

# e-tron GT quattro

Sustainable performance  
that defines progress

**Designed to  
be distinct**  
with sleek looks that  
blend the familiar  
and the future.

**Accelerate  
with intent**  
as you deploy two  
electric motors that  
deliver up to 530 PS.

### **Incredible efficiency**

Advancements in motor and battery technology give the e-tron GT quattro an impeccable range of up to 502 km\*, while maintaining an acceleration of under 4.5 seconds to 100 km/h from a standstill.

### **Dynamic in every way**

A fitting counterpart to sharp looks and surprising agility, the dynamic indicators on the e-tron GT quattro are as functional as they are eye-catching when you're on the move.

### **Say hello and goodbye**

The e-tron GT quattro welcomes you and bids you farewell with its own animated sequence for the headlights and tail lights whenever you lock or unlock the vehicle.

### **Stop on a dime**

High performance requires high stopping power. Equipped with steel brakes with tungsten carbide coating and red brake calipers, the e-tron GT quattro is capable of shedding speed rapidly and consistently.

\* In accordance with the Worldwide harmonized Light vehicles Test Procedure

### Technical Specifications

|                                      |   |
|--------------------------------------|---|
| <b>Power output</b><br>in boost mode | 476PS (350kW)<br>530PS (390kW)                          |
| <b>Torque</b> (in boost mode)        | 630 Nm (640 Nm)   |
| <b>Gearbox</b>                       | 2-speed automatic transmission                          |
| <b>Acceleration</b> (0-100km/h)      | 4.5 s (4.1 s)   |
| <b>Battery capacity</b>              | 93.4 kWh  |
| <b>Electric range</b>                | Up to 502 km*   |
| <b>Consumption</b>                   | Combined 21.6 kWh/100km                                 |
| <b>Dimension</b> (L x W x H mm)      | 4,989 x 1,964 x 1,413                                   |
| <b>Wheelbase</b> (mm)                | 2,900   |
| <b>Driven wheels</b>                 | Electric all-wheel drive                                |
| <b>Wheel type</b>                    | 20" black 5-spoke aerodynamic module style              |
| <b>Suspension</b>                    | Double-wishbone (front) & Multi-link (rear)             |
| <b>Seat material</b>                 | Perforated leather combination with honeycomb stitching |
| <b>Luggage capacity</b>              | 350 litres  |

\* In accordance with the Worldwide harmonized Light vehicles Test Procedure. Electrical range may vary based on internal and external factors such as individual driving styles, driving terrain & conditions, cargo weight, weather conditions & temperature.

### Equipment Highlights

#### Safety

8 airbag system  
Audi pre sense front and rear  
Adaptive cruise control with speed limiter, efficiency assist, swerve assist and turn assist  
Lane departure warning  
Front and rear cross traffic assist

#### Exterior

Matrix LED headlamps with Audi laser light and LED rear combination lamps, lighting scheme and dynamic turn signal  
Black appearance package plus  
Carbon roof  
Steel brakes with tungsten carbide coating and red brake callipers

#### Interior

Upper and lower interior elements in fine Nappa leather/Dinamica® microfiber  
Sports contour 3-spoke flat-bottomed leather-wrapped multi-function plus steering wheel with shift paddles  
Perforated leather combination with honeycomb stitching

#### Technology

quattro with open rear differential  
e-tron sports sound  
Audi connect Navigation & Infotainment  
Head-up display  
400-Volt boost converter plus  
MMI Navigation plus with MMI touch  
On-board charger (AC) up to 22 kW  
Bang & Olufsen premium sound system with 3D sound

#### Comfort

Electrically adjustable front sports seats pro with memory function for the driver seat  
3-zone climate control system  
Comfort stationary air conditioning  
Air quality package  
Suspension system with damper control
