MG7

SYMPHONY OF PASSION

The MG 7 presents an unparalleled fusion of performance and poise, coming together in a masterful work of art. Its sleek and stylish design, advanced safety and tech features, along with its turbocharged engine make the MG 7 the pinnacle of passion.

PERFORMANCE

THE PINNACLE OF POWER

The MG 7 secures the Guinness World Records for altitude performance, making it a powerhouse of responsive and adaptive driving. With a turbocharged engine ready for any adventure, the MG 7 always goes the extra mile.

CRAFTED BEVELS AND CURVES ADORN THE EXTERIOR

DARK, SPORT INSPIRED RIMS

SPORT INSPIRED SPOILER

The MG 7 combines a heritage of innovation with future-ready design trends, in a harmonious elegance seen from every corner and curve. The MG 7's striking exterior features, frameless doors, adaptive electric tail wings, and its captivating lighting system will surely turn heads no matter where you are on the road.

MG7
INTERIOR

INTERIOR

STYLE AND SOPHISTICATION

The spacious and comfortable cabin of the MG 7 immerses you in every ride. Whether you're driving or enjoying the vibes in the passenger seat, the MG 7's intelligent cabin creates a complete symphony of elegance and sophistication.

A low-angle shot from the driver's perspective looking up at the panoramic sunroof of the MG 7. The sunroof is a large, dark frame with a clear glass panel, allowing bright light to enter the cabin. The interior trim and roof rails are visible.

PANORAMIC SUNROOF FOR NATURAL AMBIENCE

A close-up view of the front bucket leather seats in the MG 7. The seats are dark-colored with a textured, perforated leather finish. The steering wheel and dashboard are partially visible in the background.

BUCKET LEATHER SEATS

A view of the open rear trunk of the MG 7. The trunk is spacious and features a black interior lining. The rear seats are folded down, and the trunk lid is open, showing the exterior of the car.
