PROTON

**INTELLIGENCE
THAT INSPIRES**

REFINED DESIGN

Pure Inspiration.

Good art inspires. Good design motivates.

Design is not just what it looks like and feels like.

Design is how it works.

The PROTON X70 is where the Malaysian inspired form and world class function come together in perfect harmony.

The Malayan tiger in full motion inspires the sleek silhouette of the Proton X70.

The front grill follows the dynamic form of an ethereal bow that is accentuated by the interlocking patterns of Malaysian woodcarving design; continuing the tradition of the Malaysian craftsmanship.

“Design is creativity with strategy.” - Rob Curedale
