

STARIA

Step into the space.

Prepare to embark on a new journey into the revolutionary space of STARIA, where you will travel in maximum comfort, and spend life-enriching moments. In this space, the possibilities are as unlimited as the different lifestyles of its owners. It's one small step for STARIA and one giant leap into the future of MPV mobility.

STARIA Premium 7-seater.

STARIA Premium stirs up the winds of change to open a new chapter in MPV driving. Inspired by the concept of a luxurious modern lounge, the futuristic styling commands instant attention. The lounge idea is fully realized the moment you step inside the multi-open space cabin, where you are greeted by a wonderful feeling of openness and smart technologies that make daily driving a lot easier.

Tinted brass chrome bumper. Also available in dark chrome.

1st-row double-laminated soundproof glass

18" tinted brass alloy wheels. Also available in dark chrome.

Design in a new direction.

For a clean break with the past, STARIA designers adopted the one curve gesture to advance MPV design in an entirely new direction. Radiating simplicity and high-tech elegance, the futuristic silhouette provides clues to STARIA's cutting-edge technologies that make driving safer, more comfortable, and more convenient than ever before. STARIA Premium does more than establish a new design aesthetic: it redefines the luxury MPV segment to stand in a class of its own.

Full LED dual headlamps and daytime running lights

Futuristic design with unique styling

Parametric pixel lights (LED rear combination lamp)

10-colour ambient mood lamp

Whether you prefer an ambiance that is soft and gentle or lively and exciting, or somewhere in between, the shades of the mood lamp are user-customizable to suit personal preferences.

In a class of its own.

From the moment you first lay eyes on STARIA, you know it stands in a class of its own. It's not imitative or derivative but a truly original creation—the product of inspired design. Inside, you're greeted by a spacious, wide-open cabin that flourishes with premium touches like the digital gauge cluster and elegant materials that feel so soft to the touch and are always easy on the eyes.

10.25" Supervision Cluster

8" touchscreen display with wireless Apple CarPlay® and Android Auto™

Dual sunroof

Ventilated and heated seats (1st and 2nd row)

Wireless smartphone charging system

USB outlets at all seats

Convenience at its best.

Crafted for peak comfort and convenience, STARIA Premium gets it right by surrounding you with a variety of smart features that provide unexpected delight. The sliding door and tailgate open automatically on your approach and will close automatically when departure (only for tailgate). Long sliding seats provide an extra measure of flexibility for reconfiguring the cabin space while the BOSE premium sound system transforms STARIA Premium into a concert hall on wheels.

Premium relaxation seat (one-touch relaxation mode)

At the touch of a button, the premium relaxation seat features redistribute your bodyweight to make you feel like you're floating in the air and it cares for you in all weather conditions with its 3-stage heating and ventilation functions. The 2-way backrest, 2-way seat cushion and 4-way leg rest are individually adjustable to suit personal preferences.

Smart power sliding door

No hands, no button pressing required. With the smart key with you, the smart door senses your presence and slides open automatically.

Smart power tailgate (with auto-close function)

STARIA's smart power tailgate does all the work for you by automatically opening as you approach the vehicle and automatically closing as you walk away.

BOSE premium sound system

Bose speakers create a truly immersive sound experience and include dynamic speed compensation to automatically calibrate speaker volume according to your driving speed.

7 - Seater

With the luxuriously appointed 7-seater, long journeys will just fly by. The 7 Nappa leather seats are arranged in a 2-2-3 row configuration, with a variety of flat-folding and sliding options to suit different needs.

Perfect 10.

The exceptional versatile STARIA 10-seater will have you looking forward to the fun of the next road trip. The perfect choice for large families comes with loads of comforts and convenience features that magically shrink long distances and make time fly by.

10.25" Supervision Cluster***

8" touchscreen display with wireless Apple CarPlay® and Android Auto™

Rear roof infotainment (optional)

Wireless smartphone charging system*

Full-auto air conditioning system*

8 USB outlets available

*Only available on the Max variant. ***Only available on Plus and Max variants.

Everyday is liberation day.

STARIA's smart features are truly liberating—they give you the freedom to focus on more important things. With the smart key, STARIA's sliding doors open and close automatically***. There's an abundance of storage space, and nice-to-have convenience features like the AVNT (Audio Video Navigation Telematics) that serves as a surround-view monitor*** while parking or as a rear-view monitor to let you keep an eye on traffic behind you.

