

QX60

INFINITI

EMPOWER THE DRIVE

INFINITI

EMPOWER THE DRIVE

We are like you. We push ourselves beyond our comfort zone. While others might be content with making better machines, we are driven to go beyond—to design cars that push human potential. We build technology to enhance your senses, striking design that demands a response and performance that makes you feel more alive. Prepare to experience the road as it was intended.

INFINITI QX60

Empower the drive with versatility. We gave it an ingenious, sliding and tilting second-row seat, for easy access to the third row. Intelligent All-Wheel Drive¹ to empower drivers with command and control. Family-friendly features like a Rear Entertainment System² with dual 8-inch monitors and wireless headphones. And a 295-horsepower V6 to keep the driver happy, too. QX60. Enjoy the drive, no matter the seat.

EXTERIOR DESIGN

REFINED TO STAND OUT

The prominent front and rear of the QX60 distinguishes itself with a striking balance of function with bold form.

ELEVATED STYLE The unmistakable front and rear fascias of the QX60 display signature INFINITI design. From the double-arch grille to the LED taillights that accentuate the D-pillar, the confident curves captivate attention not usually given to a 7-passenger SUV.

IMMEDIATE SHINE Stylish and functional, xenon HID headlights on the QX60 emit a brighter light over halogen bulbs, while the INFINITI eye-inspired LED daytime running lights provide another level of awareness with its increased visibility.

ILLUMINATE THE DARK See the road more clearly and securely. Utilizing LED technology, the fog lights on the QX60 run more efficiently and brighter than halogen bulbs to help keep you focused on what's ahead.

ATHLETIC STANCE Large 20-inch alloy wheels not only complement the sporty proportions of the QX60, they are designed to make handling more responsive. The lightweight construction inherently reduces unsprung weight and helps contribute to quicker turn-ins.

PERSONAL ATTENTION

CELEBRATING YOUR ARRIVAL

The QX60 extends a welcome to you—and everyone you're with—thanks to thoughtful conveniences that anticipate passengers' needs on arrival.

PERSONALIZED ACCESS As you approach, the INFINITI Intelligent Key lets you unlock the doors and liftgate—and even start the engine without taking the key out of your pocket or purse. As you enter, it slides your seat back for you, then adjusts your steering wheel, outside mirrors, climate, audio and driver settings automatically to your preferences.¹

HANDS-FREE ENTRY Full arms are no barrier to entry. With a swing of your foot under the rear bumper, the Motion Activated Liftgate automatically opens. No reaching for a button. No fumbling for a key. Just hands-free convenience.^{1,2}

SEATING WITH COMFORT Every aspect of your journey is personal. Climate-controlled front seats actively circulate cool or warm air through the seat bottoms and heated second-row seats contribute to keeping everyone in their comfort zones.¹

INVITING YOU IN For added convenience and safety, Welcome Lighting responds to your presence automatically with a sequence of exterior then interior lights. Door handle lights illuminate the ground below, then the interior lights glow to help everyone settle in.

INTERIOR DESIGN

METICULOUS IN EVERY DETAIL

From every seat, the surfaces you see and touch are finely crafted from modern materials and dedicated to comfort.

OPTICAL PERFECTION Where the dashboard meets the door or center console, the interior components are assembled to look perfect to your eye. This requires an exacting manufacturing process that tightens the space in order to achieve a seamless design from the driver's point of view.

CONSISTENT SWITCH FEEL Touch a button. Then touch the one next to it. Notice that every button and switch is crafted with the same level of precision, so you sense a consistent INFINITI feel on your fingertip. With this attention paid to a switch, imagine how the remaining surfaces feel.

DISTINCTIVE STYLE The first- and second-row leather-appointed seats feature a unique quilting pattern design that runs on both seat back and bottom of the seats, raising the level of sophistication.¹

UNIQUE INTERIOR ACCENT The QX60 offers a well-appointed and inviting interior with high-quality materials. Maple interior accents give the cockpit a distinctive look and merges elegant luxury with modern aesthetics.¹

PLEASING TO THE EYES The soothing glow of the Fine Vision electroluminescent gauges has been designed to not only be brighter, but the contrast delivers information clearly, even at a glance.

