The Extra For Those Who Go The Extra Mile

The Ford Ranger XLT Plus Special Edition is ready to take on anything, rain or shine. Like you, it was built to see through all kinds of action. And the Special Edition now comes with a refreshed look befitting your character.

Go the Extra Mile... and Beyond

The Ranger XLT Plus Special Edition is equipped with a first and only in-class 10-Speed Automatic Transmission.

2.0L
Single VGT

POWER
180PS

TORQUE
420Nm

10-Speed
Automatic Transmission

Shift-On-The-Fly

Move effortlessly between 2WD and 4WD high mode or low mode.

Extra Power

The Ranger XLT Plus Special Edition's refined 2.0L Single VGT diesel engine offers impressive power and torque. You get a more durable and efficient machine overall.

Built to Carry Extra

Ranger XLT Plus Special Edition's huge towing capacity make light work of any challenge. With up to 1,000kg payload and 3,500kg towing capacity, you can confidently take on the biggest of jobs. Its Electronic Stability Program provides greater control by adapting the vehicle to handle the changing force from the loads you're carrying.

Getting Extra Looks

Bold, forward-looking, powerful. Leaders make statements and the Ranger XLT Plus Special Edition's enhanced exterior features make quite a few of them.

Light and Easy

With an impressive 800mm water wading and heavy towing capacity, the Ranger XLT Plus Special Edition makes heavy-duty tasks at hand seem light and easy.

New Front Grille

New Fender Flare

New Sports Bar

Illuminated Scuff Plate

DVR Camera

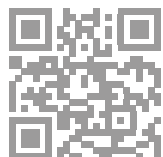

Extra Assurance

The Ranger XLT Plus Special Edition loaded with advanced safety features to keep you and your passengers safe.

Hill Descent Control

Hill Descent Control uses the brake system to take you downhill at a safe and steady pace.

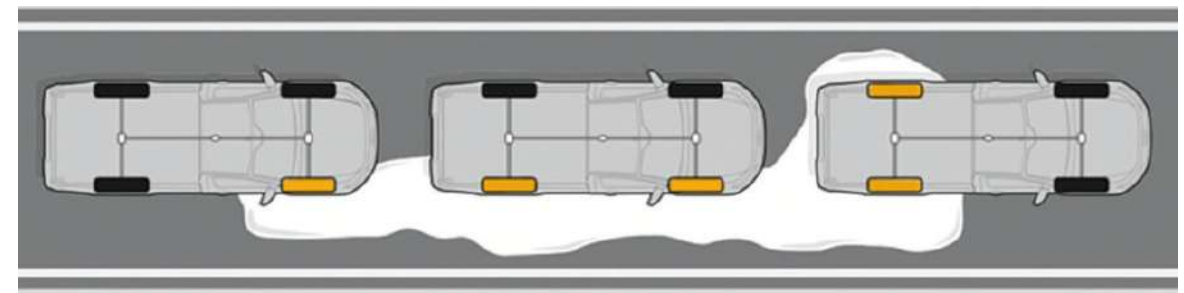

Rollover Mitigation

Helps prevent the vehicle from getting into a roll-over situation.

Hill Launch Assist

No more roll-back when starting or uphill. Brake pressure is held for three seconds after you release the brake and press the accelerator.

Traction Control System

Sensors individually monitor each wheel for speed and slip, and automatically brake and increase torque, and needed, to maximize grip and help avoid wheel spin.

*Warning: Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate in some driving and road conditions (including at certain speeds) or adverse weather.

Extra Advantage to Get the Job Done

The Ranger XLT Plus Special Edition is equipped with features that will make your journey (and life!) easier.

Extra Peace of Mind

Keep everything in your sights – the Ranger XLT Plus Special Edition now comes with a DVR camera so you can record all your road adventures!

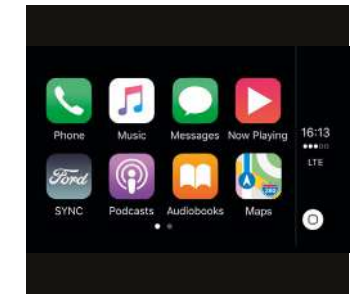

Easy Lift Tailgate

Operating the tailgate shouldn't be an obstacle especially when juggling heavy loads. Closing and opening the tailgate is now made easy, as it can be closed with a mere lift of a finger.

Keyless Entry with Push-Start Button

With one foot on the brake and a finger on the Start button, you're ready to take on the day!

SYNC®3

SYNC®3 delivers next-level connectivity to your busy life with great features, including Apple CarPlay, Android Auto, and AppLink™ compatibility. The 8-inch touchscreen display unit with Bluetooth, voice recognition and navigation support smartphone-like functionalities that make travelling in a Ranger XLT Plus Special Edition a pleasure.
