There's a Polo for every one.

It's not just a car. It's the car for you. As a matter of fact, it is the car for India. Just a glimpse and you will know what makes the Polo the best in its class. The combination of sporty, distinctive design, a performer of an engine that delivers on fuel-efficiency and power alike, and a host of superior features makes it the finest car for India. Discover the Volkswagen Polo.

German engineering. Made in India.

A view worth everything.

Once you get into the Polo, there is simply no looking back. We've put absolute comfort at your disposal. Right from the high-grade materials to the exquisite engineering, the Polo promises an optimal blend of design, comfort and functionality.

Exterior.

The Polo exudes pure confidence and elegance. Its poise garners attention and envy alike. Gorgeous yet robust lines envelop its true character while intricate detailing and stunning contours define its bold style. Exclusively designed 15” alloy wheels add to the desired look and precise handling.

The trunk opener in the Polo is actually the shiny Volkswagen logo right in the middle of the hatch.

Front fog lights integrated into the front bumper add a striking look to the Polo. They also provide better visibility in poor weather conditions.

The front grille with an attractive chrome trimmed louvre insert is a distinctive characteristic of the Polo, adding a touch of quality and charisma.

Curved body-coloured door handles are easy to use and flow seamlessly into the overall design, exuding quality and solidity.

Stylish indicator embedded headlights blend in with the chrome trimmed radiator grille louvre insert, indicative of the Polo’s attention to detail.

Heat reducing glass windows minimise sunlight, helping to ensure a pleasant temperature for passengers, and enhance the exterior’s sporty appeal.

Standard for Comfortline

With a high level brake light integrated, the rear spoiler enhances the aesthetics and improves vehicle safety.

The new alloy wheels give the car a sporty look. Sure to get heads turning your way.

Standard for Highline

A world of difference within.

Opt to sit inside the Polo and you will immediately appreciate what sets it apart from the rest of the world. A horde of features inside the Polo truly redefine comfort. World-class styling surrounds you with high quality materials and attention to detail. The Polo simply ensures you reach your destination relaxed and in sheer comfort. At the end of the day, all one needs is a drive to leave the world behind.

Interior.

The Polo’s interiors are underlined with luxury. Armed with state-of-the-art technology that puts you at ease, plush seats and great acoustics, the Polo reaffirms absolute comfort. With everything at your disposal, we assure you that you will reach your destination comfortably and in style.

Equipment and styling combine harmoniously to produce an interior which exudes comfort and practicality, ensuring every journey is a delightful experience.

Standard for Comfortline

The intelligent Climatronic air-conditioning makes it a point to always keep you comfortable. The Polo automatically regulates the temperature to ensure a pleasant climate, making every journey a comfortable one.

The **electronic multi-function display** supplies information on average fuel consumption, range, journey distance, odometer, actual time and outside temperature. Just another feature that makes the Polo an absolute delight.

Standard for Highline

The Polo’s **centre console** keeps all important functions within easy reach, and is proof of Volkswagen’s passion for build quality, ergonomic design, safety and passenger comfort.

Standard for Highline

Comfort.

The Polo is the perfect car for you. We love to carry our world with us and with ample space and the folding rear seat that creates even more space, the Polo can accommodate all that and more. Add to that, air conditioning and comfy interiors, and there is simply no doubt that the Polo is truly comfortable.

If you wish to transport longer, bulkier items, even if it's an entire cricket kit, the **rear seat backrest** can fold down for more flexibility.

Enjoy your favourite music as you drive. The Polo Highline comes with a multi-function steering wheel with the convenience of audio controls, call/phone answering function right at your fingertips. What's more, the steering wheel comes stylishly leather wrapped, for a perfect grip and added comfort.

Grab handles (3) above doors are equipped with coat hooks, to keep clothes wrinkle-free.

There's never a dull moment in a Volkswagen. **The RCD 320** music system with 4 speakers, an integrated USB, Bluetooth, AUX-IN and SD card slot makes for truly memorable company everytime you're out for a spin.

The height-adjustable driver's seat provides premium convenience. It allows you to easily adjust it to suit your optimum driving position.

Convenience.

At Volkswagen, we believe in passionate detailing. Every single feature in the Polo is designed around your comfort, safety and flexibility. Be it the front cupholder or the centre glovebox, if it gets a smile on your face, we know we are doing something right. It's late evening and when you leave for home, you would simply love a cruise that puts you at ease.

You'll be pleasantly surprised by the electrically adjustable mirrors which are controlled by an intuitive joystick control. A flick of the wrist and there you have it; perfectly positioned mirrors.

The **adaptable steering wheel** has a reach and rake adjustment as standard and can be adjusted to suit every stature.

 Standard for Comfortline

 Standard for Highline

The front cupholder is a safe place for bottles or cups whether your Polo is on the move or stationary. It could be your morning espresso or the late evening latte. It works either way.

Small items needed during the journey such as a water bottle can be stowed in the **pocket** of the front doors.

Neatly tucked under the handbrake, lies a **cosy spot**. You could use it to keep your mobile phone or wallet safely stowed away.

You'll be pleasantly surprised by the size of the boot, which offers plenty of **space**. Ideal for those weekend trips out of town.

Safety.

The Polo is loaded with a wealth of advanced safety equipment, helping make every journey as safe as possible. Features include airbags for the driver and the front passenger, along with a high-strength steel frame and Anti-lock Braking System. It isn't just about making safe happen. It is about sitting back and enjoying the drive with the reassurance of security.

Passive safety: The Polo's high-strength steel frame makes it a tough car. This creates an indigenously structured passenger cell for added passenger safety.

With the **Anti-lock Braking System (ABS)**, the car remains steerable, even during sudden braking manoeuvres, and comes to a standstill as quickly as possible.

3-point seat belts are the primary means of protection and are available for front and rear outboard seat occupants. Anchorage on the front seat belts is height-adjustable for a more comfortable and secure fit.

Simply safe: Front airbags for the driver and passenger provide occupant protection for a safer journey.

Engines and Transmissions.

A selection of powerful engine variants means you can enjoy exceptional performance, impressive power and smooth handling together with remarkable fuel economy. The Polo offers a choice of petrol and diesel engines, both designed to deliver dynamic performance with excellent fuel-efficiency. The range starts with a 1.2 litre petrol engine and a 1.2 litre diesel engine.

The **Five-speed manual gearbox** transmits power with short, accurate shifts and smooth handling, making it easy to use at the right engine speed. The gear knob comes stylishly wrapped with high quality leather. City or the highway, the Polo's transmission can take on anything.

 Standard for Highline

Featuring Volkswagen's latest common rail technology, the 1.2 litre **common rail diesel engine** ensures excellent overall performance. The 75 PS (55 kW) unit achieves best-in-class fuel economy of **22.04 km/l**.

Colours.

The Polo is known for its appeal, quality and impressive use of aerodynamics. And before we even think about the paint finish, we treat the body to guard against anything and everything. Only then are we ready to dress it in one of our diverse range of colours. Not to mention, we always add a little bit of Volkswagen-style 'ingenuity' to every model.

Standard for Trendline Standard for Comfortline Standard for Highline

*Terms & conditions apply. Metallic paint standard for Highline and optional for Comfortline and Trendline. Actual appearance/colour shade may slightly differ.
