NEW 2015

ATS SEDAN

# ATS SEDAN

SUCCESS ISN'T MEASURED BY  
COULD'VE OR SHOULD'VE. IT'S MEASURED  
BY BEEN THERE AND DONE THAT.

ATS Sedan Premium Collection / Red Obsession Tintcoat

Its look is distinctive. Its interior feels as if it was  
crafted just for you. And it delivers the kind of drive  
that makes you even more driven. Precise. Exact.  
Exhilarating. This is the new ATS Sedan.

ATS Sedan Premium Collection / Red Obsession Tintcoat

EXPLOSIVE ACCELERATION.  
LASTING EXHILARATION.

Pressing the accelerator sets off a chain reaction, turning an ordinary ride into an inspiring drive. The highly **EFFICIENT<sup>1</sup> 2.5L ENGINE** delivers 202 hp (net) for a spirited drive. For those who want even more, choose the available **3.6L V6 ENGINE**, which produces a thrilling 321 hp (net).

<sup>1</sup>Based on EPA-estimated fuel economy of L/100km 11 city/7 highway.

ATS Sedan Premium Collection / Black Diamond Tricoat

When you think performance, you may not necessarily think brakes, but Brembo® is a world leader in performance braking. The available **BREMBO® FRONT BRAKES** provide impressive stopping power and consistent pedal feel for added confidence.

The available class-exclusive **MAGNETIC RIDE CONTROL** real-time active suspension reads changing surfaces and conditions up to 1,000 times per second to provide exceptional ride quality and handling control. Choose from three driver-selectable modes – Tour, Sport and Snow/Ice – so you can adjust your suspension to your preference.

THIS IS ONE BOOK  
YOU CAN JUDGE BY ITS COVER.

With the ATS Sedan, what you see is what you get. The performance nature of the ATS Sedan is reflected in every line and curve. Its low, powerful form slices through the air, while standard 18" wheels are designed not only to look stunning but also to be lightweight and strong.

The available innovative **INTELLIBEAM HEADLAMPS** sense headlamps and taillamps ahead and automatically turn the high beams on and off when needed. **ADAPTIVE FORWARD LIGHTING** (included with HID headlamps) swivels the headlamps in the direction you're steering, helping you see better around curves and delivering the advanced technology you'd expect from Cadillac. Standard **VERTICAL LIGHT SIGNATURES** as well as an **INTEGRATED BRAKE LAMP** feature brilliant LEDs, providing distinctive style and visible function.

Brilliant ideas make life a little brighter, like when you approach your ATS Sedan. One click of the key fob, and the vehicle lights up. Available **ILLUMINATING DOOR HANDLES, PUDDLE LAMPS** and standard front LED vertical light signatures and rear LED vertical light signatures illuminate to add a welcoming glow on a dark night.

The exceptional capability of ATS Sedan is reflected in every feature, including the available **DUAL EXHAUST OUTLETS**, which help increase performance.

For even more information regarding the engineering and artistry of the ATS Sedan, see pages 22-45.
