

A7

Sportback S line

Unmistakably
iconic

A showcase of versatility

Automotive elegance and a contemporary spirit are personified in the coupé design, the comfort of a sedan and the variability of an Avant.

Revolutionary design language

The A7 Sportback is progressive from all angles, from its incomparable performance to its captivating sharpened lights and superbly crafted interiors.

Superior directional stability

and high-precision handling in almost any driving situation is achieved with the quattro drive with ultra technology.

Experience new freedom

with the panoramic glass roof and let natural light in. When closed, the electronic sun blind provides excellent light protection and reduces interior heat.

The HD Matrix LED headlights

illuminate the road ahead to ease navigation without disrupting other road users, by detecting the position of the oncoming vehicle and dimming light emission in its field.

Luxurious interiors with Valcona leather seats

offer greater driver and passenger comfort, with extra legroom to delight in without compromising luggage space.
