Powerful and attractive

The Audi S5 Sportback

## The big picture? Down to the **smallest detail**

The new design language conveys sportiness and appeal from every angle thanks to the S bumper; a matte titanium black honeycomb radiator grille with matte aluminum silver inserts; wide front air inlets in the frame and the blade in matte aluminum silver. 19-inch wheels; S sport suspension; matte aluminum silver exterior mirrors and door sill trims illuminated with the S emblem also stand out. The wide rear is emphasized by the S diffuser with matte aluminum silver wraparound trim, chrome S-specific twin tailpipes, and the S rear spoiler.

## Its aspiration? To meet **every aspiration**

The sporty interior of the Audi S5 Sportback includes S-specific elements like the S sport seats, standard matte brushed aluminum inlays, and the leather 3-spoke steering wheel with multifunction plus, S emblem and contrasting stitching. The new design includes horizontally styled elements, high-quality materials and a state-of-the-art infotainment stage. The Audi exclusive range offers additional custom options.

## Intuition? And everything in focus

Thanks to the larger interior, the Audi A5 Sportback offers more than a wonderful sense of space for luggage, leisure, and family. This is emphasized by the horizontally styled elements in the interior, the restyled center console, the glass-look door trim in high-quality materials.
