small improvements,
big difference

SAGA SE

new, sporty attitude

The new Proton Saga SE. It's the same practical Proton Saga, but now with a lot more attitude. All thanks to improvements all around. On the outside, a new grille design, roof colour, spoiler, rim design and more. Step inside and you'll find elegant leather seats plus other refinements. See it for yourself today. But don't say we didn't warn you – you may be convinced that it's an entirely different car altogether.

sporty design

We've added little touches that give the Saga SE a whole new attitude.

Available in Brilliant Red & Solid White

built for safety

With the Savvy platform as a guide, the body shell is tough, with body rigidity of 17,000N/mm.

safer cabin: Strategic crumple zones absorb impact effectively upon collision – preventing intrusion into the passenger area for optimal protection.

alarm system: Keyless entry button. Panic siren to activate alarm (B-Line, M-Line and SE only).

seatbelts: 3-point front seatbelts with fixed anchorage. 3-point rear seatbelts with centre lap belt.

srs driver's airbag supplemented by seatbelt pretensioner system.

Chest injuries
reduced by

65%

Head injuries

75%

Available in the M-Line and SE

reverse sensor

- Combination of vertical and horizontal detection angles ensures safe coverage (M-Line and SE only).

convenience

power window: Front power window with lock function provides control and safety (B-Line, M-Line and SE only).

electric door mirror: Easily reachable by the driver for accurate control (M-Line and SE only).

air cond vents: Large and easy maneuver (360°). Multi directional and cools the interior more effectively.

room lamp: Centrally located for all round lighting and accessible to backseat passengers.

space, space, space

Ample legroom

Open compartment below steering wheel

Door pockets

Glovebox

413L boot space fits 4 medium-sized bags