ROOMINESS

MORE SPACE TO ENTERTAIN

The open layout and brightness of the QX60 cabin creates an environment where personal comfort can be found in any seat.

COMFORT IN EVERY SEAT The Tri-Zone Automatic Temperature Control with microfilter indulges those inside with personal comfort. For the driver and front-seat passenger, individual climate controls are located on the instrument panel, while rear passengers can adjust the temperature through controls on the back of the center console.

WIDE OPEN VIEW The second- and third-row glass panoramic roof elevates your passengers' viewing pleasure, streaming natural light into the cabin. For added comfort, a lightweight sunshade opens and closes with the touch of a button.¹

PERSONAL ENTERTAINMENT With larger dual 8-inch headrest monitors,² rear-seat passengers can enjoy playing their own movies or games, while those in front can relax to their own music. A new HDMI port in the rear console expands the possibilities even further.

ABUNDANT SPACE The QX60 provides versatility precisely tailored to the needs of every guest. Its low, wide stance helps maximize head and hip room for all passengers and the sculpted backs of the front seats give rear passengers more legroom.

FLEXIBILITY

VERSATILITY OPENS UP POSSIBILITIES

The ease and intelligence of the QX60 interior design adapts to everyone and everything you bring with you.

EASING ADAPTABILITY The third row of the QX60 can effortlessly rise with a touch of a button located inside the cargo area. Loading and unloading has never been easier.^{1,2}

ACCOMMODATING ACCESS The ingenious, sliding second-row seats maximize legroom comfort, making the QX60 the only vehicle in its class with the ability to tilt and slide the seat forward on one side, even with a child seat installed.³ Enjoy easy access to the third row while experiencing exceptional levels of versatility.

TAILORING COMFORT Sliding second-row seats go to lengths to make sure your passengers find the room they need. Sliding 5.5 inches forward and rearward, you can tailor legroom in the second or third row.

MAXIMIZE VERSATILITY The expansive interior was intelligently designed to adapt its volume to your needs. Optimize your cargo capabilities with 60/40-split second-row seats and 50/50-split third-row seats that fold virtually flat, providing a surface big enough to accommodate almost everything for your journeys.²

CONNECTIVITY

IN TOUCH WITH YOUR CONNECTED WORLD

INFINITI InTouch™ makes your world flow. Your life is always moving, and INFINITI InTouch™ with Navigation which seamlessly brings your world into your car. Stay ahead and in contact with voice, text, calendar, navigation and music.^{1,6}

A PREMIUM CONNECTION Every time you get into the QX60, experience a seamless connection with technology that responds like the technology you hold in your hand. Connecting your smartphone to INFINITI InTouch™ with Navigation which brings your world into your car, allowing you to catch up on the latest news, listen to your playlist, navigate unfamiliar streets or call your friends.

EMPOWER YOUR TOUCH The INFINITI Controller puts simple, intuitive control of your technology systems at your fingertips. It allows you to interact via the inputs most intuitive to you—turning ring, touch-screen, input buttons, and even steering wheel controls—responding to you rather than you adjusting to it.

HIGH-QUALITY SOUND The Unique styling Bose® Center point system boasts 14 speakers including Driver's audio stage. Each has been custom-tuned to deliver rich and realistic 2.0CH. Active Noise Cancellation¹ intelligently detects road or wind noise and neutralizes it with opposing sound waves for a more serene driving experience.

SPEAK YOUR DESIRE INFINITI Voice Recognition allows you to set a destination on the navigation system, call a contact from your phone, choose a radio station and much more—without removing your hands from the wheel. The system recognizes a wide variety of commands, making your life that much simpler and more elegant.

WIRELESS POSSIBILITIES Pair your Bluetooth®-compatible smartphone with your QX60, and a hands-free world opens up.⁵ Receive and place calls. Stream your favorite playlists from portable music players. All with the touch of a steering wheel button.⁶

EFFORTLESSLY EXTEND YOUR ABILITIES

Cruise smarter. Navigate easier. Steer truer. View clearer. Follow steadier. With driver-enhancing technologies, you can now move with a new level of ease.

