litres
	Seating Capacity	7-Seater
	Max. Kerb Weight	1955 kg
	Gross Weight	2510 kg
ENGINE		
	Type	D-4D Diesel with Intercooler Turbocharger, 4 Cylinders In-line
	Valve Train	16 Valve DOHC
	Displacement	2982 cm ³ (cc)
	Fuel Supply System	Common-Rail Type
