Turn heads in **5.6 seconds**

Much to see, more to experience. Even before you step in the new Arteon R-Line 4MOTION, its frameless side windows and aerodynamic coupe design is sure to ignite desire. Once you're in, the sheer power of 280PS and 350Nm of torque will only make you want it more. Conceived in true spirit of the R identity, the new Arteon R-Line 4MOTION is made to thrill.

Seriously impressive **technology**

The new Arteon R-Line 4MOTION comes equipped with a premium 700W Harman Kardon sound system with 12 high-performance speakers including a subwoofer, delivering astounding acoustics.

Experience immersive technology with Digital Cockpit, 'Discover Pro' 9.2" touchscreen navigation infotainment system with gesture/voice control and Wireless App-Connect® (Apple CarPlay, Android Auto).

The new LED-design headlights emphasise the striking front of your Arteon. It includes automatic driving light switching in addition to daytime running lights. The dynamic rear lights also produce a 3D effect when switching between the rear and brake lights as you brake.

Invitingly **comfortable**

Beautifully sculpted to offer supreme support and comfort, the new ErgoComfort 'Nappa Carbon' leather sport seats come with an electric 14-way adjustment for seat height, seat length, seat cushion angle, and backrest angle. For your convenience, the Area View camera also offers a 360° view of your surroundings whether in parking, turning or leaving a driveway.

'Nappa Carbon' leather seat

'Easy Open' and 'Easy Close' tailgate

Need a hand?
The new Arteon R-Line 4MOTION comes with an electric luggage compartment lid with a hassle-free 'Easy Open' and 'Easy Close' operation.

Next-generation **safety**

For your added peace of mind, the fully integrated safety systems are designed to make every journey a breeze. It features blind spot alerts and Side Assist for lane changing, and Lane Assist to help ensure you stay in lane. It comes with 7 airbags, as well as an advanced electronic differential lock linked to a sophisticated Electronic Stabilisation Control (ESC) system.

Volkswagen Cares Mobile App

Stay updated with service offers, owner rewards, and more

Volkswagen Cares

We are committed to care and provide the best for Volkswagen customers. More than just a loyalty program, Volkswagen Cares applies on all levels and embodies how we interact, engage and serve our customers better.

Customers may also download the Volkswagen Cares mobile application, an aftersales - led initiative to continuously improve the ownership experience. The mobile app comes with a list of features related to both sales and aftersales, including service offers, owner rewards, educational videos and tips event updates, and 24-hours' roadside assistance - all at the touch of a button.

Body & Paint

Safe and strong: Volkswagen Genuine Body Parts give your Volkswagen the necessary stability and offer you the best possible protection in the event of an impact. As we have developed all parts especially for your original, they fit like a glove. The result: You save time and costs in any repair and your Volkswagen remains an original through and through. Best of all, our paint and workmanship comes with 2 years warranty for peace of mind.

Volkswagen Care Plus (VCP)

An integral part of Volkswagen Cares is Volkswagen Care Plus (VCP), an exclusive program for owners with a vehicle 5-years and older. With a minimal one-time payment fee, VCP member privileges include three 20% service discounts vouchers, 2-year extension of Volkswagen's Roadside Assistance, and more rewards. Interested customers can sign up at any authorised Volkswagen dealer to make payment before receiving their membership card.

24-hour Roadside Assistance

When your Volkswagen has a breakdown, our 24-hour roadside assistance service team is readily available to help you with the following services:

1. Tow assistance and recovery to the nearest Volkswagen service centre. For security reasons, towing service will not be provided to an unattended vehicle.
2. Emergency telephone call to family or friend of the Volkswagen driver.
3. Battery jump start. If your vehicle cannot be driven safely, towing services will be provided.
4. Flat-tyre change (if spare tyre is available) in a safe environment. Otherwise, towing service will be provided.

All the above is subject to terms & conditions as stated on volkswagen.com.my