CRUISE SMARTER

Set your desired speed and distance and Intelligent Cruise Control (Full-Speed Range)^{1,8} can automatically adjust your speed in slowing traffic. When traffic speeds resume, Intelligent Cruise Control can bring you back up to your preset speed and distance.

NAVIGATE EASIER

Find your way through busy streets and unfamiliar territory. INFINITI InTouch™ with Navigation^{1,4} lets you choose a view that's most intuitive to you – a 2D overhead view or a 3D perspective. Lane Guidance will also help escort you exactly where you need to be for exits and interchanges.

VIEW CLEARER

Gain a new perspective on what's around you. With the Around View® Monitor with Moving Object Detection and Front and Rear Sonar System,^{1,10,11} it's easier to see and maneuver in even the tightest spaces. Four cameras and one virtual 360° view from above elevate your parking expertise while also alerting you whether a moving or stationary object is detected close by.

STEER TRUER

The Lane Departure Warning and Lane Departure Prevention Systems^{1,9} monitor lane markings and will warn you if you start to drift. If the drift continues, the Lane Departure Prevention System will ease your vehicle back towards the center of your lane by applying the brakes on the opposite side of the vehicle.

FOLLOW STEADIER

Distance Control Assist^{1,12} looks ahead and warns you if your following distance becomes too short. If detected, and you do not take your foot off the accelerator pedal, the system will automatically apply up to 40% of braking power and push back on the pedal.

SAFETY

EFFORTLESSLY EXTEND YOUR AWARENESS

A unique combination of active and passive safety innovations enhance your ability to respond instinctively.

RESPOND TO YOUR SURROUNDINGS Forward Emergency Braking with Pedestrian Detection^{1,13} can detect vehicles in the lane ahead of you. If deceleration is needed to help minimize a collision or even help prevent one, the accelerator pedal can be pushed up and the brakes can be applied. The system adds another dimension of security by also looking out for pedestrians that enter your vehicle's path.

SENSES WHERE YOU CAN'T SEE The Blind Spot Warning and Blind Spot Intervention® Systems^{1,14} use sensors to help alert you to a vehicle detected entering the blind spot area in an adjacent lane and helps you avoid it. First, the warning light illuminates. Then, if you begin moving toward the occupied lane, a warning sounds. The system will even apply opposite side brakes to help you guide your vehicle back toward the center of your current driving lane.

MORE CONFIDENT IN REVERSE Backup Collision Intervention^{1,15} increases your awareness and ability to react. As you back up, the system warns you if approaching vehicles and large stationary objects are detected behind your vehicle and can help you avoid a collision by applying the brakes.

RECOGNIZING DANGER Predictive Forward Collision Warning^{1,16} uses radar to continuously monitor not only the vehicle directly ahead of you but the vehicle in front of that one as well. If the system detects a potential risk, it provides an alert and tightens the driver's seat belt to help restrain you.

PREPARED TO PROTECT During emergency braking situations, the Front Pre-Crash Seat Belts are automatically tightened.¹

ENHANCED PROTECTION Based on the severity of the crash and seat belt usage, the INFINITI Advanced Air Bag System adjusts inflation in the dual-stage front supplemental air bags. Also featured are front seat-mounted side-impact supplemental air bags and roof-mounted curtain side-impact supplemental air bags.¹⁷

STRONGER AND LIGHTER Ultra high-strength steel is twice as strong as conventional steel and is built around you to enhance your safety in case of a collision.

ENGINEERING

UNITE POWER WITH CONTROL

Experience performance that's innately in tune to the conditions so you'll feel more in command.

MAXIMIZE YOUR DESIRE INFINITI Drive Mode Selector allows you to select a driving experience that fits your needs of the moment, with four options: Standard Mode, appropriate for everyday conditions; Eco Mode, which helps increase fuel economy; Sport Mode, which allows for sportier acceleration; and Snow Mode, helping you maintain control and avoid spinning wheels in snowy conditions.

KEEP YOU IN PLACE Navigate over hilly terrain effortlessly. The Hill Start Assist system allows you to get started without rolling backward. Brakes are automatically applied to help prevent your vehicle from moving and will hold it momentarily until the accelerator is applied.

