

RS 3

Sedan

Showstopping performance

Dynamically driven

High performance is part and parcel of every RS model, but the RS 3 Sedan brings a new level of agility through refinements in chassis engineering and developments of the quattro all-wheel drive system.

Ready for the track

With a range of high-performance items as standard, the RS 3 Sedan is well equipped to take on the rigours of circuit work — especially with its RS sport suspension which provides impeccable body control.

Living up to a competitive legacy

The five-cylinder engine that beats at the heart of the RS 3 Sedan is more than just a stout power plant. It harks back to the original Ur Quattro that dominated the world of rally, thundering through stages with its distinctive engine and exhaust notes.

Critical metrics for proper care

The infotainment system in the RS 3 Sedan is set up not only to provide you with functionality for media and entertainment but also to allow you to monitor various coolant and oil temperatures during spirited driving.

Easy control well beyond the limit

With the special RS Torque Rear mode, taking corners on a racetrack is more entertaining than ever. Power is shuffled to the rear outside wheel allowing you to break traction and enter easy, controllable drifts.

Civilised when you need it to be

With the RS exhaust system, you're treated to the full volume of the five-cylinder engine running to its 6,900 rpm redline, but thanks to an integrated exhaust flap, it quiets down to more civilised levels at the push of a button.

Audi RS 3 Sedan

2.5 TFSI quattro

Technical Specifications

Engine	2.5 TFSI 400PS (294kW) 5,600 - 7,000 rpm
Torque	500 Nm 2,250 - 5,600 rpm
Injection method	Direct injection/turbo
Gearbox	7-speed S tronic
Performance (0-100km/h)	3.8s
Fuel tank capacity	Aprox. 55 litres
Dimension (L x W x H mm)	4,542 x 1,851 x 1,412
Wheelbase (mm)	2,631
Driven wheels	quattro permanent all-wheel drive
Wheel type	19" 10-spoke Y style alloys
Suspension	McPherson struts (front) & Four-link (rear)
Seat material	Fine Nappa leather
Luggage capacity	321 litres

5 years unlimited mileage warranty

3 years free maintenance

5 years roadside assistance

Equipment Highlights

Safety

6 airbag system
(2x front, 2x side, 2x curtain)
Anti-theft wheel bolts
Direct tyre pressure monitoring system
Lane departure warning

Exterior

Black Appearance package Plus
Darkened Matrix LED headlamps with headlamp washer system, dynamic light design and dynamic turn signal
Rear spoiler
Brake calipers painted in red
Alloy wheels, 10-spoke Y-style, Platinum Gray, diamond-turned, with 265/30 & 245/35 R19 tyres

Interior

Fine Nappa leather with honeycomb stitching and embossed "RS"
Decorative insert in Carbon Atlas Structure
Sports contour leather-wrapped multi-function Plus steering wheel, with shift paddles, 3-spoke, flat-bottomed

Technology

Audi virtual cockpit plus with additional RS layout
RS sports exhaust system
Adaptive suspension with Audi drive select
Audi smartphone interface
Bang & Olufsen premium sound system with 3D sound
Head-up display

Comfort

12-way electric front sport seats with electric lumbar support and memory for driver
Progressive steering
