

ລົດໄຟຟ້າໄຮບຣິດ

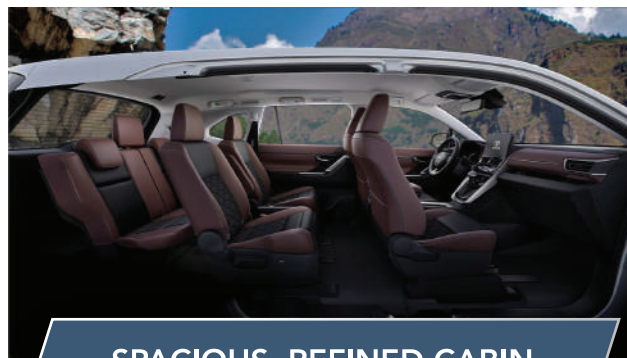

INNOVA ZENIX

ຍົກລະດັບທຸກການເດີນທາງ

A wide-angle, front-facing view of a car's interior. The dashboard is dark with a large central touchscreen displaying the Toyota logo. The steering wheel is black with the Toyota logo in the center and silver accents. The instrument cluster behind the steering wheel shows a digital display with blue and white graphics. The center console has a gear shifter and handbrake. The seats are upholstered in dark brown leather with a textured pattern. The side mirrors and rearview mirror are visible. The background shows a bright, hazy sky.

ENHANCED QUIETNESS

Road and engine noise entering the cabin is significantly reduced thanks to a new dashboard silencer, insulating carpets, and other upgrades.

SPACIOUS, REFINED CABIN

A roomy interior, ambient lighting, and premium trimmings turn the Innova into a haven of relaxation.

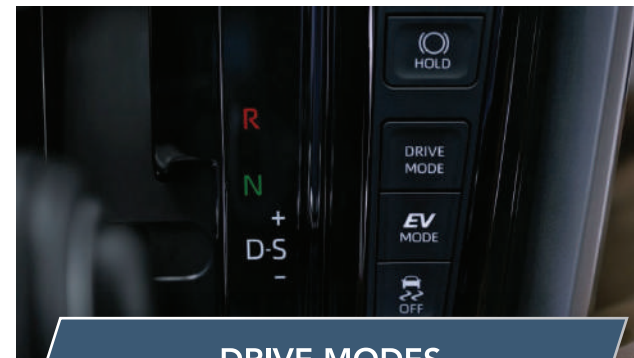

NEXT-LEVEL FUEL EFFICIENCY

Built with a monocoque chassis, the Innova is significantly lighter, contributing to the vehicle's excellent fuel economy.

EXCEPTIONAL COMFORT FOR ALL

Ottoman seats in the second row make the Innova the perfect vehicle for long journeys. Every row is carefully constructed to offer unparalleled comfort for all occupants.

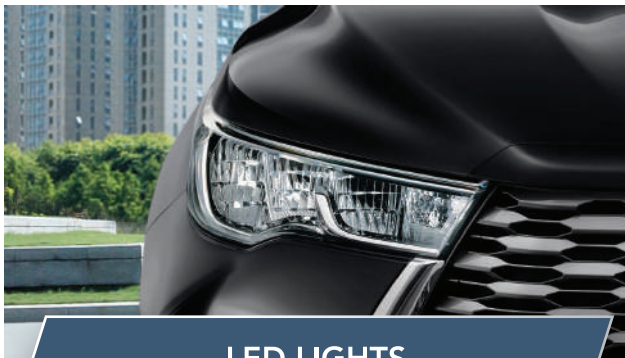

DRIVE MODES

Choose Power mode for sharper acceleration response and a more agile drive, or Eco mode for better fuel economy.

AMPLE LUGGAGE SPACE

The second and third row of seats can be collapsed easily to accommodate long, bulky items.

LED LIGHTS

The daytime running LED headlights are complemented by side turn signal lamps and rear combination lamps.