EXCEPTIONALLY SMOOTH The QX60 changes the way you feel power without ever changing gears, thanks to a Continuously Variable Transmission. CVT replaces traditional gears with a continuously adjusting belt, meaning you'll always have the optimum setting for responsive acceleration, fuel efficiency and the feeling of effortless smoothness.

INTUITIVE TRACTION INFINITI Intelligent All-Wheel Drive³ adjusts for better traction by sending anywhere from zero to 50% of the power to the rear wheels, enhancing available traction and control when conditions are compromised. When all-wheel drive is not needed, 100% of the power is channelled to the front wheels.

A CONTINUOUS RUSH Acceleration Swell is our vision of power, dedicated to delivering a shape and feel to acceleration. By precisely tuning the engine to unleash torque at a broader rev range, the force you feel seems to increase the faster you go, making Acceleration Swell feel more like a limitless rush than a momentary thrill.

ASSISTING EFFICIENCY To help improve fuel economy, the Eco Pedal¹ system counteracts with the pedal push-back control mechanism if an excess of pressure on the accelerator is detected. An indicator on the instrument panel will also indicate the optimal level for fuel-efficient driving.

295
HP

3.5-LITER V6 DIRECT INJECTION ENGINE A paragon of power and efficiency, the new V6 features advanced direct injection technology to help increase power and torque while retaining its legendary smoothness and response.

FEATURES

POWER
Automatic-on/off High Intensity Discharge (HID) bi-functional xenon headlights
LED fog lights (front)
LED day time running lights
LED rear brake lights and center high-mounted stoplight (CHMSL)
UV-reducing solar glass
Power folding outside mirrors with reverse tilt-down feature
Power sliding tinted glass moonroof with one-touch auto open/close, tilt feature and sliding sunshade
Power rear liftgate
Integrated rear spoiler
Front door handle courtesy lights
INFINITI Intelligent Key with Illuminated Push Button Ignition
Tri-Zone Automatic Temperature Control system (ATC) with microfilter
Power windows with illuminated switches and one-touch auto-up/down with auto-reverse feature
Power door locks with automatic locking feature
Front center console with armrest, dual-level storage compartment, 12-volt power outlet, auxiliary input jacks and USB connection port ¹
Rear-seat heating vents under first and second-row seats
Rear console-mounted and third-row side trim cooling vents
Retained accessory power for windows and moonroof
Sequential welcome lighting illuminated entry system and overhead ambient light
8 cup holders and 6 bottle holders
Leather-appointed seating
Dual-occupant memory system for driver's seat, steering wheel and outside mirrors, linked to individual Intelligent Keys
60/40-split folding, sliding second-row bench seat

QX60 STANDARD FEATURES
8-way power driver's seat
6-way power front-passenger's seat
Entry/exit assist for driver's seat and steering wheel
Heated front seats
Multi-mode second-row seat for easy third-row entry/exit, including ability to access the third row even with a child seat installed
50/50-split folding third-row seat with recline
Maple interior accents
12 Speaker 2.0CH Unique Styling Bose Centrepont Audio System with 1DVD, MP3, AM/FM SSV Radio, Bluetooth, VTR_JACK, 2USB, AUX
9.3 GB Music Box® hard drive
USB connection port for iPod® interface and other compatible devices ⁶
Power tilt and telescopic steering column
Bluetooth® hands-free Phone System ⁵
INFINITI Controller for navigation, audio, climate control, fuel economy, maintenance, and comfort and convenience features
INFINITI InTouch™ Navigation System with 8-inch WVGA color touch-screen display, Lane Guidance and Arabic language support
Around View Monitor with Moving Object Detection ⁴ and Front and Rear Sonar System ¹¹
Cruise control with steering wheel-mounted switches
INFINITI Intelligent-View™ Display
Park Guide with voice guidance and line markings ¹⁸

QX60 OPTIONAL FEATURES*
Rain-sensing front windshield wipers
Second and third-row panoramic moonroof with power rear sunshade
Power tip-up buttons for third-row seats in cargo area
Roof rails

