STYLISH FEATURES

RV Meter

Premium Interior with Silver & Wood Finishing*

Nappa Leather Seats*

17-inch Alloy Rims*

CONVENIENCE

Cruise Control

Auto Air-cond

Reverse Camera

GPS with Bluetooth & iPod Connectivity*

Roof Rails

Auto Rain & Light Sensor

*Only available on VGT variant.

DYNAMIC POWER

The Common Rail fuel system delivers a precise, steady fuel supply to each cylinder, enabling maximum output with minimum wastage for better efficiency and reduced emissions. The computer-controlled feedback system allows for continuous adjustment, ensuring peak performance at all times.

OUTSTANDING LOW-END TORQUE AND FULL-RANGE PERFORMANCE

DID
COMMON RAIL
Direct Injection Diesel

16-VALVE LAYOUT

MAXIMUM OUTPUT*:
178 PS / 4,000 rpm

MAXIMUM TORQUE*:
350 Nm / 1,800 - 3,500 rpm

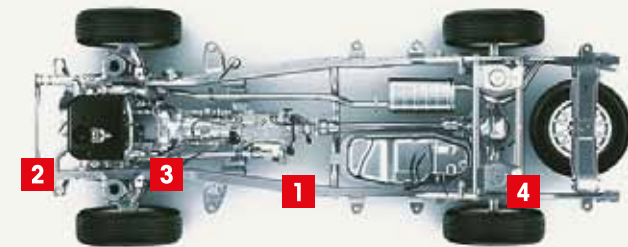

INTERCOOLER

VARIABLE GEOMETRY TURBO*

The Variable Geometry Turbo (VGT) delivers uncompromising power, right when you need it, while maintaining fuel efficiency by achieving an optimal turbo aspect ratio at any given speed. The VGT harnesses the power of the exhaust emissions, ensuring a constant delivery of additional fresh air to the engine for optimum output and performance.

*Only available on VGT variant.

SOLID FOUNDATION

A double-wishbone front suspension combined with a 3-link rear suspension, both with coil spring and stabiliser bars, give unmatched traction and stability for drivers to enjoy superb off-road performance.

1 Tougher, lighter frame beams
Pajero Sport uses beams made from thinner, lighter steel that provides all the strength of thicker beams, with less weight.

2 Impact-absorbing collapsible bends
Built within the frame, they help absorb collision energy before it can reach the cabin interior, providing added protection to occupants.

SUSPENSION
RIDE DYNAMICS

3 Front double-wishbone, coil springs with stabiliser bar

4 Rear 3-link, coil springs with stabiliser bar

CONTROL AND HANDLING

INVECS-II 5 SPEED A/T WITH SPORTS MODE*

The INVECS-II studies your driving habits under a variety of conditions and uses two Shift Control programs to complement the way you drive.

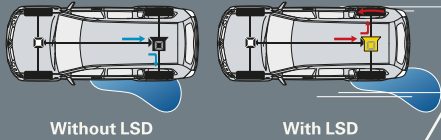

MAGNESIUM PADDLE SHIFTERS*

HYBRID LSD*

A hybrid-type Limited-Slip Differential (LSD) gives excellent off-road responsiveness by preventing loss of torque when any one of the wheels loses traction.

Without LSD

With LSD

5.6m

TIGHT MINIMUM TURNING RADIUS

A remarkably tight 5.6m minimum turning radius gives you the ability to manoeuvre through tight spaces with ease.

SAFETY FEATURES

SUPER SELECT 4WD*

Mitsubishi's rally-proven Super Select 4WD puts the right driving mode at your fingertips, letting you shift-on-the-fly from smooth 2H mode highway performance to rugged 4H mode traction without breaking stride.

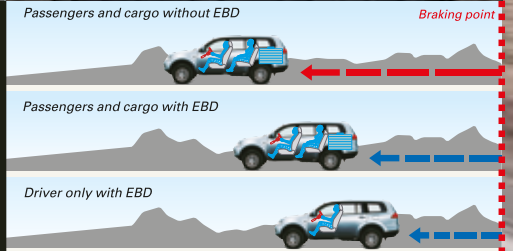

DUAL SRS AIRBAGS

Dual front airbags offer protection for the driver and front passenger. Used together with 3-point ELR seatbelts with pretensioners, they provide an excellent degree of safety.

RISE BODY

Passengers and cargo without EBD

Braking point

Passengers and cargo with EBD

Driver only with EBD

ABS WITH EBD

ABS keeps wheels from locking up to maintain control of the vehicle during hard emergency braking, preventing slipping and skidding while Electronic Brake-force Distribution (EBD) assists by redistributing braking force to the rear brakes as needed, enabling quicker stops even when carrying passengers and heavy loads.

2WD High Range

Fuel-efficient performance for everyday driving.

4WD High Range

Dynamic 50:50 front/rear torque gives you greater control in bad weather conditions.

4WD High Range with Locked Centre Differential

Equal power distribution to all four wheels for off-road driving.

4WD Low Range with Locked Centre Differential

Maximum low-end torque to get you through the roughest off-road terrains.

RISE BODY

Mitsubishi's Reinforced Impact Safety Evolution (RISE) body has proven itself effective in protecting its occupants from collisions.

*Only available on VGT variant.

FLEXIBLE SEATING

Ideal for long journeys, the roomy interior seats up to 7 passengers comfortably.

7-seater convenience for family outings

5-seater comfort with space for storage

60:40 split-seater flexibility to suit any lifestyle

2-seater versatility maximises carriage space

Fully reclined for some rest and relaxation

SMART STORAGE

SPECIFICATIONS

MODEL NAME		MITSUBISHI PAJERO SPORT	
Variant		2.5 VGT	2.5 GL
Drive System		4WD	2WD
DIMENSIONS & WEIGHTS			
Overall Length	mm	4,695	
Overall Width	mm	1,815	
Overall Height	mm	1,840	1,825
Wheelbase	mm	2,800	
Track	mm	1,520	
	mm	1,515	
Min. Ground Clearance		215	
Kerb Weight		2,040	1,895
Gross Vehicle Weight		2,710	2,650
Max. Load Weight		670	755
Min. Turning Radius	m	5.6	
ENGINE			
Type		2.5L Diesel, 16-valve Turbocharged (VGT) & Intercooled DI-D DOHC	2.5L Diesel, 16-valve Inline-4 Intercooled, Turbocharged DOHC
Displacement		2,477	
Bore & Stroke		91.1 x 95.0	
Compression Ratio		16.5	17
Max. Output kw (PS)/rpm		131 (178) / 4,000	100 (136) / 3,500
Max. Torque Nm/rpm		350 / 1,800-3,500	314 / 2,000
