

Q30

INFINITI

EMPOWER THE DRIVE

INFINITE POTENTIAL

We believe every driver is empowered with untold possibilities. To excel. To go as far as their drive will take them. See this take shape on the INFINITI Q30, where dramatic lines and bold proportions put you out front, defining your style. Rule the streets with intelligent technologies designed to enhance performance. Begin by crafting your Q30 for your individual journey. Every selection will transform vision into reality. Yours.

SEE WITH EYE-INSPIRED DESIGN Recognizable from both the front and side, eye-inspired LED headlights and taillights display iconic INFINITI style from every angle.

DRIVE DESIGN FORWARD While the INFINITI Q30 is styled with a flair all its own, the Sport model brings out its sharpest side. Aggressive openings and corners define the Q30 Sport² front fascia, which is matched by an unmistakable rear bumper with integrated, black exhaust tailpipes.

WHEEL CHOICES

UPGRADE YOUR CAPABILITIES

How will your Q30 come to life? Born to challenge, it offers bold ideas for the driven. Create an interior as unique as you. Push the latest technology and change your perception. Of what a premium 5-door can be. And what a powerful statement you can make.

ADAPT FOR WHAT'S NEXT Whatever you come up with tomorrow, you'll know you're ready. The Q30 offers a wide square opening that makes loading and unloading incredibly easy. Pop open the rear liftgate and you'll have direct access to the cargo area, clear from any obstruction.¹ The 60/40 folding rear seats open up more space to carry more of your things while a middle pass-through on Premium and Sport models holds skis or that must-have tower lamp.²

EXPRESS YOUR INDIVIDUALITY Inside Q30, a choice of specialty color themes reflects a new mindset. Choose between the premium look and feel of inviting Graphite leather² and the natural appearance of Beige leather².

SEE EVERY SIDE Gain a new perspective on what's around you when you select the Premium Tech Package. With the Around View[®] Monitor and Moving Object Detection, Front and Rear Sonar System,^{2,3,4,5} it's easier to see and maneuver in even the tightest spaces. Four cameras and one virtual 360° view from above elevate your parking expertise, alerting you when a moving object is detected close by.^{2,3,5}

PARK WITH EASE Make parking look easy with the Premium Tech Package². A first from INFINITI, Intelligent Park Assist uses a combination of 12 sensors to identify a parking area large enough for Q30. Simply engage the gearshift, press a button to confirm, and operate the accelerator and brake pedal. Your vehicle will steer itself smoothly—reversing-in, maneuvering at a 45° angle or parallel parking into your favorite spot at the café.^{2,6}

1 Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect handling and stability of the vehicle. **2** Available on select models. **3** AVM with MOD cannot completely eliminate blind spots and may not detect every object. MOD operates at vehicle speeds below 5 mph. Always check surroundings and turn to look behind you before moving vehicle. **4** The Sonar System is a convenience, not a substitute for proper parking and/or backing procedures. Always check that it is safe to do so before moving vehicle. May not detect every object. **5** MOD cannot completely eliminate blind spots and may not detect every object. MOD operates at vehicle speeds below 5 mph. Always check surroundings and turn to look behind you before moving vehicle. **6** Intelligent Park Assist is only an aid. It is not a substitute for your attention to the immediate surroundings. The responsibility for safe maneuvering and parking the vehicle remains with the driver. **7** Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. **8** Driving is serious business. Only use INFINITI InTouch™ when safe to do so. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. **9** Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. iPod is a registered trademark of Apple Inc. All rights reserved. iPod® not included. **10** Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by INFINITI is under license. **11** TPMS is not a substitute for regular tire pressure checks. **12** Blind Spot Warning is not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you. **13** Lane Departure Warning System operates only when the lane markings are clearly visible. Speed limitations apply. See Owner's Manual for details. **14** Forward Collision Warning cannot prevent accidents due to carelessness or dangerous driving techniques. It may not provide warning or braking in certain conditions. Speed limitations apply. **15** Intelligent Cruise Control is not a collision avoidance system or warning device. Designed to use limited braking. Failure to apply the brakes could result in an accident.