QX60 OPTIONAL FEATURES*
Advanced Climate Control System with auto-recirculation, Plasmacluster™ air purifier and Grape Polyphenol Filter
120 V power outlet ¹⁹
Climate-controlled front seats
14 Speaker 2.0CH Unique Styling Bose Centrepont Audio System with Driver's audio stage, 1DVD, MP3, AM/FM SSV Radio, Bluetooth, VTR_JACK, 2USB, AUX
Remote engine start
Dual 8-inch color monitors for multimedia video playback (rear, front headrest mounted) with two wireless headphones and wireless remote control
Blind Spot Warning (BSW) & Blind Spot Intervention® systems ¹⁴
Backup Collision Intervention (BCI) ¹⁵
Lane Departure Warning (LDW) and Lane Departure Prevention (LDP) ⁹
Distance Control Assist (DCA) ¹²
Forward Emergency Braking (FEB) with Pedestrian Detection ¹³ , Intelligent Brake Assist (IBA) ²⁰ with Predictive Forward Collision Warning (PFCW) ¹⁶
Intelligent Cruise Control (Full-Speed Range) ⁸
Active Trace Control (Adjusts vehicle braking and engine torque to help enhance cornering feel)
Front Pre-Crash Seat Belts

TECHNICAL DATA

POWER	
Engine	3.5-liter 24-valve V6 engine, aluminium-alloy block and heads
Valvetrain	Double overhead camshaft (DOHC), 4 valves per cylinder with microfinished camshafts. Continuously Variable Valve Timing Control System (CVTCS) optimizes opening of intake valves
Horsepower	295 hp at 6,400 rpm
Torque	350 Nm at 4,800 rpm
Transmission	Electronically controlled Continuously Variable Transmission (CVT). Manual shift modes offers sequentially selectable manual gearshifts
Drive type	Intelligent All-Wheel Drive (AWD)

HANDLING	
Steering	Type Turning diameter Vehicle-speed-sensitive power steering 11.8 m
Suspension	Front Rear Independent MacPherson, strut with coil springs over shock absorbers, stabilizer bar Independent, multi-link with coil springs and shock absorbers, stabilizer bar

INFINITI has taken care to ensure that the color swatches presented here are the closest possible representations of actual vehicle colors. Swatches may vary slightly due to the printing process and whether viewed in daylight, fluorescent or incandescent light. Please see the actual colors at your local INFINITI Retailer.

This brochure is intended for general descriptive and informational purposes only. It is subject to change and does not constitute an offer, representation or warranty (express or implied) by INFINITI Middle East or any of the INFINITI retailers. Interested parties should confirm the accuracy of any information in this brochure as it relates to a vehicle directly with their respective INFINITI retailer, before relying on it to make a purchase decision. INFINITI Middle East, reserves the right to make changes, at any time, without prior notice, in prices, colors, materials, equipment, specifications, and models and to discontinue models or equipment. Due to continuous product development and other pre- and post-production factors, actual vehicle, materials and specifications may vary from this brochure. Some vehicles shown with optional equipment. See the actual vehicle for complete accuracy. Availability and delivery times for particular models or equipment may vary. Specifications, options and accessories may differ from one country to another. For additional information on availability, options or accessories, see your INFINITI retailer.

1 Available on select models. **2** Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. **3** Slide-forward function should not be performed with the CRS occupied. **4** Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. **5** Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by INFINITI is under license. **6** Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. **7** State laws may apply; review local laws before using. **8** Intelligent Cruise Control is not a collision avoidance or warning device. Designed to use limited braking. Failure to apply the brakes could result in an accident. **9** The Lane Departure Warning/Lane Departure Prevention Systems operate only when the lane markings are clearly visible on the road. Speed limitations apply. See your Owner's Manual for more details. **10** AVM with MOD cannot completely eliminate blind spots and may not detect every object. MOD operates at vehicles speeds below 5 mph. Always check surroundings and turn to look behind you before moving vehicle. **11** The Sonar System is a convenience, not a substitute for proper parking and/or backing procedures. Always check that it is safe to do so before moving vehicle. May not detect every object. **12** Distance Control Assist helps maintain a distance to the vehicle in front of you under certain conditions. Not a collision avoidance system. Failure to apply the brakes could result in an accident. **13** FEB with Pedestrian Detection is not a replacement for responsible driving. May not provide braking or pedestrian detection in certain conditions. Limitations apply. See Owner's Manual for details. **14** Blind Spot Warning/Blind Spot Intervention Systems are not a substitute for proper lane change procedures. The systems will not prevent contact with other vehicles or accidents. They may not detect every vehicle or object around you. **15** BCI will not detect every object, and speed limitations apply. Always check surroundings and turn to look behind you before moving vehicle. See Owner's Manual for details. **16** PFCW is intended to warn you before a collision occurs; it cannot prevent a collision. Speed and other limitations apply. See Owner's Manual for details. **17** Air bags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. All children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents; see your Owner's Manual for more details. **18** Park guide is a convenience, not a substitute for proper parking procedures, and may not detect exact space around the vehicle. Always check your surroundings before moving the vehicle into the parking spot. Ensure sufficient parking space is available. **19** Do not use with accessories that exceed 120V, 150W power drain. **20** IBA is not a collision avoidance system. It may not provide warning or braking in certain conditions, never rely solely on IBA.

