

NEW PEUGEOT 5008

LIONS OF OUR TIME.

For 210 years, PEUGEOT has unfailingly upheld a French manufacturing tradition of quality and inventiveness. Today, PEUGEOT is more focused than ever on designing sleekly styled vehicles affording drivers a sensory experience that goes beyond driving by heightening all the senses.

From ergonomics to materials and connectivity, we have worked on each detail to bring you a more intuitive driving experience, because people have been and always will be our main focus.

THE NEW 7-SEATER PEUGEOT 5008.

RENEWING MODERNITY.

Expand your idea of imposing style. The modern styling of the new 7-seater PEUGEOT 5008 has been revamped with elegance and maturity to strike a perfect balance between power and refinement. The dynamic and sporty stance of its raised body design is highlighted by the chrome insert that extends the line of the headlights to the rear spoiler with 18" Detroit diamond-cut aluminium wheels that add a final touch to its athletic muscular body.

FEATURING TOMORROW'S DESIGN CUES.

With a new frameless radiator grille and the brand's signature lighting, the front end of the new PEUGEOT 5008 is perfectly integrated, sculptural and distinctive. The new model's feline look is enhanced by full-LED headlights and "illuminated fang" daytime running lights.

HEIGHTENED PRESTIGE.

At the rear, the modern prestige of the new PEUGEOT 5008 is heightened by the perfect alignment of the gloss black strip, new and modernised full-LED lights with 3D claw effect.

ENHANCE YOUR DRIVE.

Heighten your sensations at the wheel of the modernised, innovative and user-friendly PEUGEOT i-Cockpit®. Equipped with the compact steering wheel for improved handling and toggle switches, the new PEUGEOT 5008 gains a new 10" infotainment high-quality display.

INSTRUMENT PANEL.

With deeper black and better contrast, the customisable and configurable, 12.3" digital head-up cluster display provides better display quality and optimised readability of the information selected by the driver.

ENJOY THE MODULAR LAYOUT AND ROOMINESS.

Roomy in its category, the new PEUGEOT 5008 features large volumes inside. The interior fittings have been optimised to offer excellent spaciousness and with a practical modular layout. It also has a large boot capacity, access to which is simplified by the motorised hands-free power tailgate.

PERFORMANCE IN ACTION.

The powerful 1.6L Twin Scroll Turbo High Pressure (THP) engine with Direct Petrol Injection, coupled with a 6-Speed Automatic (AT6 III) transmission, offers performance, fuel efficiency and driving pleasure. While Advanced Grip Control offers optimised traction control on roads or low-grip terrain.

INNOVATIVE TECHNOLOGY.

The numerous latest-generation driving assistance systems* in the new PEUGEOT 5008 further enhance on-board comfort and safety with: Blind Spot Monitoring, Active Lane Keeping Assist, Speed Limit Recognition and Driver Attention Warning.

* These systems are not a replacement for safe and attentive driving. Please drive carefully at all times and do not rely on technology to prevent an accident.
