A NEW TAKE ON SPORT LUXURY

Get behind the wheel of the new MG 6 and experience the best of both worlds. It's sporty and responsive at the wheel and at the pedals, but features and elegant interior loaded with creature comforts

THE FAMOUS BADGE

There's never been a more iconic octagon. From the moment in 1924 England that Morris Garages became "MG," the brand leaped into the hearts and minds of car lovers the world over.

True power comes from an efficient, Turbocharged 1.5L engine that produces 166 Ps and 250 Nm of torque.

Chic, two-toned 18-inch alloy wheels are both stylish and functional.

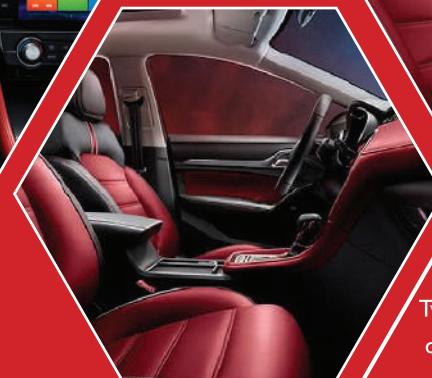

View real-time stats on a 7-inch Virtual Instrument Cluster, while the 8-inch LCD Infotainment system with Apple Carplay® ensure hands-free connectivity.

"London Eye" headlamps, a "Stardust" grille, and flowing Tail Lamps accentuate the MG 6's sporty value proposition.

The MG 6's flat-bottomed steering wheel is a nod to the brand's rich racing heritage, updated with multi-functional controls to keep up with the times.

The MG 6 is built around an ultra-rigid safety cage and features a 6-airbag system.

Two-toned red and black seats, dash and door panels give the MG 6 an eye-catching and attractive cabin.

*Available for MG Red and Pearl Black MG 6 Trophy Variants only.
