The New Era Of Dynamic Versatility

With smart versatility, intuitive technology and exciting dynamics, the V60 is a new generation of Volvo. A car that allows you to live the life you want.

Defined by pure, elegant lines and an athletic character, it's a car that projects confidence. The spacious interior is a place where everyone travels in comfort, and where refined details create a sense of contemporary luxury.

Elegant, sporty, spacious and versatile: welcome to the new generation of Volvo cars. Welcome to the Volvo V60.

The Recharge T8 e-AWD plug-in hybrid powertrain delivers an exhilarating drive with uncompromised efficiency. Combining a high-performance petrol engine and an electric motor, this 407 hp powertrain allows outstanding highway performance and low emission commuting.

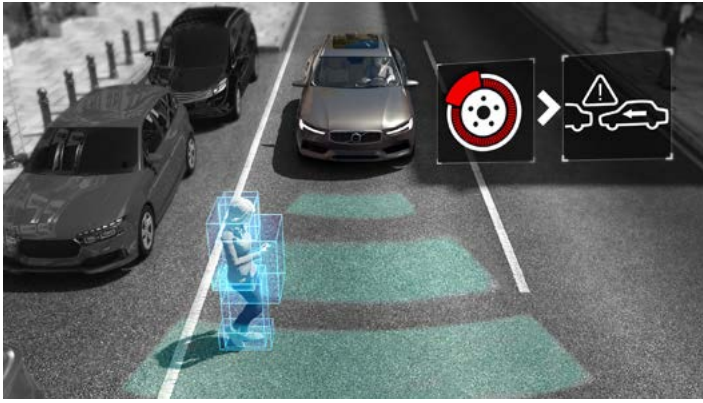

Finely crafted details such as the proud front grill and LED lights – front and rear – help to give it a strong identity. This is the bold new wave of Volvo Cars' design, personified.

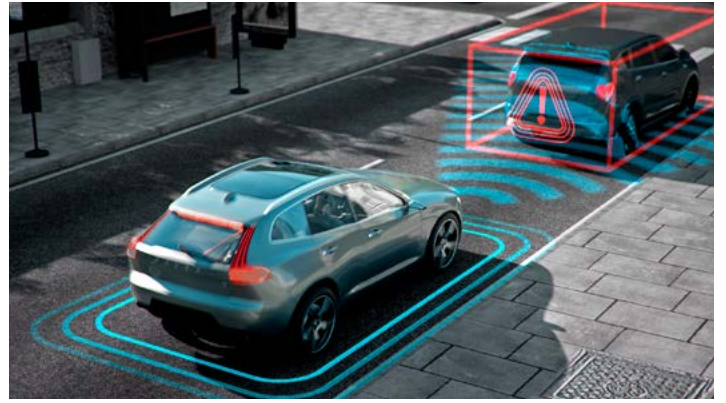

Select your power. Choose between five drive modes that allow you to tailor the car's behaviour to your mood and find the perfect setting for the road you're on. The large 9-inch center display further adds to your sense of being in control.
