

Sorento

Movement that inspires

LOOK AHEAD

While a spirit of challenge and enthusiasm have their own merits,
their impact grows exponentially when condensed, refined, and tempered.
After endless exploration and ideation about what the future of cars could be like,
Sorento emerges at its best, breaking the boundaries of SUVs and vehicles of its class.
Get ready to crush your preconceptions and indulge in a new lifestyle.

Creating a new design is like giving life to a new creature.
Sorento's cool, dynamic, and forceful lines
harness raw, untamed energy
in a form that is bold yet polished in appearance.
Called "refined intensity," it is the first step to revealing
Sorento's new lifestyle proposition.

Saddle Brown interior (6-seater) / Specifications may vary according to the trim, seating capacity, engine and options that are selected.

BORDERLESS SPACE

From the driver's seat to the 3rd-row space, Sorento's wide interior outperforms its class
to provide a memorable and comfortable experience to all.

2nd row independent seats

First in its class among domestic brands to offer 2nd row independent seats in a 6-seater model, Sorento features a more luxurious interior space and offers a more cozy and comfortable ride.

Saddle Brown Interior (6-seater)

Space

Sorento's uniquely spacious interior space is the result of a new platform that was created to provide a level of comfort that could only be found in full-size SUVs.

Comfortable independent seats and diverse convenience features were designed with utmost care in mind allowing users to appreciate the genuine value of space utilization.

New platform (N3)*

A new platform was developed to optimize the interior layout and create a wide space that outperforms its vehicle class. Specifically, the overall length was extended by 10 mm and the wheelbase was expanded up to 35 mm to provide the largest rear seat passenger space in its class. In addition, the light yet strong next-generation platform that has been applied to the company's SUV line for the first time improves safety and fuel efficiency.

Smart one-touch walk-in*

Walk-in buttons installed on the top and bottom of 2nd row seats automatically fold the backrests to facilitate access to and from the 3rd row seats.
※ 6- and 7-seater models only.

Smart one-touch folding*

An electronic folding switch on the right side of the luggage compartment automatically folds 2nd row seats to facilitate loading and transportation of over-sized cargo.

Customizable Smart power tailgate system*

The height of the tailgate opening can be adjusted to according to users' height and usage requirements.

*Virtual images have been used to help viewers' understanding. / Specifications may vary according to the trim, engine and options that are selected.

PLAY AHEAD

I travel through unfamiliar roads to reach places that I've only seen in photographs.
I go with people who share my passion, but sometimes, I take off on a mission on my own.
Either way, 6 p.m. is the time when my Sorento's engine restarts and play time begins.

iesel _ Snow White Pearl (SWP) / Specifications may vary according to the trim, seating capacity, engine and options that are selected.

The stage, background, and characters may change,
but I am always in the center.
Every day, I take on big and small challenges
and let my voice be heard.
I dream about crazy adventures
and proclaim that I will live life as it should be
with great confidence about being myself.

Saddle Brown interior (6-seater) / Specifications may vary according to the trim, seating capacity, engine and options that are selected.

BORDERLESS INTERACTIVE

From a large screen display to a dial-type electronic transmission and crystalline mood lighting, sophisticated design and intuitive technologies set new standards that enhance users' convenience.

T-GDI _ Platinum graphite (ABT)

Kia Pay

Make payments conveniently to affiliated merchants, such as parking lots and gas stations, using Kia's simple payment system on the navigation screen. Charges will be posted to your credit card associated with your Kia Pay account.
※ New merchants are being continuously added. A real-time, updated list can be accessed through the Kia Pay app or the navigation system.

Connectivity

Unlock the car using your smartphone or pay for gas without pulling out your wallet. Let yourself be guided to your destination even after stepping out from your vehicle and check parking conditions from a distance.
With connectivity technology, you and Sorento have no limits.

360 degrees remote view (surround view)

Check your vehicle status and look at the surroundings of your vehicle remotely through your smartphone using the UVO application.

Built-in camera (Drive Video Record System)

A built-in video recording device can record videos through the front and rear cameras while driving. Videos can be seen through the navigation screen or transmitted to a smartphone.

Destination sharing & Group driving support

Show the current location of your vehicle on other people's navigation screen or smartphone application. Send it out in a text message to facilitate group travel.
※ Available to UVO subscribers with vehicles that have a UVO navigation system

KIA Digital Key

Unlock the doors of your vehicle and start the engine using an NFC card in your smartphone when you don't have the smart key (the smartphone app can be used as a smart key using the Bluetooth function while standing within 10 m from the vehicle).
※ Check the website for smartphone models that are supported.

Crystalline mood lighting & Quilted Nappa leather seats

Mood lamps display 3-dimensional patterns in diverse colors on a luxurious insert film.

Saddle Brown interior

Convenience

Sophisticated lighting can be used to create a special mood while exquisite stitching conveys a sense of quality. An elegant cluster and a wide navigation screen is complemented by user-friendly details to conceive a space that is as enjoyable as driving.

12,3" full-size color TFT LCD cluster

Diverse animated effects are displayed on the full-size color TFT LCD screen whenever the drive mode is switched to enhance the pleasure of driving. Visibility of driving information was optimized to create a safer driving environment.

Door armrest cup holder & seatback USB port

Built-in cup holders on 2nd row door armrests give rear seat passengers greater storage convenience. Powered USB ports on the back of front row seats improve comfort while using electronic devices.

