REFINEMENT

Whoever
you are
Wherever
you're going

If you're considering going electric but still want to go the distance, then the MG EHS Plug-in Hybrid is perfect for you. Its powerful engine and economical electric motor mean you're reducing CO₂ emissions without sacrificing range. Its sleek, sporty looks and spacious interior mean that you're not sacrificing comfort for style.

City driver? It's for you.
Road trip? It's for you.
City driver on a road trip? It's for you.
Solo? Couple? Family? It's for you.
And you. And you!

And... you.

Plug-in Hybrid

Plug-in Hybrid: low emissions, high range, convenient charging.

Innovative technology: keyless entry, Apple CarPlay™, Android Auto™ and more.

Complete peace of mind: 7-year warranty.

Recharge yourself

The use of superior materials and leather options adds refinement and luxury throughout the interior.

A bold 10.1" colour infotainment touchscreen at the heart of the stylish dashboard offers satellite navigation and mobile connectivity.

The spacious interior has class-leading room in the front and convenient reclining seats in the rear.

An advanced integrated 6-speaker sound system with DAB audio lets you pick the perfect soundtrack for every trip.

Thanks to the integrated USB mobile phone charging function, you'll never lose touch with your friends and family.

The 360° parking camera gives you an unobstructed view in even the tightest parking spots.

Adaptable ambient lighting lets you customise the mood of your interior – soft or sporty, it's all up to you.

Ergonomically designed seats provide comfort and support in all the right places, for an extra smooth ride.

Made for you

The MG EHS Plug-in Hybrid was made for you – top to bottom, inside and out.

It's time to embrace next-generation mobility, with no restrictions. Reduce your CO₂ emissions in a dynamic SUV that offers all the high-quality specs and long range that make driving a true pleasure.

With its purposeful, sporty looks and a spacious interior filled with comfort and intelligent features, it's easy to just get in and get away for the perfect escape. Relax in the generous seats and enjoy the welcoming interior as our MG Pilot driver-assistance tech smooths out the ride.

There are two attractive levels of trim to discover – Comfort and Luxury – so there's always an MG EHS Plug-in Hybrid that suits your lifestyle.

Electric performance and battery

LED headlights^!

Charging made simple

DUAL-MOTOR TECHNOLOGY

The MG HS Plus EV matches cutting-edge lithium-ion battery technology with an equally advanced hybrid powertrain to deliver trusted performance for a smart drive.

The Intelligent Hybrid Energy Management System is the key to the HS Plus EV's smooth and refined daily driving experience.

The sophisticated control system monitors and adjusts the vehicle's power output in real time to compensate for prevailing road conditions.

The system also actively learns the driver's individual driving style, balancing power requirements and battery management to further improve fuel efficiency and ensuring optimal use of the electric range.

MORE POWER WITH LESS CONSUMPTION

Exceptional fuel economy, vastly reduced CO2 emissions and impressive acceleration is all part of the HS Plus EV experience.

MG's most powerful SUV delivers rapid acceleration, reaching 0-100km/h in just 6.9 seconds.

Proving that power and economy aren't mutually exclusive, the MG HS Plus EV returns an impressive 1.7L/100km fuel consumption figure (combined)~ and combined CO2 emissions of just 39 grams per kilometre.~

Engage EV mode with the press of a button at any speed, and you'll not only save money at the bowser, but your emissions fall to zero.

~Figures according to ADR 81/02 derived from laboratory testing. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted, will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

THE NEW STANDARD IN SAFETY

At MG, innovation runs deep.

So, when it comes to safety, we've gone above and beyond in the MG HS Plus EV by incorporating all the latest safety technology into a single platform we call MG PILOT.

With its 10 Active Driver Safety features as standard, MG PILOT is constantly sensing your surroundings, on the lookout for unseen hazards. With the ability to react autonomously in situations where driver safety is at risk, take comfort that you and your family are backed by a new level in safety intelligence. With 6 SRS airbags, the MGHS Plus EV offers a new standard in safety.

Active Emergency Braking

Rear Cross Traffic alert

Lane Keep Assist

360 Camera

^!Available on Essence

INTELLIGENT SPEED LIMIT ASSIST
Actively detects speed limit signs and alerts you to your current vehicle speed.

TRAFFIC JAM ASSIST
Detects heavy traffic and automatically follows the vehicle in front, controlling acceleration, braking and steering within the lane.

REAR CROSS TRAFFIC ALERT
Alerts you of approaching vehicles and pedestrians when reversing out of parking spaces.

ADAPTIVE CRUISE CONTROL
Detects the front vehicle position and keeps a safe distance between your HS and the car in front.

360 DEGREE CAMERA^{^!}
Provides you with a 360 field of view around the vehicle when reversing.

ACTIVE EMERGENCY BRAKING
Senses impending collisions and applies the brakes to help avoid or lessen impact.

LANE KEEP ASSIST
Alerts the driver when the HS Plus EV is getting too close to the lane edge.

INTELLIGENT HEADLAMP CONTROL
When driving at night or in low light conditions, the forward-facing camera detects the environmental circumstances and will automatically switch your headlights between regular and high beam for you.

BLIND SPOT DETECTION
Registers objects in hard-to-see areas to help you change lanes safely.

The above safety features are driver assist technologies that are not a substitute for safe and attentive driving or for the drivers control over the vehicle.

8" Hurricane Diamond cut alloy wheels

STYLE NEVER SHOUTS

MG HS has the bold lines and statement features of a thoroughbred SUV. At the front our stellar field grille perfectly frames our largest MG badge yet. Travel down the sleek lines, past the gleaming alloys, and to the rear you'll find the twin tailpipes and aluminums bumper exuding dynamic confidence.

Panoramic Opening Sky Roof

EVERYDAY COMFORT AND SPACE

Intricate finishes, luxuriously soft-touch materials and premium technology result in a truly refined and elegant cabin space. Designed for passenger and driver comfort, take to the wheel or enjoy the journey in a stylish Bader Leather heated sport seat with Alcantara trim (Essence) and striking red contrast stitching.

Create instant ambience with the customisable interior cabin lighting and enjoy the connectivity of Apple CarPlay, Android Auto and Satellite Navigation, all controlled through the 10.1" colour touchscreen. In addition, review the real-time performance of your MG HS Plus EV with a large 12.3" virtual instrument cluster, directly in your field of vision for quick adjustments on the road.

Overhead, the exceptionally large panoramic stargazer sunroof fills the cabin with natural light for a spacious and airy drive (Essence). Whilst in the back, the 60/40 split reclining rear seats, allows you to access a maximum of 1275 litres of cargo space, for all the room you need in an SUV.

An easy pick of 4 beautiful colours