SMART ENTRY & START SYSTEM

Lock or unlock your vehicle and get going without ever having to pull your Smart Key out of your pocket or purse.

DYNAMIC CROSSOVER STYLE

The Innova has a powerful stance and dynamic styling, complemented with 18-inch alloy wheels.

AMAZING SAFETY

HYBRID

The Innova offers class-leading acceleration, exceptional manoeuvrability, and unparalleled comfort for all passengers. Journey in pure tranquillity in this spacious MPV.

20.4 km/L
Fuel Economy

152 HP
@ 6,000 RPM

2.0L New-Generation
Hybrid Electric

PASSIVE SAFETY

Six SRS Airbags

Driver and front passenger airbags come standard, while side airbags and curtain shield airbags are available for additional protection.

ACTIVE SAFETY

Pre-Collision System (PCS)

PCS helps to anticipate, avoid, and mitigate certain collisions. It alerts the driver and can initiate autonomous emergency braking if its intelligent front sensor detects a probable collision.

Dynamic Radar Cruise Control (DRCC)

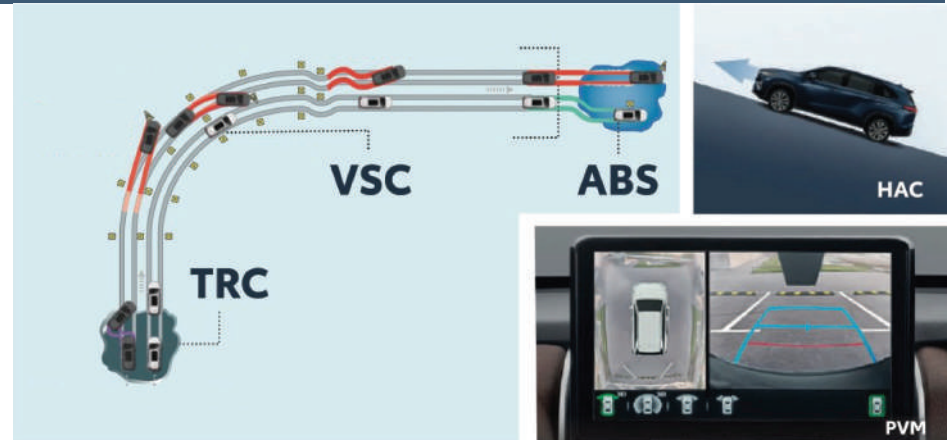

Using radar mounted on the front and a camera on the windshield, DRCC helps to adjust your vehicle's speed and maintain a preset distance from the car in front.

Lane Departure Alert (LDA)

LDA warns the driver to move back to safety if it detects drifting. Steering Assist may also provide extra help for a short time to keep the vehicle in its lane.

Panoramic View Monitor

Get a bird's-eye view of the vehicle and its surroundings for even safer parking and driving in tight spaces.

ON ANY ROAD

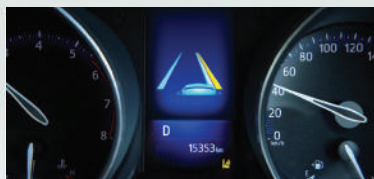

Toyota Safety Sense

PRE-COLLISION SYSTEM

PCS helps to anticipate, avoid, and mitigate certain collisions. It alerts the driver and can initiate autonomous emergency braking if its intelligent front sensor detects a probable collision.

LANE DEPARTURE ALERT WITH STEERING ASSIST

LDA warns the driver to move back to safety if it detects drifting. Steering Assist may also provide extra help for a short time to keep the vehicle in its lane.

ALL-SPEED DYNAMIC RADAR CRUISE CONTROL AND LANE TRACING ASSIST WITH CURVE SPEED REDUCTION

Using radar mounted on the front and a camera on the windshield, DRCC helps to adjust your vehicle's speed and maintain a preset distance from the car in front.

AUTOMATIC HIGH BEAMS

The advanced headlights automatically switch from high to low beam at certain speeds when the system detects oncoming traffic.