10,25" UVO navigation

A 10,25" wide display enables the driver to see navigation maps and diverse vehicle information at once, while providing access to UVO's advanced, connected car services, such as remote control, safety & security, and vehicle diagnostic services. Widgets and a split screen enhance the ease of operation. (Complimentary 5-year subscription to UVO upon initial enrollment after purchasing a vehicle)

Wireless smartphone charging system

High-tech feature allows convenient, cable-less charging of smartphones with wireless charging capabilities through the simple placement of devices on a charging pad. * A separate charging pad or phone case may be required depending on the phone model. System may not be compatible with models that do not support the use of adaptors.

GO AHEAD

Each of us has a different personality and identity that makes us special,
but when we are together is when we all become a happy bunch.
Once again today, we are ready to embark in an adventure that will enrich our lives,
knowing that life is about meaningful experiences and not about material wealth.
6 p.m. — that's the time when my family and I set out
to live the most spectacular stories of our lives.

Diesel / Snow White Pearl (SWP) / Specifications may vary according to the trim, seating capacity, engine and options that are selected.

What's most important is the people that I share
experiences with, not the time or place.
I let my children's pointing fingers guide me
and rest in places where my love's gaze lingers,
pursuing adventures to my heart's contentment
and cherishing the bond that grows each time
we create our special stories together.

Mineral Blue (M4B) / Specifications may vary according to the trim, seating capacity, engine and options that are selected.

Diesel _ Essence Brown (BE2) / Specifications may vary according to the trim, seating capacity, engine and options that are selected.

BORDERLESS PERFORMANCE

The freedom to go wherever you want without any hesitation starts with your confidence to be able to respond to all types of changes. Sorento offers your family a freedom that knows no limits or boundaries with state-of-the-art safety technology and performance to tackle a host of unexpected circumstances. Take charge over your daily challenges with greater dynamism.

Hybrid _ Snow White Pearl (SWP) / Specifications may vary according to the trim, seating capacity, engine and options that are selected.

8 Airbags*

Front seat advanced airbags control the power of deployment (low/high pressure) according to the force of collision. Passenger seat airbag deploys only when an occupant is detected. An 8-airbag system, including a driver's knee airbag, front row side airbags, curtain airbags, and a front row center airbag, reinforces safety.

Saddle Brown Interior (6-seater)

Safety & Performance

Cutting-edge airbags and a sturdy body reinforce the vehicle's cabin to ensure passenger safety.

Dynamic power that can be controlled with one's fingertips and advanced systems that preempt even the smallest danger let you experience state-of-the-art driving.

Multi-Collision Brakes (MCB)*

An automatic braking function is activated after the deployment of airbags to prevent secondary accidents following a frontal or lateral collision.

Terrain mode

Snow, mud, or sand mode can be selected according to the road surface to optimize driving control and stability ※ 4WD only

Safe Exit Assist (SEA)*

An alarm will sound if a passenger tries to open a door after the vehicle has come to a full stop and the system detects a vehicle approaching from the back in an adjacent lane. Moreover, it will keep the electronic child lock engaged and flash a pop-up warning on the cluster if the child lock is disengaged and an object is approaching from the back, preventing accidents that may occur by opening a rear door.

※ Electronic child lock is only available for rear seats. Operation is subject to the speed and circumstances of the vehicle.

Shift by Wire (SBW) & Smartstream Wet 8DCT

A fine, dial-type electronic transmission renders a cutting-edge driving experience. In addition, the Smartstream Wet 8DCT ensures outstanding smoothness, responsiveness, and directness of transmission, enhancing the dynamic sensation of the drive.

*Virtual images have been used to help viewers' understanding. / Specifications may vary according to the trim, engine and options that are selected.

Remote Smart Parking Assist (RSPA)

Park your car remotely while standing outside. Conveniently back-in or pull-out from a narrow parking space remotely, using the smart key. Brakes apply automatically if a risk of collision is detected, helping to prevent accidents.

Advanced Driver Assistance System

Whether cruising on the highway, backing into a parking space, or parking the car from the outside using the smart key, you are already benefiting from Sorento's advanced driver assistance system.

Rear Cross-traffic Collision-avoidance Assist (RCCA) & Reverse Parking Collision-avoidance Assist (PCA)*

Rear cross-traffic collision warning and reverse parking distance warning help to prevent collisions against cars that approach from the left or the right or obstacles that are in the back of the vehicle while pulling out in reverse. Both features activate the brakes automatically if the risk of collision increases after sounding an alarm.
※ The image below corresponds the rear cross-traffic collision warning.
※ Operation may be limited depending on the speed and circumstances of the vehicle. The image below corresponds the rear cross-traffic collision warning.

Lane Following Assist (LFA) & Highway Driving Assist (HDA)*

LFA helps to keep the center of the lane, while HDA helps the vehicle to maintain a safe distance from the car in front while driving on a highway and to keep the center of the lane even while driving through a curved section of the road at a preset speed.
※ Operation may be limited due to vehicle speed and driving conditions.

Blind-spot View Monitor (BVM)

Cameras attached to the bottom of outside mirrors display an image of the turning sideon the cluster's screen when a turn signal is activated, revealing blind spots that could otherwise not be seen through outside mirrors to create a safer driving environment.

Navigation-based Smart Cruise Control (NSCC)

Helps to drive at safe speeds according to road conditions while driving on a highway. Automatically reduces speed before entering a safe speed section or a curved section of the road and resumes acceleration to preset speeds after passing.
※ Operation may be limited due to vehicle speed and driving conditions.

BORDERLESS STYLE

Style is the most definitive way to express one's individuality, taste, and lifestyle.
Sorento conveys refinement through strong, simple, straight lines, fine taste through attentive details,
and an active lifestyle through iconic features. To me, Sorento is the epitome of self-expression.
