

THE ALL-NEW
QX55

INFINITI

UNFOLLOW THE CROWD

While life moves in one direction, it offers many paths to progress. For those who lead with a vision that's theirs alone, the QX55 is an all-new crossover coupe that blurs the line between genres, to reclaim the category that INFINITI created. From sport-inspired style culminating in its sleek fastback roofline on the exterior, to its performance-shaped design in the interior, the QX55 is a provocative statement of individuality. As its looks reset the scene, technology helps create connection via INFINITI InTouch™ featuring Apple CarPlay® integration™. And whether on nights out in the city or early starts on the highway, drive assist technologies make possible a drive with confidence and ease – to put your focus on the moment and beyond. Because it's not the challenges and successes in the rearview mirror that count, but the opportunities emerging on the horizon.

LUXURY SHOULD BE LIVED IN

▲ **ROLL WITH DISTINCTION** 20 X 8.5-inch Dark-Painted and Machine-Finished Aluminum-Alloy Wheels

▲ **PROVOKES A SECOND LOOK** Beyond first impressions, there's no mistaking the sport-inspired details of the aggressive front splitter and angular fog light surrounds. The grille is made dynamic by a mesh that gets wider from the badge to the edges. In the rear, the liftgate has a clean look that draws focus to a new signature for INFINITI: Digital Piano Key Taillights. With 45 LEDs set in a deep reflector, each defined "key" lights up in a uniform glow.

▲ **STYLE THAT BLURS THE LINES** To make a new statement, you can mix styles that seem unrelated on the surface. INFINITI was the first to combine the stature and confidence of a crossover with the sleekness of a coupe. We've brought back that vision by merging the best elements of each in the QX55. You can see it in the low, fastback roofline that bravely states its nonconformity. With 20-inch Aluminum-Alloy Wheels, stylishness is amplified by a bold presence. The sheen of black accents unifies the two distinct ideas, from gloss black mirror caps to a gloss black rear spoiler. It's an aesthetic ready-made for the most exclusive events in the city.

*INFINITI has taken care to ensure that the color swatches presented here are the closest possible representations of actual vehicle colors. Swatches may vary slightly due to the printing process and whether viewed in daylight, fluorescent or incandescent light. Please see the actual colors at your local INFINITI Retailer.

EXTERIOR COLORS*

- MAJESTIC WHITE (QAB)
- SLATE GRAY (KBZ)
- GRAPHITE SHADOW (KAD)
- DYNAMIC SUNSTONE RED (NBA)
- HERMOSA BLUE (BW5)
- BLACK OBSIDIAN (KH3)
- MINERAL BLACK (GAT)

▲ **PAINT WITH PERSONALITY** From sophisticated to dynamic, color inspires your own personal style.

INTERIOR COLOR/MATERIAL*

INTERIOR TRIM*

^ EVERY CHOICE IS BOLD

A rich and modern palette is the foundation for a premium space. Engage the senses with a striking combination of sight and touch.

A 360° VIEW ON EVERY OUTING

Big events have tight parking. Maneuver with ease as the Around View® Monitor grants a virtual 360° view from above^{1,7}.

*INFINITI has taken care to ensure that the color swatches presented here are the closest possible representations of actual vehicle colors. Swatches may vary slightly due to the printing process and whether viewed in daylight, fluorescent or incandescent light. Please see the actual colors at your local INFINITI Retailer.

MOMENTUM EXPRESSED

Command the drive from a dynamic interior space. Expressing the same fearlessness as the exterior, the dashboard flows into the armrest in one bold movement that wraps around the driver. With a Monaco Red color¹ scheme inspired by the revered Q60, you're surrounded in a fiery aesthetic. The theme extends to durable yet soft seating, featuring our finest available semi-aniline leather appointments. Down to the sharpest details like the precision stitching, the cabin is as thrilling as the most spirited drives.

TECH THAT HELPS LOOK OUT FOR YOU¹

As automotive technology becomes more advanced, we are striving to find new ways to anticipate the dangers around you. Many are INFINITI world's first technologies, like the Predictive Forward Collision Warning⁶, which can alert you to a potential collision two cars ahead. Available Around View® Monitor with Moving Object Detection⁷ helps elevate your vision as you park with a virtual composite 360° view from above. Finally, you can expand your awareness with the optional Blind Spot Intervention⁸ which uses sensors to help detect cars in your blind spot area and can intervene to help avoid a collision. The QX55 redefines the commute your way.

