

RS 4

Avant

Driven by purpose

Sports car meets family car

The utilitarian design, high performance and uncompromising silhouette make the Audi RS 4 Avant ideal for progressive families.

Intuitive driving experience

The quattro all-wheel drive with sport differential and the RS sport suspension with Dynamic Ride Control (DRC) ensures agile handling.

Navigate at your command

Operate the MMI navigation plus infotainment system easily on the MMI touch display or by voice command.

Muscular exterior

The Audi RS 4 Avant makes a lasting impression with its striking front and back bumpers, and distinctive new wheel design.

Spacious and thoughtful

The rear seats can be split-folded to 40:20:40, offering maximum storage space. For easy loading, the boot lid can be opened conveniently with a foot gesture.