Full flat seats

Folding the backrests of the 2nd-, 3rd-, and 4th-rows into the flat position increases the load space to 2,468mm or you can carry oversized items, extra luggage, or enjoy overnight camping if you like.

Smart power sliding door***

Upon sensing the presence of the proximity key, the smart door automatically slides itself open after a pre-set interval—a very convenient feature when your hands are full.

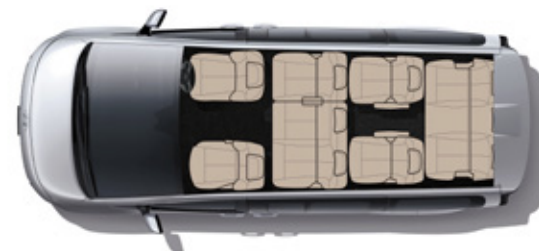

Smart power tailgate* (with auto-close function)

With the smart key and new proximity sensor, tailgate operation is truly smart and hands-free: it opens and closes automatically without requiring any drive input whatsoever.

10 - Seater

The STARIA 10-seater offers limitless possibilities and is perfect for both short and long excursions. There's ample legroom, shoulder room, and headroom, plus multiple USB charging ports on board to keep everyone happy during the trip.

*Only available on the Max variant. ***Only available on Plus and Max variants.

A surprising performance.

STARIA's new and highly efficient diesel engine, mated to a 8-speed shift-by-wire^ automatic transmissions unleash powerful performance and a rush of endorphins. Coupled with the front MacPherson struts and rear multi-link suspension setup, the STARIA promises a class-leading smooth and comfortable ride.

2.2 CRDi Diesel

177 Maximum power
PS/3,800rpm

431 Maximum torque
Nm/1,500-2,500rpm

Leather wrapped gear knob****

Drive Mode Select with 4 drive modes
(Smart, Normal, Eco and Sport)

Shift-by-wire automatic transmission^

^Only available on the Premium variant. ****Only available on Lite, Plus and Max variants.

Superb safety.

Imagine a vehicle that cares for your passengers safety as much as you do. At Hyundai, we believe that safety should never be an optional extra. That's why we created Hyundai SmartSense™ – our standard advanced system of interconnected cameras, radars, alerts, alarms and ultrasonic sensors that know what's behind you, what's beside you, and can get your STARIA to react to what's in front of you.

Surround View Monitor (SVM)***

Blind-spot View Monitor (BVM)^

Rear Occupant Alert (ROA)

^Only available on the Premium variant. ***Only available on Plus and Max variants.

Hyundai SmartSense™.

Forward Collision-Avoidance Assist (FCA)^^

If there's a danger of a collision with a car, pedestrian, or cyclist, FCA provides an early warning and, if necessary, it automatically brakes for you. It also detects oncoming vehicles at intersections to promote safer left turns.

Driver Attention Alert (DAW) with Leading Vehicle Departure Alert (LVDA)^^

DAW monitors your driving patterns to detect driving. If detected, it alerts you with sound cue coupled with a warning message on the instrument cluster. During a stop, LVDA will alert you if the leading vehicle departs.

Blind-spot Collision Assist (BCA)^^

When operating the turn signal switch to change lanes, if there is a risk of collision with a rear side vehicle, the system provides a warning. After the warning, if the risk of collision increases, the function automatically controls the vehicle to help avoid a collision. If exiting a parallel parking spot and there is a risk of collision with a rear side vehicle, the function automatically assists with emergency braking.

^^Only available on Max and Premium variants.

Safe Exit Assist (SEA)^^^

When the occupant opens the door to exit the vehicle after a stop, if an approaching vehicle from the rear side is detected, the function provides a warning. The function also helps keep the rear door closed through operation of the power sliding door.

Smart Cruise Control with Stop and Go (SCC w/ S&G)^^^

Smart Cruise Control helps maintain distance from the vehicle ahead and drive at a speed, set by the driver.

Lane Following Assist (LFA)^^^

A front camera tracks the lane markers and helps keep the vehicle safely centered within the lane.

Lane Keeping Assist (LKA)^^^

A front view camera detects lane markers and road edges helping prevent unintentional lane departures. When the vehicle strays from its lane (or road), the system sets off a visual and sound alarm and automatically steer the vehicle to prevent it from moving out of its lane (or road).

Rear Cross-Traffic Collision-Avoidance Assist (RCCA)^^^

RCCA warns of the approach of a vehicle across the rearward path when reversing and, if necessary, emergency braking is applied.

^^Only available on Max and Premium variants.
