N Line Exclusive Sport Seats

Performance

Experience the powerful driving performance of a 3rd generation Smartstream engine, along with superb acceleration response and 7-speed DCT with superior transmission efficiency.

Multi-link rear suspension coupled with large front disc brakes give vehicles in the N Line dynamic road handling.

Smartstream Gasoline 1.6 Turbo Engine
Discover the improved engine performance and fuel economy that comes from the optimal valve-timing control that Continuously Variable Valve Duration (CVVD) technology provides.

Multi-link Rear Suspension
Multi-link rear suspension improves surface traction and minimizes the transmission of vibration from road to vehicle, providing everyday comfort and vehicle stability during high-speed, sporty driving with sharp cornering.

Large Front Disc Brakes
Enjoy greater stability even in dynamic driving conditions with the superior braking performance of large front disc brakes.

N Power Shift
N Power Shift (NPS) minimizes engine torque drop and optimizes clutch control to enhance acceleration and deliver more torque and power when shifting for greater driving excitement.
* 7-speed dual-clutch transmission (7DCT) control logic

Revolution Matching
The engine RPM is matched to the shifting RPM during down shifting to offer fast and smooth shifting and deliver a higher level of shifting responsiveness fit for sporty driving.
* 7-speed dual-clutch transmission (7DCT) control logic

Hyundai SmartSense

The all-new AVANTE N Line is the new standard in compact and midsize sedans with more advanced, intelligent safety features to protect the driver and passengers from unexpected hazards.

Forward Collision Prevention Assist
Alerts the driver of the potential for a forward collision when vehicles in front suddenly slow down or stop, or if there are pedestrians or cyclists in front of the vehicle. The system also activates the brakes in the event of an impending collision.

Highway Driving Assist
Helps the driver maintain a safe distance on the highway from the vehicle in front, steering the AVANTE so it remains centered on its lane at a speed preset by the driver.

Rear Collision Prevention Assist
Alerts the driver of the potential for a collision from the rear when the turn signal indicator is switched on for lane changes and helps avoid the collision through differential braking if necessary.

Rear Cross-Traffic Collision Prevention Assist
Monitors the areas to the left and right when the vehicle reverses and alerts the driver of any approaching traffic on either side. The brakes are activated, if necessary, to avoid an impending collision.

Safe Exit Assist
Alerts the driver of any vehicle(s) approaching quickly from the rear or sides after the AVANTE has stopped and one or more of its doors begin to open.

Reverse Parking Collision-Avoidance Assist
If pedestrians or objects are detected to the rear when the vehicle is put in reverse, the driver is alerted of the potential for collision and the brakes applied if needed to avoid an impending accident.

Convenience

Remarkably improved driving infotainment features offer a whole new experience and lifestyle.

Hyundai CarPay
Pay from inside your car at affiliated stores highlighted on the navigation screen. Simply download the designated apps beforehand and add a credit card number.
* Use of current location features requires an active Blue Link membership.

* The images of the Infotainment System screen are subject to change due to regular updates.

Voice Recognition Vehicle Control
Adjust the climate control system and heated seats and access a variety of useful information with your voice—simply press the voice recognition button on the steering wheel and say what you want.
* Use of Kakao i Voice Secretary requires an active Blue Link membership.

Destination Guidance
After parking your vehicle, use Hyundai's Blue Link app for directions on foot to your desired destination.
* Use of current location features requires an active Blue Link membership.

Hyundai Digital Key
Lock and unlock your doors and even start the engine from outside the vehicle, using the Hyundai Digital Key smart phone app. Find user-specific services on Digital Key and share with multiple users.

