THE NEW Proton *EXORA*

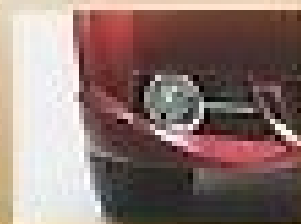

Put simply, it's an all-rounded MPV that'll meet all your practical needs, in style. And with comprehensive safety, comfort and performance features at great value, it's surely where you

STYLE

The Exora gives you things others don't. It's more than just a car. It's a lifestyle. It's a statement. It's a Proton Exora.

Blacksteel 15" alloy wheels make sure you go in style.

Chrome accents with chrome mouldings for a premium look.

Side body styling for maximum aerodynamics.

SAFETY

Wherever you and your family go, travel with peace of mind knowing that you're well protected in an Exora.

ABS and EBD

ABS and EBD helps stabilise the car on slippery roads and prevent accidents.

Dual Airbags

Dual SRS airbags protect both driver and passenger from serious injuries in the event of collision.

Pre-tensioner Seatbelt

The tensioner seatbelt helps restrain upper body movement during a sudden crash.

Lotus Ride and Handling

- Safe and secure
- Precise and progressive steering response
- Secure and agile handling for vehicle while cornering and changing lanes

Active Hazard Lights

Hazard lights will switch ON in case of sudden braking at a speed of 10km/h and above.

Simply meant for your enjoyment and well-being, every ride turns into quite an experience whatever the length of your journey. Long distances or a quick stop. Even your loved ones will feel right at home thanks to a luxurious interior. And it's not strange to feel that familiar sense of comfort and security because after all, the Exora is part of the family too.

PERFORMANCE

Thanks to a CamPro CPS engine and a minimum turning radius, your journeys will always be a breeze.

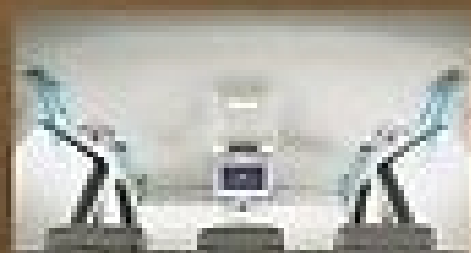

The CamPro CPS engine with 140hp and 130km/h top speed is a proven 7 years motor with a full line of approved refineries. A lightweight body technology improves fuel efficiency too.

Provides an optimal turning radius, useful in tight corners and parking lots.

COMFORT

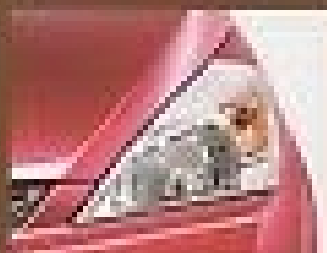

From simple space to luxurious comfort, the Exora has it all.

Adjustable air conditioning vents at every row.¹

Turn those long monotonous journeys into a cinematic experience with entertainment on the go.²

'Yellow Home' function: headlights will remain on for 30 sec, even after you exit the car. Useful as an extra safety measure in dark parking areas.

2nd row seats have a 60/40 split feature with a convenient single arm fold and lumbar function.

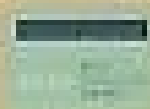

Easy-to-operate feature provides information on direction, places to drive or visit the nearest hospitals.³

¹Selected upgrades are available in the Medium and High Line models only.

²High line only. ³Medium Line & High Line only.