A DRIVE SHAPED TO YOUR WHIM

Wherever you want to go, however you want to get there, the QX55 amplifies your moves. The Drive Mode Selector lets you choose performance settings – from more laidback to more sport – on the fly. Meanwhile, the VC-Turbo™² engine transforms from within to give you more power or efficiency based on the demands of your right foot.

PLAYLIST PERFECTION There's an art to creating a playlist that takes you somewhere. Similarly, the available Bose® 16-speaker Series Audio¹ transforms your playlist into an immersive soundstage. Down to the shape of the speaker grilles that enhance high and low frequencies.

YOUR LIFE ON YOUR PLATFORM

INFINITI InTouch™ with Apple CarPlay® integration lets you bring the iPhone® experience along for the ride. Or plug in your Android Auto™^{5,7,8}

* Apple CarPlay® and Android Auto™ availability depend on license agreement with the respective country's government.
** Apple CarPlay® and Android Auto™ features and functionality vary by region.

TRIM LEVELS & PACKAGES

QX55 LUXE

MECHANICAL AND PERFORMANCE

- 2.0L VC-Turbo™ 4-cylinder engine
- Continuously Variable Transmission with manual shift mode
- Paddle shifters
- INFINITI Intelligent All-Wheel Drive¹⁰

DESIGN

INFINITI Middle East, reserves the right to make changes, at any time, without prior notice, in prices, colors, materials, equipment, specifications, and models and to discontinue models or equipment. Due to continuous product development and other pre- and post-production factors, actual vehicle, materials and specifications may vary from this brochure. Some vehicles are shown with optional equipment. See the actual vehicle for complete accuracy. Availability and delivery times for particular models or equipment may vary. Specifications, options and accessories may differ in other countries. For additional information on availability, options or accessories, see your INFINITI Retailer or visit [INFINITI-me.com](https://www.infiniti-me.com).

1 Available on select models. **2** VC-Turbo™ launched by INFINITI in model year 2019. **3** Slide-forward function should not be performed with the Child Restraint System occupied. Do not ride in a moving vehicle when the seatback is reclined. For the most effective protection, the seat should be upright. See Owner's Manual for safety information. **4** Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. **5** If equipped, your vehicle may include INFINITI InTouch™ connected features and services such as Navigation, Bluetooth® and other connected features that can be viewed by model on the INFINITI InTouch™ website here: <https://www.infiniti-me.com/intouch.html>. **6** Predictive Forward Collision Warning cannot prevent collisions. See Owner's Manual for safety information. **7** Around View® Monitor with Moving Object Detection cannot eliminate blind spots and may not detect every object. Driver should always turn and check surroundings before driving. See Owner's Manual for safety information. **8** Blind Spot Warning and Blind Spot Intervention Systems cannot prevent all collisions and may not detect every object or warn in all situations. Driver should always turn and look before changing lanes. See Owner's Manual for safety information. **9** Forward Emergency Braking with pedestrian detection cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. **10** Intelligent All-Wheel Drive cannot prevent collisions or provide enhanced traction in all conditions. Always monitor traffic and weather conditions. See Owner's Manual for safety information. **11** Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. **12** Sonar System may not detect every object. Driver should always check surroundings before driving. See Owner's Manual for safety information. **13** Backup Collision Intervention will not detect every object, and speed limitations apply. Always check surroundings and turn to look behind you before moving vehicle. See Owner's Manual for details. **14** Lane Departure Warning and Lane Departure Prevention only operate when lane markings are detectable. See Owner's Manual for safety information. **15** Rear Automatic Braking cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should always turn and check surroundings before driving and brake as needed to prevent collisions. See Owner's Manual for safety information. **16** RearView Monitor may not detect every object and does not eliminate blind spots or warn of moving objects. See Owner's Manual for safety information. **17** Rear Cross Traffic Alert may not detect all vehicles. See Owner's Manual for safety information. **18** Cargo and load capacity limited by weight and distribution. Always secure cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. **19** Intelligent Cruise Control uses limited braking and is not a collision avoidance or warning system. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. **20** Distance Control Assist uses limited braking and is not a collision avoidance or warning system. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information.
