XC90

THE BIGGER THE IDEA, THE MORE MOMENTUM IT GAINS

Built around you from the ground up as one solid unit, the Volvo XC90 makes a big impact by bringing comfort and substance together. Commanding exterior, outstanding ergonomics, rich appointments, and innovative safety features make it the grandest movement on the road. An all terrain marvel, Volvo XC90 boasts of a D5 engine which releases power up to 200 HP with 420 Nm torque, while making you feel at home on any land.

D5 - 200 hp/420 Nm

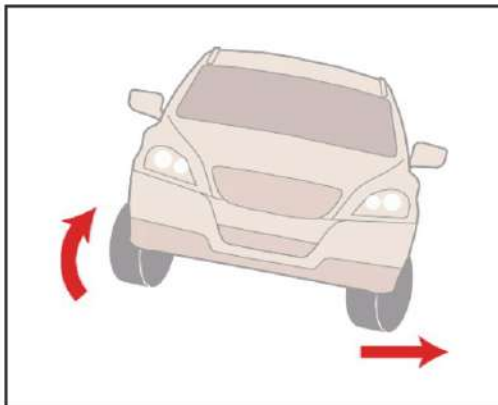

WHEN IT COMES TO LUXURY, BIGGER IS BETTER

Each occupant on the 7 seats experiences an independent sphere of superior comfort. The fine hide upholstery, wood inlays, leather gear knob add to the atmosphere of magnificence and showcase how well the SUV has been designed around you. Three rows of air conditioning vents, sturdy suspension and a high ground clearance make the XC90 ideal for the challenging Indian roads.

THE LUXURY OF BEING ON THE SAFE SIDE

The high level of safety you enjoy in the cabin of XC90 is the result of many sophisticated advances in constant research and innovation. Features like Roll Stability Control and Dynamic Stability Traction Control give you complete command on any terrain. Whiplash Protection System and Side Impact Protection System among other safety features confirm that the SUV is the safest bet on the road.

Roll Stability Control (RSC)

Whiplash Protection System (WHIPS)

Side Impact Protection System (SIPS)