Dimension

* Unit : mm

Type	Gasoline 1.6 Turbo
Overall length (mm)	4,675
Overall width (mm)	1,825
Overall height (mm)	1,420
Wheelbase (mm)	2,720
Wheel tread, Front (mm)	1,566(18")
Wheel tread, Rear (mm)	1,581(18")
Engine type	Smartstream G1.6T
Displacement (cc)	1,598
Max. Power (PS/rpm)	204/6,000
Max. Torque (kgf·m/rpm)	27.0/1,500 ~ 4,500
Fuel tank (ℓ)	47

Model	Fuel type	Displacement (cc)	Unladen vehicle weight (kg)	Tire (inch)	Transmission	Grade	CO ₂ Emission (g/km)	Fuel efficiency reported to the government (km/ℓ)		
								Combined	City	Highway
Smartstream G1.6T	Gasoline	1,598	1,340	18	7-speed DCT	3	130	12.8	11.5	14.7
	Gasoline	1,598	1,310	18	6-speed manual	3	136	12.3	11.1	14.0

Maintain a constant speed to drive more efficiently.

- The above fuel economy was calculated based on standard driving conditions. Actual fuel efficiency may vary depending on road conditions, driving styles, cargo weight, maintenance conditions, and outside temperatures. - Some of the photographed vehicles in this brochure depict optional features for illustrative purposes and may differ from the actual vehicles. - The features, colors, and specifications stated in this brochure are subject to change based on improvements in the vehicle's exterior or performance. - The above engine performance data is based on the net value, which is a legal requirement applied by the Ministry of Land, Infrastructure and Transport from 1997 onwards. To produce the data, an advanced measurement method that takes into account the resistance of vehicle emissions was used. This method may generate results slightly lower than those generated by existing methods based on the gross value. - The leather upholstery partially consists of synthetic leather. - The vehicle colors printed in this brochure may differ from the actual colors.

- Hyundai Motor vehicles are sold by Car Masters of Hyundai Motor Company's branches and dealers only at prices uniformly applied everywhere across the country to promote fair business practices. - The failure to use authentic parts and oil products (including engine oil and transmission fluid) recommended by Hyundai Motor Company and/or the use of defective fuel may critically damage your vehicle. - Please refer to the owner's manual for details about new technologies and features stated in this brochure.

The images presented here are intended to inform customers and display the best models and options. The specifications described above vary by option, package, powertrain, and exterior color. For specification details by model, please refer to the monthly price table.

N Performance

N Performance is Hyundai's high-performance brand that delivers the ultimate in customized performance through incorporation of Hyundai technology and expertise, and N DNA.

Large Disc Brake Package

Red Calipers, Large Discs, and Low-steel Brake Pads

Design Wheel Package

18" Sport Design Wheels & Spinning Wheel Covers with N logo

N Performance Suspension

Monotube Shock Absorbers & Red Lowering Springs

Interior Package

Car Floor Mats with N logo (Front and Rear Seats)
LED Lights (Overhead Console Lights, Cabin Lights, Sun Visor Lights, and Luggage Lights)

Bluelink

The advanced technology of Hyundai's BlueLink system helps keep both the driver and the vehicle safe in any situation. BlueLink is always there to keep you safe, regardless of the location or time of day. Experience the unique joy of safe and comfortable driving.

Remote control

Forgot to lock the doors? No need to worry. BlueLink's Remote Lock/Unlock feature ensures your vehicle is protected.

Safety security

The BlueLink Center works 24 hours a day, 365 days a year. If an airbag opens due to an accident, the Center automatically detects your location and takes appropriate actions according to the situation, such as contacting the police, ambulance, insurance company, etc.

Vehicle management

Services include real-time trouble detection while the vehicle is running and regular vehicle inspections on pre-arranged dates. In the event of vehicle trouble, immediate professional consulting is available, and you may conveniently make reservations for repair at the time and location of your choice.

Navigation

This function enables the driver to conveniently search for destinations through voice command and suggests optimum routes based on an independent analysis of real-time traffic information. The driver can search a database of up-to-date information to find even newly created destinations.

* Applicable specifications may vary depending on trim and package selected. For more information on specifications by model, please refer to the monthly price table.

* Free of charge for five years for customers who have purchased a vehicle and are applying for BlueLink membership for the first time: Remote control, Safety security, Vehicle management, Navigation. (Remote climate control is available on automatic transmission vehicles only.)

* Inquiries: Blue Link Kakao Talk Customer Service Center (enter "Blue Link" in Kakao Talk search screen and add as friend)
