ALL-TERRAIN STUNNER

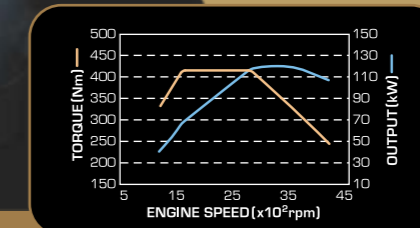

Bold, stylish, and thought-provoking. The Land Cruiser Prado is the perfect vehicle for anyone thinking all-terrain. An experience akin to heaven even in the most extreme conditions. It combines the rugged dominance of its Land Cruiser heritage with the revolutionary technology and sophistication for which Toyota is renowned. With sculpted looks, spoiling comfort and thrilling features, it's all you need to conquer any terrain.

ALL-TERRAIN PERFORMANCE

Excellent performance, superior handling and a fine balance of fuel efficiency and unmatched power.

The 3.0L D-4D Diesel Common Rail Type Fuel Injection Engine with intercooled turbocharger gives an exhilarating and powerful experience on any terrain.

127KW @ 3400rpm, 410Nm @ 1600-2800rpm

The TEMS (Toyota Electronic Modulated Suspension) and KDSS (Kinetic Dynamic Suspension System) work together to provide a balanced drive keeping the vehicle stable on all terrains.

The sporty 5-speed Automatic Transmission with a sequential shift and a full time 4X4 drive provides convenience and exceptional driving pleasure.

A host of features are available to assist you irrespective of the terrain you choose to drive:
 DAC: Down Hill Assist Control
 HAC: Hill-start Assist Control
 VSC: Vehicle Stability Control
 A-TRC: Adaptive Traction Control

Ride Height Control allows you to manually adjust the clearance of the vehicle when traveling over different terrains.

The imposing 18 inch Alloy Wheels bring out even more power to its stance.

ALL-TERRAIN CONVENIENCE

A feeling of absolute control with a seamless blend of advanced features and user-friendly functionality.

Smart Entry allows you to enter or exit the vehicle without having to lock or unlock manually. Also, you can start the engine just by stepping on the brake and pressing the Push-Button.

The Switches on the steering wheel seamlessly bring the Audio, Bluetooth and Multi-information display controls to your fingertips.

Glass Hatch allows easy loading of shopping and other small items without opening the rear door.

The Audio with a 6 CD changer, Bluetooth, USB port, AUX and 9-speaker system delivers exceptional realism and heightens your listening experience.

The Console Box with a cooling feature keeps your beverages cold and also doubles up as a sliding armrest.

The Parking Assist System with back camera and 4 front and 4 rear sensors make parking much safer and easier.

ALL-TERRAIN COMFORT

The well-appointed seats with plush upholstery give a comfortable and luxurious ambience.

Choose your own climate with the 3-zone Automatic Climate Control. These independent controls allow you to maintain 3 different temperature zones. (Driver's seat, front passenger seat and rear seats)

The Front Seats feature Power Adjust with Memory Function on drivers' side. The seat heater keeps you warm even in cold weather conditions.

The Second-row Seats provide ample luxury with center armrest and cup holders. They can also be split folded to increase cargo space.

The Third-row Seats with 50:50 split and Power-fold-down function lets you create ample cargo space with just one touch on the button.

ALL-TERRAIN PROTECTION

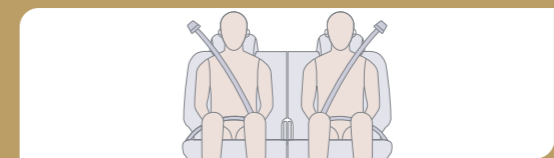

Innovative technologies that assure comfort and peace of mind.

Occupants of the Prado are shielded by seven SRS airbags in the event of a collision, which include front and side airbags for driver and passenger, curtain side airbags for all three rows and a driver knee airbag.

VSC (Vehicle Stability Control) enhances vehicle stability by controlling engine output and braking at each wheel if sensors detect an abrupt steering operation.

Seat Belts:
 1st Row: 3-point ELR (Emergency Locking Retractor) with pretensioner and force limiter
 2nd Row: 3-point ELR x 3
 3rd Row: 3-point ELR x 2

Active Headrest (Whiplash Injury Lessening) prevents injury to the neck and back in case of a rear-end collision.

The advanced ABS (Antilock Braking System) provides excellent braking performance even in difficult conditions. EBD (Electronic Brake Force Distribution) & BA (Brake Assist) ensure balanced braking regardless of passenger load.

SPECIFICATIONS

LAND CRUISER PRADO

DIMENSIONS & WEIGHT

Overall L x W x H	4.780 m x 1.885 m x 1.880 m
Wheel Base	2.790 m