GENUINE INFINITI ACCESSORIES

The same exacting standards applied to the creation of an INFINITI vehicle go into designing and manufacturing Genuine INFINITI Accessories. With a wide array of quality products designed to integrate seamlessly, you can be assured of a custom fit and finish.

ACCESSORY SHOWN

Roof rail crossbars and splash guards.

CARGO AREA PROTECTOR WITH FLIP-UP FUNCTION

- Keeps cargo area clean and helps protect it from scratches and damage.
- Water-resistant heavy duty cargo area protection. Covers the 3rd row while folded down or flips up if 3rd row is in use for extreme flexibility.
- Available in graphite.

SPLASH GUARDS

- Reduces dirt spray on lower body panels while helping to prevent nicks and scratches caused by road debris.
- Contoured to match wheel openings.
- Adds style while helping protect your resale value.

CARGO NET

- Helps keep items from shifting during driving.
- Nylon-cord trunk net with tie-down hooks in the cargo area helps secure loose items and keep them organized.

ROOF RAIL CROSSBARS (2-PIECE SET)

- Crossbars integrate into existing roof rails for maximum utility.
- Add crossbars to carry all necessary roof-rail attachments.
- Wind-tunnel-tested design.

UNDERFLOOR STORAGE DIVIDER

- Keeps items from rolling around in the underfloor storage bin.
- Dividers easily partition the underfloor storage bin into three sections for increased functionality and organization.

REAR CARGO COVER

- Keeps your valuables safe and out of sight with this easy foldable cargo cover.
- Stores easily in its included bag in the under floor storage compartment.

STAINLESS STEEL REAR BUMPER PROTECTOR

- Protects your bumper from dings and scratches while enhancing the appearance of your vehicle.
- Stainless steel for a sophisticated appearance and durable wear.

UNDENIABLE PRESENCE. UNFORGETTABLE EXPERIENCE.

The INFINITI vehicle range defies convention and redefines the premium segment through empowering technologies and expressive design.

ESTABLISHED IN 1989, INFINITI has now grown to include saloons, coupés, convertibles, crossovers and SUVs in its line-up and spans 50 countries worldwide. INFINITI is unique and distinctive – not trying to be all things to all people, but everything to some people. At the heart of the INFINITI brand is a history of human attentiveness where the belief that the total ownership experience is much more important than just the car itself, coupled with a commitment to delivering a more empowering, more assured and more exhilarating driving and ownership experience.

INFINITI HAS COME to be recognised as a brand that delivers expressive and striking car design. A distinctive design crafted by human hand and delivered with a powerful and daring presence on the road. This, combined with an obsessive attention to detail and precision engineering, all contribute to the feeling that to drive an INFINITI is something special.

All illustrations, photographs and specifications in this catalogue are based on the latest product information. Specifications may vary from product shown.
Some vehicles are shown with optional equipment. INFINITI reserves the right to make changes at any time, without notice, and to discontinue models or equipment.
Because of the limitations of the printing processes used, the colours shown in this brochure may differ slightly from the actual colour.
Features and specifications are subject to change depending on market requirements. Please consult your local dealer and see actual vehicles for complete accuracy.
